Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30, 1983

OFFICE OF THE TOWN CLERK
Town of Plainville, Massachusetts

May 22, 1981

Mrs. Joan Clarke
87 School Street
Plainville, MA

Dear Mrs. Clarke:

By virtue of the authority in me vested, with full power and revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office for the term ending April 1984.

Very truly yours,

Kathleen M. Sandland
Town Clerk

cc. Secretary of State and Division of Public Records

The Commonwealth of Massachusetts
DEPARTMENT OF THE ATTORNEY GENERAL

John W. McCormack State Office Building
One Ashburton Place, Boston, Massachusetts

May 24, 1983

Kathleen M. Sandland, Town Clerk
Office of Town Clerk
Plainville, Massachusetts 02762

Dear Ms. Sandland:

I enclose the amendment to general by-laws adopted under Article 38 and the amendments to zoning by-laws adopted under Article 13 of the warrant for the Plainville Annual Town Meeting held April 4, 1983, with the approval of the Attorney General endorsed thereon and on the zoning map pertaining to Article 13.

Very truly yours,

(signed)
Henry F. O'Connell
Assistant Attorney General

May 25, 1983

I hereby certify I have posted six copies in six public places on this day.

CONSTABLE

A TRUE COPY, ATTEST: _____
KATHLEEN M. SANDLAND, TOWN CLERK

May 24, 1983

Boston, Massachusetts

The within zoning map, pertaining to Article 13 of the warrant for the Plainville Annual Town Meeting held April 4, 1983, is hereby approved.

(signed)
Francis X. Bellotti
ATTORNEY GENERAL

May 24, 1983

Boston, Massachusetts

The foregoing amendment to the general by-laws adopted under 38 of the warrant for the Plainville Annual Town Meeting held April 4, 1983, is hereby approved.

(signed)
Francis X. Bellotti
ATTORNEY GENERAL

THE COMMONWEALTH OF MASSACHUSETTS

Michael Joseph Connolly, Secretary

WARRANT FOR THE STATE PRIMARY

SS:

To either of the Constables of the Town of Plainville

Robert E. Hartnett

PROCEEDINGS OF THE STATE PRIMARY

September 14, 1982

Pursuant to the foregoing Warrant, the State Primary Election was held in the Beatrice Wood Elementary School, South Street, Plainville, Norfolk County, Massachusetts.

The following election officials were appointed by the Board of Registrars and were sworn into faithful performance of duty by the Town Clerk, Kathleen M. Sandland.

REPRESENTING THE DEMOCRATIC PARTY:

Clerk:	Aline Kenney
Deputy Clerk:	Evelyn Soule
Inspector:	Jean Matthews
	Joan Flatley
Alternate Inspector:	Joan Theriault

REPRESENTING THE REPUBLICAN PARTY:

Warden:	Reginald Keyes
Deputy Warden:	Joan F. Clarke
Inspector:	Bessie Barton
	Beverly Armstrong
Alternate Inspector:	Marie Miller
Ballot Box Officer:	Clinton Barton

The Board of Registrars were present throughout the day to answer questions about the voting list. The ballot box was inspected by Reginald Keyes and Evelyn Soule. The ballot box showed a count of 914 as a result of the last election. The ballot box was turned back to zero. Ballot box keys were turned over to Police Officer on duty. Clinton Barton was appointed tender of the ballot box throughout the day. The Warrant was read by the Town Clerk, Kathleen M. Sandland, and at 8:00 A.M. the polls were officially opened.

The following is a result of the total tally of votes cast throughout the day. Clerk Aline Kenney announced the totals. They are as follows:

Kathleen M. Sandland
Town Clerk

TERMS AND MOTIONS USED AT TOWN MEETING

1. QUORUM – 60 registered voters are needed to conduct a meeting.
2. ARTICLE -- That which is printed on the Warrant. The sums of money printed may not be increased but may be decreased.
3. METHODS OF VOTING –
 1. Ayes and Nays.
 2. Standing Vote – required on all votes that require a 2/3 vote.
 3. Secret Ballot – a motion for a secret ballot is in order at any time. The motion requires a second, and needs a simple majority to carry.
 4. The Moderator may determine the method of voting on any article.
 5. To put an article on the floor requires a motion and a second. Discussion of the article follows. An article may be amended twice. After disposition of the second amendment by a negative vote, it may be amended again. No more than 2 amendments may be on the floor at one time. All amendments must follow the general theme of the article.
 6. To limit or cut off debates, there are basically four methods:
 - A. A motion to lay an article on the table requires immediate action – it is neither amendable nor debatable, requires a 2/3 vote, and if carried defeats the article.
 - B. A motion to move the previous question is neither amendable or debatable, requires a 2/3 vote, and if carried requires an immediate vote on the motion that is on the floor, either the original motion or as is amended.
 - C. A motion to lay an article on the table to a particular time follows the same procedure as a motion to table, but if carried places the article either in a different sequence or at a different time.
 - D. A motion to postpone indefinitely may also kill an article. It is, however, debatable but not amendable and requires only a majority vote.
4. POINT OF ORDER – Requires immediate action by the Moderator and is used to question the legality of the Moderator's decision.
5. MOTION TO ADJOURN OR RECESS – Amendable and debatable; majority vote required.
6. MOTION TO DISSOLVE – Not amendable or debatable; majority vote required.
7. MOTION TO RECONSIDER AN ARTICLE – May be given at any time. There may be only one reconsideration of an article. It is debatable but not amendable, and requires a 2/3 vote.

These are the basic guide lines of Town Meeting Government. While they are the rules, common sense is still the best guide line.

The Moderator is always willing to help any voter get his or her motion in the proper form to be presented.

All Motions and Amendments must be presented in writing to the Moderator.

If you have any question on procedure, please ask – you will get an answer.

Town of Plainville
WARRANT FOR A SPECIAL TOWN MEETING

Thursday, October 14, 1982

Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Plainville

GREETINGS

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street, in said Town of Plainville at 8:00 P.M. on

THURSDAY, OCTOBER 14, 1982

then and there to act on the following article, viz:

ARTICLE 1: To see if the Town will accept the provisions of Chapter 41, Section 1, and establish the Board of Health of the Town of Plainville, for the purposes and with the rights and duties provided by law, to be composed of three members to be elected for terms of three years each, except that initial elections shall be one for one year, one for two years, and one for three years, or do or act in any manner relative thereto.

(A Petitioned Article)

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places, in said Town, fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doings thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 27th day of September in the year of our Lord one thousand nine hundred and eighty-two.

Ray P. Felix, *Chairman*
John F. Stone
Robert E. Hartnett

SELECTMEN OF PLAINVILLE

A true copy, Attest:

James B. Rockett, *Constable*
September 27, 1982

MINUTES OF SPECIAL TOWN MEETING

Thursday, October 14, 1982

The Special Town Meeting was held on Thursday, October 14, 1982 in the auditorium of the Beatrice H. Wood School on South Street in Plainville.

The meeting was called to order at 8:00 P.M. by Moderator David Lomasney, having determined that a quorum was present. A total number of one hundred eighty-six registered voters were checked into the hall for the night.

Bounds of the hall were set as being the chairs on the auditorium floor. All non-voters were to be seated in the bleachers, and only those seated in these chairs would be counted in case of a standing vote.

Counters were appointed as follows: to the Moderator's right, Marilyn Spadoni and Marie Soper; to the Moderator's left, Keith Grant and Alice Edwards.

The Moderator stated that all questions and discussion must be made through the Chair, and requested that voters stand and use the microphone when speaking. All amendments are to be in writing. Mr. Lomasney also explained that the meeting was being video taped for later broadcasting and requested that voters be cooperative.

Invocation was given by Father James Fratus of St. Martha's Church.

Warrant was read by the Moderator.

ARTICLE 1: Motion by Richard Flynn, seconded by John O'Neil, to accept Article 1 as printed --- To see if the Town will accept the provisions of Chapter 41, Section 1, and establish the Board of Health of the Town of Plainville, for the purposes and with the rights and duties provided by law, to be composed of three members to be elected for terms of three years each, except that initial elections shall be one for one year, one for two years, and one for three years.

Joyce Warburton gave a brief explanation as to why the Finance Committee was not recommending this article.

Richard Silveira, as a member of the Finance Committee, gave a Minority Report, followed by the following motion.

Motion by Richard Silveira, seconded by Arthur Roy to amend Article 1 to read as follows:

ARTICLE 1: That the Town vote to direct the Board of Selectmen to place the following question on the election ballot in the warrant for the next annual town meeting: --- To see if the Town will accept the provisions of Chapter 41, Section 1, and establish the Board of Health of the Town of Plainville, for the purposes and with the rights and duties provided by law, to be composed of three members to be elected for terms of three years each, except that initial elections shall be one for one year, one for two years, and one for three years.

AND

ARTICLE 2: and further that the Board of Selectmen be directed to place an article on the annual town warrant to read as follows: If the Town voted for an ELECTED Board of Health, the Town Moderator be empowered to appoint an interim three member Board of Health within forty-five days of such vote to serve until the next annual Town Election, at which time a Board of Health will be elected in accordance with the provisions of the original article. Members of the Board of Health shall not also be members of the Board of Selectmen.

Mr. Grzenda questioned why the appointing power was being taken from the Selectmen and given to the Moderator.

Participating in the discussion of this amendment were Arthur Roy, Ray Felix as Chairman of the Board of Selectmen, Andrea Soucy, Paul Camber and Paul Grecho.

At this point the Chair received a ruling from Attorney Lee that it is illegal for the Moderator to appoint.

Motion by Richard Silveira, seconded by Fred Atkinson to amend the amendment to read — Article 1 — that the Town vote to direct the Board of Selectmen to place the following question on the election ballot in the warrant for the next annual Town Meeting: To see if the Town will accept the provisions of Chapter 41, Section 1, and establish the Board of Health of the Town of Plainville, for the purposes and with the rights and duties provided by law, to be composed of three members to be elected for terms of three years each, except that initial elections shall be one for one year, one for two years, and one for three years,

AND

Article 2 — and further that the Board of Selectmen be directed to place an article on the annual town warrant to read as follows: If the Town voted for an ELECTED Board of Health, the Board of Selectmen shall appoint an interim three member Board of Health within forty-five days of such vote to serve until the next annual town election, at which time a Board of Health will be elected in accordance with the provisions cited above. Members of the Board of Health shall not also be members of the Board of Selectmen.

Discussion followed with request for explanation of Attorney Lee's ruling of the illegality of Moderator making appointments. Attorney Lee stated that according to our Town By-Law the Moderator does not have the authority to appoint.

Mrs. Drake, Mr. Precourt, Mr. Holbrook and Mr. Sullivan raised questions and the Moderator declared that Mr. Sullivan's question did not address the issue.

There was some confusion between terms "Town Meeting" and "Town Election," and Town Treasurer Kathleen Parker explained that the Town Election is, in fact, the first article on the Town Meeting warrant so that's the way the amendment was worded, the vote to separate the Boards would be done at the April 1983 election and members would be elected at the April 1984 election. This seemed to clarify the situation for the voters.

Mrs. Bonczek called for question and request was seconded. Question was called and voted.

Amendment to amendment was defeated and the amendment had previously been declared illegal, so discussion returned to original motion.

Motion made by Barbara Drake, seconded by Arthur Roy to amend motion by adding, "members of the Board of Health shall not be members of the Board of Selectmen." Mr. Bristol asked Attorney Lee's opinion as to the legality of this amendment. Moderator allowed discussion while waiting for a response from Mr. Lee.

In response to several questions by various individuals as to the reason for the separation of the Boards, the only answer was that the Board of Selectmen was over-burdened because of the rapid growth of the Town.

Mr. Stone replied that if he felt he could not do the job the voters would not have to tell him, he would go to the voters.

Mr. Hartnett pointed out that election would not guarantee qualified persons for Board of Health, as the question had also been raised as to the qualifications the Selectmen had to be on the Board of Health.

Question called by Mr. Spadoni, but it was pointed out that no answer had been received from Attorney Lee.

Mr. Lee stated that in his opinion a by-law change could accommodate Mrs. Drake's motion as easily as an amendment. Mrs. Drake offered to withdraw her motion but the Moderator said they would vote instead.

Vote taken and amendment DEFEATED

Vote on question to stop debate on original motion — Yes 129, No 22. Debate stopped and question called.

Vote on original motion — Yes 93 No 79 MOTION CARRIED

Article 1 passed as printed.

Mr. Lomasney thanked the Cable TV Personnel for their work in taping the meeting for future viewing with no interference to the procedure of the meeting.

Motion made and seconded to adjourn meeting at 9:27 P.M. SO VOTED

Respectfully submitted,

KATHLEEN M. SANDLAND

THE COMMONWEALTH OF MASSACHUSETTS

TOWN OF PLAINVILLE

WARRANT FOR A SPECIAL TOWN ELECTION

MONDAY, JANUARY 10, 1983

at 8:00 A.M.

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of Plainville

GREETING

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, JANUARY 10, 1983

At eight o'clock in the forenoon, then and there to act on the following article, viz:

ARTICLE 1: The following Town Officer to be chosen by ballot, viz: one Selectman to April 1984.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doings thereon, to the Town Clerk, at or before the time and place of said meeting as aforesaid.

Given under our hands this 1st day of November in the year of our Lord, one thousand nine hundred and eighty-two.

Ray P. Felix, *Chairman*

Robert E. Hartnett

Town Clerk

TOWN OF PLAINVILLE
WARRANT FOR THE ANNUAL TOWN MEETING
MONDAY, APRIL 4, 1983
at 8:00 A.M.

The Commonwealth of Massachusetts

Norfolk, ss.

To Either of the Constables of Plainville:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Beatrice H. Wood Elementary School Auditorium, South Street, in said Plainville, on

MONDAY, APRIL 4, 1983

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1: The following Town Officers to be chosen by ballot, viz: for a three year term — one Selectman, one member Board of Health, one Assessor, one Tax Collector, one Treasurer, one Water Commissioner, one Sewer Commissioner, one Park Commissioner, two members Local School Committee, one Library Trustee, four members Finance Committee, one Constable; for a two year term — one member Board of Health, one Assessor, one member Housing Authority, one Constable; for a one year term — one member Board of Health, one member Planning Board, one member Finance Committee, one Constable, one Tree Warden, one Park Commissioner; for a five year term — one member Planning Board; and to act on the following question.

QUESTION NO. 1

Shall the Town of Plainville be allowed to assess an additional \$65,000 in real estate and personal property taxes for the fiscal year beginning July first, nineteen hundred and eighty three?

Yes No

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant, the meeting shall stand adjourned to the Second Monday in April at 7:30 P.M. in the Auditorium of the Beatrice H. Wood Elementary School on South Street in said Town.

ARTICLE 2: To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3: To consider and act on the reports of the Selectmen, Treasurer, and other Town Officers.

ARTICLE 4: To see if the Town will vote to have the Surety Bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, Assessors' Clerks, Clerks of the Selectmen, Constables and Police Department Licensing Authority placed with a Fidelity or Guarantee Company, or do or act in any manner relative thereto.

ARTICLE 5: To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1983 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17, or do or act in any manner relative thereto.

ARTICLE 6: To see if the Town will vote to authorize the Board of Selectmen to accept and enter into contract for the expenditure of any funds allotted or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvements of Town roads, or do or act in any manner relative thereto.

ARTICLE 7: To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

- 9 street lights on Horseshoe Drive
- 1 street light on George Street
- 1 street light on Shepard Street
- 4 street lights on Legion Drive

or do or act in any manner relative thereto.

(A Petitioned Article)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$23,000.00 for the purchase of two Police Cruisers and related equipment, or do or act in any manner relative thereto.

ARTICLE 9: To see if the Town will vote to add to Article XV, Section 15.3 of the Personnel By Laws to read as follows: "The Town will provide and pay for life insurance for all Department Heads for the sum of \$5,000.00 with double indemnity provisions. Each Department Head shall reserve the right to designate and change beneficiary thereof.

ARTICLE 10: To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated FY 1983	Requested FY 1984
Moderator	\$25.00 per meeting	\$25.00 per meeting
Town Clerk	11,730.00	12,316.50
Town Treasurer	5,250.00	5,670.00
Selectmen, Chairman	1,000.00	1,000.00
Second Member	1,000.00	1,000.00
Third Member	1,000.00	1,000.00
Board of Health, Each Member	200.00	200.00
Assessors, Chairman	1,500.00	1,500.00
Second Member	1,500.00	1,500.00
Third Member	1,500.00	1,500.00
Tax Collector	8,650.00	9,122.50
Water Commissioners, Chairman	350.00	350.00
Second Member	250.00	250.00
Third Member, Secretary	930.00	930.00
Constables	3.35 per hour	3.35 per hour
Tree Warden	3.35 per hour	3.35 per hour
Sewer Commissioners, Chairman	350.00	350.00
Second Member	250.00	250.00
Third Member, Secretary	600.00	600.00

or do or act in any manner relative thereto.

ARTICLE 11: To see if the Town will vote to approve the following amendments to the Personnel By-Law:

2.1

a

As used in this By-Law, unless otherwise expressly provided or unless a different construction is clearly required by the context or by the provisions of the General Laws, the following words and phrases shall have the following meanings:

- G. Full-Time Employees — A full time employee is one who is Appointed as a full-time employee. The employee will work on a regularly scheduled basis for not less than thirty-five (35) hours a week for fifty-two (52) weeks per year.

ARTICLE VI — COMPENSATION PLAN

6.10

Each full-time civilian dispatcher at the Plainville Police Department assigned to work on a regularly scheduled basis on any tour of duty which begins at or after four (4:00) p.m. and ends at or before eight (8:00) a.m. on the following day shall be paid a wage differential of five (5%) percent of his regular hourly wage for each hour he is in pay status on any such tour of duty. An employee shall be considered to be in a pay status for all the hours he actually works.

ARTICLE X — LONGEVITY

10.1

A full-time employee, including Department Heads, who complete the number of years indicated below of creditable service shall be paid a longevity lump-sum payment in the amount set forth below for the number of years of such service he has completed. Service time shall be computed from the date of his full-time appointment.

Five (5) years	\$100.00
Ten (10) years	150.00
Fifteen (15) years	200.00
Twenty (20) years	250.00
Twenty-five (25) years	300.00

10.3

A P.S.E. (Public Service Employee) participant under Title I, II, or Title VI of CETA who has worked a full-time schedule is eligible for a longevity bonus.

ARTICLE XI — HOLIDAY PAY

11.7

Each full-time employee of the Highway Department shall be entitled to one (1) personal day or the equivalent individual hours off per year to be taken at the discretion of the EMPLOYEE, subject to the approval of the Highway Superintendent.

ARTICLE XV — GROUP HEALTH AND LIFE INSURANCE

15.4

The Town will provide and pay for life insurance for the Fire Chief, Highway Superintendent, and Police Chief for the sum of Five Thousand (\$5,000.00) Dollars, with double indemnity provisions. Each shall retain the right to designate and change the beneficiary thereof. The Town shall pay fifty (50%) percent of the premiums for said plan.

ARTICLE XXI — EDUCATIONAL COURSES

21.1

A full-time employee who attends, during his off-duty hours, a course specifically related to the employee's duties, recommended by his Department Head and approved by the Wage and Personnel

Board in advance of the instruction, at an accredited college shall be reimbursed by the Town for the cost of his tuition and books upon successful completion of the course with at least a "C" grade provided, however, that the said course is not paid for under a Federal or State program. The employee may keep the books for which he is reimbursed under the provisions hereof.

21.2

Each full-time employee shall, subject to the limitations and provisions hereinafter set forth, be paid, in addition to his regular compensation, five (\$5.00) dollars for each semester hour credit he has earned by attending at an accredited college, during his off-duty hours, a course specifically related to the employee's duties, recommended by his Department Head and approved in advance by the Wage and Personnel Board, the total compensation to be paid an employee for such earned credits shall not exceed the sum of three hundred and ten dollars (\$310.00), except as otherwise provided in Section 3 next below.

21.3

Each full-time employee who has acquired an Associate Degree in a job related program from an accredited college shall be paid the sum of five hundred (\$500.00) dollars in addition to his regular compensation. The compensation paid an employee for semester hours credit in accordance with the provisions of Section 2 above, shall not continue to be paid once an employee obtains an Associate Degree.

A full-time employee who has acquired such an Associate Degree shall also be paid the sum of five (\$5.00) dollars in addition to his regular compensation for each semester hour he earns after acquiring such degree, upon completion of a specifically job related course recommended by the Department Head and with prior approval of the Board.

21.4

Each full-time employee who has acquired a Bachelors Degree in a job-related program of study from an accredited college shall be paid the sum of one thousand (\$1,000.00) dollars in addition to his regular compensation. The compensation paid for a Bachelors Degree shall be the total compensation paid to an employee for educational credits completed under the provisions of this Article. The compensation paid an employee for semester hours credits in accordance with Sections 2 and 3 and 4 above shall not continue to be paid once an employee receives a Bachelor Degree.

21.5

The additional compensation provided for under Sections 2 and 3 and 4 above shall be annually paid in a lump sum payment in the first pay period after December 1, provided the employee involved has submitted written evidence to the Wage and Personnel Board by September 1, of his obtainment of semester hours credits, an Associate Degree, or Bachelors Degree, as the case may be. The Wage and Personnel Board with the advice of Department Heads will determine which courses are specifically job-related.

ARTICLE XXII — WORK CLOTHES

22.1

Each full-time employee of the Highway Department shall be paid two hundred (\$200.00) dollars for work clothes and one hundred (\$100.00) dollars for work shoes, said payment to be made in a lump-sum payment by means of a check separate from his regular compensation check, in the first pay period next following the anniversary date of his employment, and shall continue to be paid each year thereafter.

ARTICLE 13: To see if the Town of Plainville will vote to amend the zoning by-law by revoking the present zoning by-law (Ch. 111 of the By-Laws of the Town of Plainville) in its entirety, and adopting in place thereof Proposed Revision of Ch. 111 By-Laws of the Town of Plainville (Zoning By-Law), or do or act in any manner relative thereto.

Town of Plainville
ZONING BY-LAW
(Chapter III of the Town of Plainville By-Laws)
Proposed Revision
January 1983

Section One — Administration and Procedure

- 1.1 Purpose
- 1.2 Enforcement
- 1.3 Permits
- 1.4 Board of Appeals
 - 1.4.1 Appeals
 - 1.4.2 Special Permits
 - 1.4.3 Variances
- 1.5 Amendments
- 1.6 Validity
- 1.7 Applicability
- 1.8 Effective Date
- 1.9 Penalty

Section Two — Use and Intensity Regulations

- 2.1 Districts
- 2.2 Zoning Map
- 2.3 District Boundaries
- 2.4 Lots in Two Districts
- 2.5 Lot Requirements
 - 2.5.1 Lot Size and Shape
 - 2.5.2 Buildings and Premises
 - 2.5.3 Open Space
 - 2.5.4 Accessory Building
 - 2.5.5 Exception to Lot Requirements
 - 2.5.5.1 Waiver of Strict Compliance
 - 2.5.5.2 Exemptions from Frontage and Area Requirements
 - 2.5.5.3 Combined and Replatted Lots
- 2.6 Intensity of Use Schedule
- 2.7 Use Regulations
 - 2.7.1 General Provisions
- 2.8 Use Regulation Schedule
- 2.9 Uses by Special Permit
 - 2.9.1 Special Permit Granting Authority
 - 2.9.2 General Conditions Applicable to All Special Permits
 - 2.9.3 Powers of the Special Permit Granting Authority
- 2.10 Special Conditions Applicable to Special Permits

Section Three — General Regulations

- 3.1 Nonconforming Uses
- 3.2 Changes in Nonconforming Uses by Special Permit
- 3.3 Sign Regulations
 - 3.3.1 Moving Signs
 - 3.3.2 Illuminated Signs
 - 3.3.3 Residential Districts
 - 3.3.4 Commercial Districts
 - 3.3.5 Industrial Districts

 - 3.11.1 Purpose and Application
 - 3.11.2 Use Regulations
 - 3.11.3 Uses by Special Permit
 - 3.11.4 Rules and Regulations

Section Four — Definitions

TOWN OF PLAINVILLE ZONING BY-LAW CHAPTER III

SECTION ONE — ADMINISTRATION AND PROCEDURE

- 1.1 **Purpose** — The purpose of this By-Law is to provide for the Town of Plainville protection authorized by the General Laws of the Commonwealth of Massachusetts, Chapter 40A and any amendments thereof.
 - 1.2 **Enforcement** — This By-Law shall be enforced by the Building Inspector.
 - 1.3 **Permits** — No building shall be built, erected, razed, altered or moved and no use of land or a building shall be made, begun or changed without a permit having been issued by the Building Inspector. (see 2.7.1)
- Application for a permit shall be accompanied by a plan showing the lot, lot area, the proposed location of the building on said lot, front, side and rear yard distances, the use proposed and such other pertinent information as required on the application form.
- 1.4 **Board of Appeals** — There is hereby established a Board of Appeals of five members and three associate members to be appointed by the Selectmen, as provided in Chapter 40A of the General Laws, which shall act on all matters within its jurisdiction under this By-Law in the manner prescribed in Chapter 40A of the General Laws. The Board of Appeals shall have the following powers:
 - 1.4.1 **Appeals** — The Board of Appeals shall hear and decide appeals taken by any person aggrieved by reason of his inability to obtain a permit or enforcement action from any administrative officer under the provisions of Chapter 40A of the General Laws, by the regional planning agency or by any person including an officer or board of the Town, or of an abutting city or town aggrieved by an order or decision of the Building Inspector or other administrative official in violation of any provision of said Chapter 40A of this By-Law.

The Board of Appeals established under this section shall be the permit granting authority provided under the provisions of MGL Chapter 40A with authority to hear and decide applications for permits requiring the waiver of strict compliance or the combination or replatting of lots as provided in Sections 2.5.4 and 2.5.5 of this By-Law.

Such exceptions to the requirements of this By-Law may be granted provided the Board of Appeals finds that such a grant:

1. Would not in any substantial sense be detrimental to the immediate neighborhood, and
2. Would not in any substantial sense depreciate property values in the same neighborhood.

- 1.4.2 **Special Permits** — Except as may be provided otherwise in this By-Law, the Board of Appeals established under this section shall be the special permit granting authority under this by-law and shall hear and decide applications for special permits subject to the special and general conditions of this by-law.

No special permit may be issued except following a public hearing held within sixty-five days after the filing of an application with the Board of Appeals, a copy of which shall be forthwith given to the Town Clerk by the applicant. If substantial use or construction under a special permit has not commenced within two years after the issuance of such permit, except for a good cause and including any time needed to await the determination of any court appeal, the special permit shall lapse and become void.

- 1.4.3 **Variances** — The Board of Appeals may authorize upon appeal, or upon petition with respect to particular land or to structures thereon a variance from the terms of this By-Law where, owing to circumstances relating to the soil conditions, shape, or topography of such land or structures but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this By-Law would involve substantial hardship, financial or otherwise, to the appellant, and where desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of this By-Law, but not otherwise.

- 1.5 **Amendments** — This By-Law may be amended from time to time at any annual or special town meeting in accordance with the provisions of Section 5 of Chapter 40A.

- 1.6 **Validity** — The invalidity of any section or provision of the By-Law shall not invalidate any other section or provision thereof.

- 1.7 **Applicability** — Where the application of this By-Law imposes greater restrictions than those imposed by any other regulations, permits, restrictions, easements, covenants, or agreements, the provisions of this By-Law shall govern.

- 1.8 **Effective Date** — This By-Law and any amendments thereto shall take effect on the date adoption or any amendment is voted by the town meeting if approval by the attorney general and subsequent publication is made pursuant to Section thirty-two of Chapter forty of the General Laws.

- 1.9 **Penalty for Violation** — A person who shall violate any provision of this By-Law may upon conviction be affixed a penalty in an amount not to exceed one hundred (\$100.00) dollars a day for each offense. Each day, or portion of a day, that any violation continues shall constitute a separate offense.

SECTION TWO — USE AND INTENSITY REGULATIONS

- 2.1 **Districts** — The town of Plainville is hereby divided into the following types of districts:

- RA — Single Family Residential District
- RB — Single Family Residential District
- RC — General Residential District
- RD — General Residential District

- CA — Shopping Center Commercial District
- CB — General Commercial District
- CC — Roadside Commercial District
- IA — Special Industrial District
- IB — Limited Industrial District
- IC — Controlled Industrial District

- 2.2 **Zoning Map** — Said districts are located and bounded as shown on a map entitled "Zoning Map" dated _____ revised _____ on file in the office of the Town Clerk. The Zoning Map, with all explanatory matter thereon, is hereby made part of this By-Law.
- 2.3 **District Boundaries** — The location of the Boundary lines of the districts shown on the Zoning Map shall be determined as follows:
- A. Where the district boundary is indicated as approximately following a street line or power easement, it is the center line of the street or power easement.
 - B. Where the district boundary is indicated as approximately following a lot line, it is the lot line.
 - C. Where the district boundary is indicated as approximately following a railroad line, it is at one boundary of the railroad right of way.
 - D. Where the district boundary is indicated as approximately parallel to a street line or railroad line, it is parallel to the center line of the street or railroad and at the distance in feet from the street line or railroad right of way indicated on the Zoning Map; such distance being measured at right angles to such street lines unless otherwise indicated.
 - E. Where the district boundary is indicated as approximately perpendicular to a street line, it is either perpendicular or radial unless marked otherwise.
 - F. Where the district boundary is indicated as approximately following a stream, it is the center line of the stream.
 - G. Where no other means of determination are possible, boundaries shall be determined by use of the scale on the Zoning Map.
- 2.4 **Lots in Two Districts** — Where a district boundary zoning line divides any lot existing at the time such line is adopted, the zoning regulations applicable to each portion of the divided lot shall extend not more than thirty feet into the other portion of the same divided lot.
- 2.5 **Lot Requirements**
- 2.5.1 **Lot Size and Shape** — Except as may be authorized by exemption, exception, special permit or variance no lot on which a building is located in any district shall be reduced or changed in size or shape so that the lot fails to conform to the intensity of use schedule, except when a portion of the lot is taken or conveyed for any public purpose.
 - 2.5.2 **Buildings and Premises** — No building shall be erected or used or premises used except in conformity with the intensity of use schedule.
 - 2.5.3 **Open Space** — No part of any yard or other open space required for the purpose of complying with the provisions of this By-Law shall be included as part of a yard or other open space similarly required for another building.
 - 2.5.4 **Accessory Building** — No accessory building or structure, except a permitted sign or a temporary roadside stand, shall be located within a required front or side yard or nearer to the rear lot line than 10 feet, except that on lots of less than 10,000 square feet, accessory buildings may be placed within 3 feet of a side or rear line.
 - 2.5.5 **Exceptions to Lot Requirements**

- 2.5.5.1 Waiver of Strict Compliance** — The Board of Appeals, as permit granting authority, may waive strict compliance with applicable requirements as follows:
- a. lot frontage: providing at least 80% of the applicable requirement is met and the full required lot width is available at the building line.
 - b. side yard and rear yard: providing such waiver does not reduce conformity below 80% of the applicable requirements of the district in which the lot is located.
 - c. parking: providing such waiver does not reduce conformity below 80% of the applicable requirements of the district. The Board of Appeals shall affirmatively find that such waiver shall not in any substantial sense be detrimental and depreciate property values in the immediate neighborhood.

2.5.5.2 Exemptions from Frontage and Area Requirements

In any zoning district, a lot or lots having less than the applicable square footage or frontage requirements, or both, shall be exempt from either or both requirements aforesaid if said lot or lots:

- (1) Is a lot in ownership separate from that of adjoining land located in the same Zoning District, at the time of the adoption of this By-Law, or
- (2) Is a lot or lots separately described in a deed of record at the time of the adoption of this By-Law, or
- (3) Is a lot or lots separately shown on any approved sub-division plan notwithstanding the amount of elapsed time since approval of said plan, or
- (4) Is a lot or lots shown on a plan which does not require Planning Board approval under the sub-division law, provided the plan carries the notation that no such approval is so required, and notwithstanding the amount of elapsed time since the notation was made through vote of the Planning Board.
 - a. Provided that any lot referred to above contains at least 5,000 square feet and in the case of more than one nonconforming, undeveloped and contiguous lots in common ownership not protected under Chapter 40A, shall be subject to the provisions of 2.5.5.3.

2.5.5.3 Combined and Replatted Lots — Notwithstanding the provision of Section 2.5.5.2, the Board of Appeals, as permit granting authority may require two or more nonconforming, undeveloped and contiguous lots in common ownership to be combined:

- (a) Whenever such combination creates less than one fully conforming lot.
- (b) Whenever such replatting and combination of lots creates a lot in excess of the applicable area and frontage requirements; the combined lots may be replatted into as many fully conforming lots of the required frontage as is practicable without in turn retaining or creating nonconforming lots, provided that if such replat would create or retain one or more nonconforming lot or lots, the combined lots shall be replatted into as many lots as most nearly conform to the applicable frontage requirements; which replat fully utilizes all existing frontage represented through the combination of said lots, and which replat in no case creates a lot with frontage less than 80% of the applicable frontage requirements.
- (c) Whenever lots subject to combination are in common ownership with a building or structure, so much of any such nonconforming lot which is subject to the requirements of combination shall be reserved where ownership of the land involved is the same person or entity and where the reservation is needed to exactly provide an existing building or structure with the land to meet applicable yard requirements. What remains after the reservation shall be combined for replat purposes. If an existing building or structure partially overlaps into an otherwise undeveloped and nonconforming lot which would be subject to combination for replat purposes, then so much of the invaded lot (where ownership is in the same person or entity) shall again be reserved to provide needed land to meet yard requirements, and the remainder of the invaded lot shall be combined for replat purposes.

Intensity of Use Schedule

				*	**	**	**	**	**	**
	RA	RB	RC	RD	CA	CB	CC	IA	IB	IC
Minimum Lot Requirements										
Area (1000 s.f.)	44	30	15	30a	30	20b	30	100	100	50
Width (ft.)	225	140	100	140	225	125	140	200	200	150
Frontage (ft.) _u	225	140	100	140	225	125	140	200	200	150

Side (ft.)	25	15	10	15	15	15	15	20	20	20
Rear (ft.)	40	25	20	25	20	20	25	30	30	30
Maximum Building Coverage (In multiples of 1000 sq. ft.)	6.6	9.6	6.0	9.0	13.5	9.0	13.5	45f	45f	45f
Landscaped Open Space Required (% of Lot Area)	—	—	—	20	10e	—	—	10e	10e	10e
Maximum Floor Area All floors except cellar (In multiples of 1000 sq. ft.)	—	—	6	27	27	18	27	90	90	90

* — Never more than three stories high.

** — Never more than two stories high.

Footnotes to Intensity of Use Schedule above:

- (a) 4,000 additional square feet of lot area for each family unit in excess of four family units in any single, multi-family dwelling.
- (b) Requirements for the RC District shall apply to residential uses permitted in the CB District.
- (c) Within the area formed by the lines of intersection streets and a line joining points of such lines twenty feet distant from their point of intersection, or in the case of a rounded corner, from the point of intersection of their tangents, no structure and no foliage shall be maintained between a height of three and one-half feet and six feet above the pavement grade.
- (d) Corner lot shall maintain front yard requirements for each street frontage.
- (e) Required in front yard.
- (f) Area used for outdoor storage must be added to building coverage for intensity of use percentage.

2.7 Use Regulations

2.7.1 General Provisions — No structure shall be erected, altered, or used and no premises shall be used except as set forth in the "Use Regulations Schedule." Construction or operations under a permit or special permit shall conform to any subsequent amendment to this by-law unless the use or construction is commenced within six months after the issuance of such permits.

2.8 Use Regulation Schedule

Explanation of coded numbers appearing in the schedule above:

1 — Provided that no buildings housing poultry are within 200 feet of any street or 100 feet of any adjoining property line.

2 — Provided that 75% of the products sold must be raised on the premises. Not permitted within 20 feet of a lot line or 15 feet of a street line.

3 — In existing dwellings only.

4 — Providing the structure is at least 200 feet from any lot line.

6 — Not more than four boarders.

7 — For a period of time not exceeding the greater of the two following time periods: (1) for a period of sixty days or (2) for a period commensurate with diligent pursuit of any construction, renovation or alteration to a building or buildings on the premises.

8 — As Accessory Building Only.

9 — See Section 3.11 Water Resource Protection.

2.9 Uses by Special Permit

2.9.1 Special Permit Granting Authority — Certain specific uses, buildings and structures identified in this and other sections of this by-law may be authorized to be located, relocated, altered or substantially expanded in specified districts only upon the issuance of a special permit from the special permit granting authority, as designated herein.

Except as may be specified otherwise in this By-Law the Board of Appeals shall be the special permit granting authority. (SPGA)

Special permits shall be issued only for uses which are in harmony with general purpose and intent of this by-law and subject to its general or specific provisions and only if the special permit granting authority finds that the following general conditions are met.

2.9.2 General Conditions Applicable to All Special Permits — The SPGA shall find the use is not noxious, harmful or hazardous, is socially and economically desirable and will meet any existing or potential need.

The advantages of the proposed use outweigh any detrimental effects, and such detrimental effects on the neighborhood and the environment will not be greater than could be expected from development which could occur if the special permit were denied.

The applicant has no reasonable alternative available to accomplish his purpose in a manner more compatible with the character of the immediate neighborhood.

2.9.3 Powers of the Special Permit Granting Authority — The special permit granting authority shall have the power to impose reasonable conditions and modifications, including limitations of time and use, as a condition of a special permit, and may secure compliance or performance by requiring the posting of a bond or other safeguards.

2.10 Special Conditions Applicable to Special Permits
(Specific Uses listed in the same sequence as in the Use Regulation Schedule, Section 2.8)

Uses	District	Special Conditions
Agricultural Uses by Special Permit		
2.10 Special Permit Uses (listed in same order as listed in 2.8)		
Farm, other stock	RC, RD, CA CB, CD	Special permit conditions shall apply only to parcels of less than five acres (MGL 40A:3).
Nursery or Greenhouse with retail sales	RC, RD	May be issued for such use in an existing dwelling only.
Nursery or Greenhouse wholesale only	RC, RD	Subject to provisions for access, etc.
Commercial Uses by Special Permit (See Section 3.11)		
Animal Kennel or Hospital	RA, RB, CB, CC	Subject to review by the Board of Health and issuance of annual licenses as required by General Law.
Business, Retail	IA, IB, IC	
Business Wholesaling with outdoor storage	CA, IC	
Motor Vehicle, Filling Station	CA, CB, CC, IC	Subject to annual license from the Board of Selectmen, Conditions of the special permit shall define the maximum allowable storage capacity of motor fuel, and shall require adequate protection to control fumes, gases and vapors as recommended by the Chief of the Fire Department. The Board of Appeals shall make a written determination that the proposed use will not create a traffic hazard because of its location.
Motor Vehicle, General Repairs	CB	See definitions. Section 4.1
Printing Shop	CA, CB	See definitions. Section 4.1
Industrial Uses by Special Permit (See Section 3.11 and Section 3.6)		
Industry	CA, IC	Conditions of the Special Permit shall include all the criteria listed in Section 4.1. (definitions) of this By-Law.
Bulk Storage	CA, IA, IB, IC	Subject to approved site plan indicating locations and quantities of bulk material, screen fencing and/or plantings, means of entrance and egress, provision for control of dust and air pollution. Permit not to exceed two years, subject to renewal.
Contractors Yard	CA, IB	Subject to approved site plan, limitations upon equipment, means of entrance and egress. Permit not to exceed two years, subject to renewal.
Transportation Terminal	IB	
Warehouses	CA, IC	As accessory building only.
Radio Transmission	CA, IB	Subject to site plan approval and limitations as to location and height.

Use	District	Special Conditions
Institutional Uses by Special Permit		
Hospital	RC	Subject to certification of site by the Board of Health and approval by the Fire Department as Required by General Laws, and to site plan review by the Planning Board which plan shall be a condition of the special permit.
Cemetery	RA, RB, RC	Subject to site plan review by the Planning Board and to approval by the Board of Health and conforming to applicable General Laws. Site plan shall be incorporated into the special permit by reference. Subject to review by the Board of Health etc.
Public Utility Building without service area	RA, RB, RC RD, CA	
Public Utility Building with service area	CA, CC	
Public Utility Service area without building	CA, CC	
School, private	RB, RC, RD, CA	
Philanthropic Institutions	RB, RC, RD, CB, CC	
Recreational Uses by Special Permit		
Recreation Commercial — Indoors	IA, IB, IC	Subject to site plan indicating parking and means of entrance and egress.
Sportsmen's Club	CA, IC	Determination that primary purposes are hunting or fishing.
Residential Uses by Special Permit		
Dwelling, single family	IA, IB	Limited to use by personnel required for safe operation of a permitted use.
Dwelling, multi (over four units)	RD	Permit shall specify number of parking spaces to be provided.
Dwelling, mobile home or house trailer	All districts	
Motel (Auto Court)	IA, IB	See definition Section 4.1. Subject to conditions of approved site plan, limitations on number of units and authorized accessory uses.
Mobile Home Park	CC	Subject to approved site plan, limits on number of sites, provisions for parking, accessory uses. Annual permits required by state law B/H.
Hotel (Inn)	CC	

Use	District	Special Conditions
Nursing Home (Convalescent or Rest Home)	RC, RD	Subject to certification of site by the Board of Health and approval by the Fire Department as Required by General Laws, and to site plan approval by the Planning Board which plan shall be a condition of the special permit.

Miscellaneous Uses by Special Permits

Uses accessory to scientific research, development, or production	All districts	May be permitted by the issuance of a special permit provided there is a finding that the proposed use does not substantially derogate from the public good, subject to conditions defining appropriate limitations as to nature and extent but not required to be on the same parcel as the principal use.
Moving Signs	All districts	SPGA shall determine appropriate terms and conditions to protect the neighborhood from injurious noxious or offensive effects.
Signs	All districts	Subject to provisions of Section 3.7.
Change or expansion of a nonconforming use	All districts	Applicable changes in use shall include a substantial extension of a unconforming use, a use for a substantially different purpose, a use for the same purpose in a substantially different manner a substantially greater extent. The SPGA shall find full compliance with the dimensional requirements of Section 2.6 and with parking and loading requirements of Sections 3.5 and 3.6.

Uses Requiring a Special Permit for Purpose of Water Resource Protection (See Section 3.11.3)

All Districts

- A. Business or Manufacturing use employing over twenty (20) persons.
- B. Any Manufacturing or processing industrial use disposing of hazardous toxic (as defined by federal and state regulations) solid waste or hazardous toxic wastewater through an on-site sub-surface disposal system.
- C. Business or Manufacturing use with an impervious area in excess of one acre.
- D. Junk yards or salvage yards.
- E. Landfills and similar waste treatment or disposal facilities.
- F. Conversion of seasonal homes to year-round use.
- G. Manufacture of pesticides, fertilizers, weedkillers and herbicides.
- H. Facilities for the storage or treatment of hazardous wastes.

Special Conditions

- A. No special permit for earth removal shall be authorized unless the Board of Appeals find that the proposed earth removal operation shall not be contrary to the best interests of the Town. For this purpose a removal operation shall be considered contrary to the best interests of the Town which: (a) will be injurious or dangerous to the public health or safety; (b) will produce noise, dust, or other effects observable as detrimental to the normal use of adjacent property; (c) will result in a change in topography and cover which will be disadvantageous to the most appropriate use of the land on which the operation is conducted; or (d) will have a material adverse effect on the health or safety of persons living in the neighborhood or on the use or amenities of adjacent land.
- B. **Site Plan:** An approved site plan, unless expressly waived as provided herein shall be a condition to an earth removal special permit. Such site plan shall be prepared by a registered engineer or a registered land surveyor, at a scale of eighty (80) feet to the inch or larger, and shall include the following:
- a. Property lines, abutting owners of record, and buildings or other structures within fifty (50) feet of site boundaries.
 - b. Unique features of the area which may be affected by earth removal operations, such as landmarks, exposed ledges of geological significance, and control points and bench marks used in triangulation and topographical surveying.
 - c. Adjacent public streets and private ways.
 - d. Topographic mapping showing existing contours at intervals of not more than two (2) feet and contours of finish grade after the conclusion of the operation.
 - e. Proper provision for safe and adequate water supply and sanitary sewerage and for temporary and permanent drainage on the site.
 - f. Proper provision for vehicular traffic and control of entrance and exits to public streets and private ways.
 - g. Delineation of fence locations.
 - h. A separate key sketch at a scale of one inch equals two thousand feet (1" eq. 2,000') with proposed earth removal site shaded to show relation of the surrounding road networks shall be shown on the plan. North points of the plan and key sketch shall be in the same direction.
- C. **Waiver of site plan**
The Board of Appeals may, after an on site inspection of the site, waive the requirement of a site plan for the removal of earth from one location to another location within the boundaries of a single lot.
- D. **Referral to Municipal Boards**
The Board of Appeals shall refer earth removal special permit applications and the site plan to the Planning Board, the Board of Health and the Conservation Commission for advisory reports. The Board of Appeals shall not take final action on such application until it has received reports thereon from the Planning Board, the Board of Health and the Conservation Commission or until thirty-five (35) days have expired from said referral date without the receipt by the Board of Appeals of such reports.
- E. **Conditions to Earth Removal Special Permits**
The Board of Appeals shall impose reasonable conditions to a special permit, including but not limited to the following:

1. Removal operations shall not be conducted closer than one hundred (100) feet to a public street or private way adjoining property line, unless otherwise specifically provided for by the Board of Appeals.
2. Hours of operation shall be designated.
3. Routes of transportation of material shall be designated.
4. Adequate provision shall be made for drainage during and after completion of operations.
5. Lateral support shall be maintained for all adjacent properties, and no banks shall be left after completion of operations with a slope which exceeds one (1) foot of vertical rise in two (2) feet of horizontal distance.
6. Maximum depth of any and all excavation shall at all times be at least four (4) feet above the maximum ground water elevation.
7. Off-street parking shall be provided.
8. Any access to an excavated area or areas shall be adequately posted with "KEEP OUT — DANGER" signs.
9. During operations, any excavation, quarry, bank or work face having a depth of ten (10) feet or more and/or creating a slope of more than thirty (30) degrees downward shall be fenced. Such fence shall be located ten (10) feet or more from the edge of said excavation and shall be at least six (6) feet in height.
10. Provision shall be made for the adequate control of dust during operations.
11. Topsoil and loam from the site shall be stockpiled on the property and, as operations proceed, areas brought to grade shall be covered with at least four (4) inches of topsoil and/or loam and seeded with a perennial cover crop, reseeded as necessary to assure uniform growth and soil surface stabilization.
12. All tree stumps, boulders and other residual material shall be buried on site or disposed of off the site, unless otherwise specifically provided by the Board of Appeals.

F. Period of Special Permits

Any permit granted for earth removal shall be for a period not to exceed one (1) year. For a continuation of an operation beyond the period designated in the initial permit, a new application must be made and a new permit granted in the same manner as for the initial permit, except that the Board of Appeals may waive requirements for submittal of a site plan. Such waiver must be granted in writing to the applicant by the Board of Appeals. All other provisions relating to operational standards and permit procedures shall apply. The fee for any permit issued for earth removal hereunder shall be twenty-five (\$25.00) dollars.

G. Performance Bond

The Board of Appeals shall require that a performance bond of a surety company authorized to do business in the Commonwealth of Massachusetts be posted in an amount determined by the Board of Appeals as sufficient to guarantee conformity with the provisions of any permit issued hereunder. Such bond shall not be released until there is filed with the Board of appeals a certification from a registered engineer and an approval from the Superintendent of Public Works and the Planning Board that the site conditions at the completion of all work are in accordance with the requirements of the permit.

SECTION THREE — GENERAL REGULATIONS

3.1 Nonconforming Uses

The lawful use of any structure or land existing at the time of any enactment or subsequent amendment of this By-Law may be continued although such structure or use does not conform with the provisions of this By-Law and any building, part of a building, or land, which at the time of adoption of this By-Law is being put to a lawful nonconforming use may be continued subject to the following provisions:

- (a) that the use of premises or the use of a structure ceases to be continued in nonconforming use or abandoned for the period of one year;
- (b) that if once changed to a similar or more restricted use it shall not be returned to a less restricted use;
- (c) that in the case of a building damaged by fire, explosion, or other catastrophe, the owner shall apply for a building permit and start to rebuild on the same location within twelve months after such catastrophe, and further provided that the building as restored shall be only as great in volume or area as the original nonconforming structure and the extent of damage is not more than 75% of the replacement value.

3.2 Changes in nonconforming use by special permit

A change or expansion of a nonconforming use and the rebuilding or restoration of a structure destroyed or damaged to more than 75% of its replacement value may be authorized by special permit on the same premises as provided in Section 2.10 of the by-law.

3.3 Sign Regulations

3.3.1 Signs consisting of moving or flashing parts, traveling lights or animated type, beacons or flashing devices, whether as a part, attached to, or a part from a sign are prohibited except as authorized by special permit. (see Section 2.10)

3.3.2 Illuminated Signs

Illumination of Signs — All illumination of signs shall be so arranged as not to be directed towards any portion of a public way or upon another lot other than that upon which it is located and shall not cause glare on any portion of a public way or upon another lot than that upon which it is located.

3.3.3 Signs in Residential Districts

Signs in Residential Districts — In districts RA, RB, RC, and RD the following signs are permitted:

- (a) One sign for each family residing on the premises indicating the owner or occupant or pertaining to a permitted accessory use, provided that no sign shall exceed one square foot in area.
- (b) One sign, not over fifteen square feet in area, pertaining to permitted buildings and uses of the premises other than dwellings and their accessory uses.

3.3.4 Signs in Commercial Districts

In districts CA, CB, and CC, the following signs are permitted:

- (a) One sign mounted on the face or roof of the building not to exceed altogether in area more than 15% of the front wall area of the building if occupied by a single business or enterprise. Where a building is occupied by more than one business or enterprise, all signs together shall not exceed 15% of the front wall area of the building and each occupant shall be entitled to erect a sign which in combination with all other permitted signs would exactly total 15% of said front wall area and would be also proportionate to the amount of square footage occupied by the occupant in said building, excluding for purposes of the proportion, common hallways and lavs and other common entries or areas within said building; provided however that in no case shall any sign extend above a flat roof or the elevation of the front wall by more than 20% of the average height of the front elevation of said building.
- (b) One free standing sign located within the frontyard area of a building and not exceeding 15% of the front wall area of the building or 60 square feet, whichever is the smaller, provided that the building has a minimum setback of 30 feet and the sign is so located as to be set back 15 feet from the street line and 20 feet from any side line. Square footage limitations above expressed relate to one face or side of the sign. A sign may have two faces, neither face exceeding the 60 square feet limitation above. Provided that inside theaters,

drive-in or outside theaters, and restaurants shall be governed by the foregoing provisions with the exception that the square footage limitation shall be 120 square feet.

- (c) Directional signs not to exceed 3 square feet in area.
- (d) One window sign for each window of the building not to exceed in area 20% of the area of any window upon which located.

3.3.5 Signs in Industrial Districts

Signs in Industrial Districts — In districts IA and IB, the following signs are permitted:

- (a) One sign mounted on the face or roof of the main building not aggregating in area more than 15% of the front wall area of said building as determined by orientation to the principal trafficway or street, and not extending above a flat roof or the elevation of the front wall by more than 20% of the average height of the front elevation of said building.
- (b) One free standing sign located within the front area of the building and not exceeding in area 15% of the front wall area of the main building or 60 square feet, whichever is the smaller, provided said sign is set back a minimum of 20 feet from the street line and located a minimum of 30 feet from lot lines.
- (c) Unlighted directional signs not to exceed three square feet in area.

3.3.6 Temporary and Portable Signs

3.4 Specific Standards in Commercial and Industrial Districts

No activity shall be permitted in commercial or industrial districts unless its operation is conducted such that any noise, vibration or flashing is not normally perceptible above street noise without instruments at any point further than the following:

- (a) For activities within a commercial district, eighty feet beyond the premises.
- (b) For activities within an industrial district, 250 feet beyond the premises, or at any point 100 feet within a residential district.

The operation shall be so conducted that all resulting cinders, dust, fumes, gases, odors, smoke, radiation, and electromagnetic interference is effectively confined to the premises or disposed of so as to avoid any pollution. Smoke density shall not exceed #2 of the Ringelmann scale for more than 10% of the time and at no time shall exceed #3 on that scale. The activity shall not be detrimental to the neighboring property by reason of special danger of fire or explosion.

3.5 Parking Requirements

Any parcel on which a building is constructed shall contain off-street parking areas of appropriate design to accommodate the number of vehicles suitable to the permitted use and with proper provision for egress.

3.5.1 Minimum standards:

Stores — Retail Business — At least two spaces for each establishment or one space for each 100 square feet of floor space devoted to retail selling, whichever is larger, plus one space for each three employees or nearest multiple thereof.

Offices — Banks and Similar Business — One space for each 150 square feet of floor area plus one space for each three employees or multiple thereof.

Inns, Auto Courts, Tourist Homes, and Similar Uses — One space for each two sleeping accommodations plus one space for each three employees. Each double bed to be considered two sleeping accommodations.

Theater, Funeral Homes and Places of Assembly — One space for each four seats.

Restaurants — Places Serving Food or Beverages — One space for each four seats plus one space for each three employees or nearest multiple thereof.

Residential Areas — Two spaces for each individual dwelling unit except in the case of multi-family dwellings where one space shall be provided for each family unit.

Industrial, Manufacture and Wholesale Uses — One space for each two employees based on the maximum number of employees the plant is designed to employ.

Bowling Alleys — Four spaces for each alley.

Guest House — One space for each sleeping room.

Medical or Dental Center or Professional Offices — Four spaces for 800 square feet of floor area plus one space for each two employees.

Other Uses — All other types of commercial and industrial uses not specifically mentioned shall have at least one space for each three employees plus one space for each 150 square feet gross floor area. One space shall be provided for each 300 square feet on other than ground floor.

Egress — Not more than one entrance and one exit shall be permitted onto a street from any parking area per 200 feet of frontage or fraction thereof in a commercial district and 300 feet of frontage or fraction thereof, in other districts. Each entrance and exit may not be more than 30 feet in width.

3.6 Loading Requirements

Business and industrial activities shall provide on site facilities for the loading and unloading of stock, merchandise, equipment, supplies and other usual business and industrial commodities.

3.6.1 Minimum standards

Retail Store and Service Establishments — For each retail store or service establishment with gross floor area of from 5,000 to 8,000 square feet at least one berth. Additional berths at the rate of one berth for each additional 8,000 square feet or nearest multiple thereof.

Office Buildings — For each office building with gross floor area of 4,000 square feet or more at least one berth shall be provided.

Manufacturing — Industrial Uses — For manufacturing and industrial plants and similar uses of up to 8,000 square feet at least one berth shall be provided. For larger floor areas additional berths may be required as conditions to special permits.

3.7 Home Occupations

Except as specifically authorized by special permit, home occupations as defined in Section Four of this By-Law are permitted subject to the following conditions:

3.7.1 Limitation on area

The occupation or profession shall be carried on wholly within the principal building or within a building or other structure accessory thereto, provided that an area no larger than twenty-five (25%) percent of the floor area of the residence is used for the purpose of the home occupation or the professional use.

3.7.2 Non-family employees:

Not more than two persons outside the family shall be employed in the home occupation.

3.7.3 Exterior displays and signs

There shall be no exterior display, no exterior sign except one sign, identifying the name of the occupant and the nature of the home occupation, and no exterior storage of materials and no other exterior indication of the home occupation or other variation from the residential character of the principal building.

3.7.4 Prohibited Activities

No offensive noise, vibration, smoke, dust, odors, heat or glare shall be produced.

A home occupation shall not be interpreted to include the following:

Clothing Rental
Barber Shops
Restaurant
Dancing Instruction
Convalescent Homes

Tourist Home
Commercial Stable & Kennels
Band Instrument Instruction
Mortuary Establishments

3.7.5 Permitted activities

A home occupation may include, but is not limited to the following:

Art Studio, Dressmaker, Millinery, Handicraft, Musician, Professional office of a Physician, Surgeon, Dentist, Lawyer, Engineer, Architect, Landscaping Architect, or Clergyman, Hairdresser, Real Estate Offices, Broker or Insurance within a dwelling occupied by the same.

3.8 **Earth Removal Regulations**

General Provisions

3.8.1 For the purpose of this By-Law "earth" shall include soil, loam, sand, gravel, stone or any other earth material, and "removal" shall include the moving of earth from one location to another location within the boundaries of a lot or tract of land as well as the moving of earth off any said lot or tract of land.

Except as otherwise provided in this By-Law, no earth shall be moved on or from any parcel of land in any district without a special permit from the Board of Appeals.

3.8.2 **Exemptions**

The removal of earth material in any of the following operations shall be exempt from the provisions of this section.

- a. The removal of earth material for basement and septic system excavation.
- b. The removal of earth material, exclusive of basement and septic excavation, necessary to complete a subdivision proposal, provided said removal does not exceed one thousand (1000) cubic yards.
- c. The removal of earth material, exclusive of basement and septic system excavation, for a single lot development, provided said material does not exceed three hundred fifty (350) cubic yards.
- d. Removal of earth material from an operating farm, nursery, golf course, cemetery, or other similar use, to the extent that such removal is necessary for the operation of the same.
- e. Removal of earth material by or on behalf of any department of the Town for or in connection with the construction and maintenance of public buildings, facilities, street and ways, the construction and installation of public utilities for or in connection with any other public utilities for or in connection with any other public purpose which would not require mining operations by or on behalf of any Department of the Town.

3.8.3 Special Permits required for subdivisions

Approval of a preliminary or a definitive plan by the Planning Board under the subdivision control law shall not be construed as authorizing the removal of earth from the land included in the subdivision plan, except in accordance with the provisions of this By-Law. Removal of earth from any such land shall be allowed only in the same manner as removal from other parcels of land in the Town.

3.8.4.1 Existing Operations without special permit

Any earth removal operation which is being lawfully conducted on any premises of the effective date of this by-law without a special permit from the Board of Appeals may continue to be conducted until it is abandoned, but said earth removal operation shall not be extended. Discontinuance of such operation for more than twelve (12) consecutive months shall be

deemed to constitute abandonment. For the purpose of this section, the abandonment period shall not be broken by temporary operation except when such operation is for a period at least sixty (60) consecutive days.

3.8.4.2 Existing Operation under special permit

Any earth removal operation being conducted under a special permit issued by the Board of Appeals prior to the effective date of this amendment may continue until the expiration of said special permit.

3.8.5 Procurement, Storage or Stockpiling

The procurement, storage or stockpiling of earth upon private property, which is intended for public sale and use elsewhere and which requires the operation of mechanical or power equipment in loading or unloading, shall fall within the jurisdiction of this By-Law and shall be governed by its provisions.

3.9 Mobile Homes or Dwellings, Trailers, Campers

3.9.1 Storage

So called mobile trailers, mobile campers, boats and boat trailers shall not be stored for a period in excess of ten days in any Zoning District other than RA, RC, RB or RD. Storage in authorized districts shall be at a site or location upon the lot approved by the Building Inspector subject to appeal under Chapter 40A. Storage in an authorized District shall not be denied. This regulation intends only to regulate the location or site of storage so as to be least objectionable to the neighborhood. Under no circumstances shall any such trailer, camper, boat or boat trailer be stored upon an undeveloped lot in any Zoning District.

3.9.2 Use of Mobile Home as a Dwelling

Except for temporary occupation for a period not exceeding twelve months by the owner and occupier of a residence destroyed by fire or natural holocaust. A mobile home shall not be occupied as a dwelling except as authorized by special permit or situated in a licensed mobile home park.

3.9.3 Mobile Home Parks

3.10 (Reserved)

3.11 Water Resource Protection

3.11.1 Purpose and Application: For the purpose of protecting groundwaters and other water resources in the town of Plainville, there are hereby established water resource protection regulations as part of the zoning By-Law. These regulations apply throughout the town. All uses and dimensional requirements and other provisions of this By-Law applicable to land, buildings, and uses in all zoning districts shall remain in force and effect, except that where the water resource protection regulations impose greater or additional restrictions and requirements, such restriction and requirements shall prevail.

3.11.2 Use Regulations: Notwithstanding use regulations for a particular district, the uses listed below are prohibited. Such uses where lawfully existing, may be continued, but may not be expanded or altered without a special permit from the special permit granting authority (SPGA) which for the purpose of this section of the Zoning By-Law is the Zoning Board of Appeals. (see Section 3.1 and 3.2)

1. Outdoor storage of the following substances: salt, snow-melting chemicals, or hazardous substances such as pesticides, herbicides, and water soluble and volatile chemical compounds. This prohibition shall include, without limitation, outdoor storage of materials containing or coated with such chemicals susceptible to being carried into surface or groundwater.
2. Storage of radioactive waste.

3.11.3 **Uses by Special Permit:**

1. Except as specified in Section 1 of this By-Law, the following uses will be allowed only upon issuance of a special permit issued by the Zoning Board of Appeals.
 - a. Business or manufacturing use employing over twenty (20) persons.
 - b. Any manufacturing or processing industrial use disposing of hazardous toxic (as defined by federal and state regulations) solid waste or hazardous toxic wastewater through an on-site sub-surface disposal system.
 - c. Business or manufacturing use with an impervious area in excess of one acre.
 - d. Junk yards or salvage yards.
 - e. Landfills and similar waste treatment or disposal facilities.
 - f. Conversion of seasonal homes to year-round use.
 - g. Manufacture of pesticides, fertilizers, weedkillers and herbicides.
 - h. Facilities for the storage or treatment of hazardous wastes.

3.11.4 **Rules and Regulations:** The Zoning Board of Appeals shall adopt rules and regulations relative to the issuance of special permits under this section. Such rules shall include but need not be limited to requirements for:

- a. Site plan showing the extent of impervious areas, water supply, drainage and layout and design of disposal facilities.
- b. Provisions and conditions designed to prevent or correct conditions detrimental to water resources, health, safety and welfare.
- c. Provisions and conditions to prevent pollution to ground and surface.

The rules and regulations of the Zoning Board of Appeals relative to the issuance of special permits shall provide for notice to and review by the following local boards: Board of Selectmen, Conservation Commission, Board of Health and Planning Board.

SECTION FOUR — DEFINITIONS

- 4.1 *Definitions* — In this By-Law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meaning. Words used in the present tense include the future, and the plural includes the singular; the word “lot” includes the word “plot”; the word “building” includes the word “structure”; the word “shall” is intended to be mandatory; “occupied” or “used” shall be considered as though followed by the words “or intended, arranged or designed to be used or occupied”. The word “person” includes a corporation as well as an individual.

Accessory Building — A subordinate building located on the same lot with the principal building or use, the use of which is customarily incidental to that of the main building or the use of the land.

Accessory Use — A use customarily incidental to that of the principal building or use of the land, and located on the same lot as such principal building or use.

Alterations — As applied to a building or structure, a change or rearrangement in the structural parts or in the exit facilities, or an enlargement whether by extending on a side or by increasing in height, or the moving from one location or position to another.

Airport — Facility for use by and the service of small private craft, including the incidental sale, storage and repair of such craft.

Animal Kennel or Hospital — A structure used for the harboring and/or care of more than three dogs that are more than six months old, whether commercially operated or not.

Area, Building — The total of areas taken on a horizontal plane at the largest floor level of the principal building and all accessory buildings exclusive of uncovered porches, terraces and steps.

Area, Net Site — The total area within the property lines excluding external streets.

Basement — A story partly underground but having at least one-half of its clear height above the average level of the adjoining ground.

Boarding House — Any dwelling in which more than two persons not members of the family residing on the premises, either individually or as families, are housed or lodged for hire with or without meals. A rooming house or furnished rooming house shall be deemed a Boarding house.

Boathouse, Private — Facility for storage of boats for private use and not for hire.

Boathouse, Public — A structure for the storage of boats for remuneration or hire, but not including boat or fuel sales or major boat repairs.

Building Coverage — That percentage which the building area is of the net site area.

Building, Detached — A building completely surrounded by open space on the same lot.

Building, Front Line of — The line of that face of the building nearest the front line of the lot. This face includes sun parlors and covered porches whether enclosed or unenclosed but does not include steps.

Building Height — The vertical distance measured from the average elevation of the proposed finished grade at the front of the building to the highest point of the roof for flat roofs, to the deck line of mansard roofs, and to the mean height between eaves and ridge, for gable, hip and gambrel roofs.

Building, Principal — A building in which is conducted the main or principal use of the lot on which said building is situated.

Bulk Storage — Exposed outside storage of sand, lumber, coal, or other bulk materials, and storage of liquids in tanks except underground as an accessory use.

Business Offices — Facility for the transaction of business exclusive of the receipt, retail sale, or processing of merchandise.

Camping, Commercial — Premises used for campers, tenting or temporary overnight facilities of any kind where a fee is charged.

Camping, Supervised — Facilities operated on a seasonal basis for a continuing supervised recreational, health, educational, religious and/or athletic program, with persons enrolled for periods of not less than one week.

Cellar — A story partly underground and having more than one-half of its height below the average level of the adjoining ground.

Cemetery — Premises for the cremation and/or burial of the dead; including embalming facilities.

Club — Premises or buildings of a non-profit organization exclusively servicing members and their guests for recreational, athletic, or civic purposes, but not including any vending stands, merchandising, or commercial activities except as required generally for the membership and purposes of such club. Does not include golf clubs or sportsmen's clubs elsewhere defined, or

clubs or organizations whose chief activity is a service customarily carried on as a business.

Contractor's Yard — Premises used by a building contractor or subcontractor for storage of equipment and supplies, fabrication of sub-assemblies, and parking of wheeled equipment.

Dwelling — A building designed or used exclusively as the living quarters for one or more families.

Dwelling Conversion — Change in construction or occupancy of a dwelling to accommodate families in addition to the number by which it was previously occupied.

Dwelling, Mobile — A movable living unit designed for year-round occupancy, sometimes termed a trailer home, whether on wheels or on rigid supports.

Dwelling, Multi-family — A structure occupied by three or more families living independently of each other.

Dwelling, Single-family — A detached building occupied by a single family and having no party wall, or walls in common with an adjacent structure.

Dwelling, Two-family — A detached building designed for two families.

Earth Removal — Extraction of sand, gravel, top soil, or other earth for sale or for use at a site removed from the place of extraction, exclusive of the grading of a lot preparatory to the construction of a building for which a building permit has been issued, or the grading of streets in accordance with an approved Definitive Plan.

Erect — To build, construct, reconstruct, move upon, or conduct any physical development of the premises required for a building. To excavate, fill, drain, and the like preparation for building shall also be considered to erect.

Family — Any number of individuals living and cooking together on the premises as a single housekeeping unit.

Farm, Fur — Premises used for gain in the raising of fur-bearing animals.

Farm, Other Stock — Premises used for gain in the raising of stock other than poultry, pigs, or fur-bearing animals.

Farm, Poultry — Premises used for gain in the production of poultry and eggs, having more than ten poultry.

Farm, Pig — Premises used for gain in the raising of pigs.

Filling Station — Any area of land, including structures thereon, that is used for the supply of gasoline or oil or other vehicle fuel and which may include facilities used or designed to be used for polishing, greasing, washing, spraying or otherwise cleaning or servicing such motor vehicles. Such use shall not include body work or the painting of vehicles or other than minor repair work.

Floor Area, Maximum — The total floor area of a building or buildings upon the same lot, including all floors but excluding the cellar.

Funeral Home — Facility for the conduct of funerals and related activities such as embalming.

Game Preserve — Premises used for hunting for a fee.

Golf Course — An unlighted area of at least thirty acres, with nine or more standard holes and customary accessory buildings.

Guest House, Commercial — A dwelling of single-family character in which not more than four individual rooms are offered for rent, for the primary purpose of furnishing overnight lodging to tourists.

Guest House, Private — A detached or semi-detached building located upon the same lot with a one-family dwelling containing not more than 250 square feet and not containing cooking facilities, the use of said building being limited to the entertainment of relatives and friends without fee or other costs.

Home Occupation — An occupation or a profession which: (a) Is customarily carried on in a dwelling unit or in a building or other structure accessory to a dwelling unit, and (b) Is carried on by a member of the family residing in the dwelling unit, and (c) Is clearly incidental to the use of the dwelling unit for residential purposes.

Hospital — Facility for the care and treatment of patients, as licensed by the Massachusetts Department of Public Health.

Hotel — Premises used as individual sleeping or dwelling units without kitchens, with primary access to each unit through enclosed corridors.

Industrial Building — An enclosed structure whose original purpose was for manufacturing or storage.

Industry — Fabrication, assembly, finishing, packaging, processing, or research such that the following criteria are met: (a) No noise, vibration or flashing is normally perceptible above street noise without instruments at any point more than 350 feet from the premises. (b) Smoke density does not exceed #2 of the Ringelmann Scale for more than 10% of the time, and at no time exceeds #3 on that scale. (c) All cinders, dust, fumes, gases, odors and electromagnetic interference is effectively confined to the premises.

Junk — Any article or material or collection thereof which is worn out, cast off or discarded and which is ready for destruction or has been collected or stored for salvage or conversion. Any article or material which, unaltered or unchanged and without further reconditioning can be used for its original purpose as readily as when new shall not be considered junk. Unregistered inoperative automobiles stored outdoors for more than six months shall be considered junk.

Junk Yard — The use of any area of any lot, whether inside or outside a building, for the storage, keeping, or abandonment of junk, or scrap or discarded materials, or the dismantling, demolition or abandonment of automobile(s) or other vehicle(s) or machinery or parts thereof.

Landscaping — Unoccupied space open to the sky on the same lot with a building, free of all structures, parking, pavement or other uses that preclude landscaping, maintained with grass or other planted material.

Lot — A continuous parcel of land meeting the minimum lot requirements of this By-Law for the district in which such land is situated, and if occupied by a building or buildings, meeting the minimum yard requirements of that district, and having the required frontage on a street or on such other means of access as may be determined in accordance with the provisions of the law to be adequate as a condition of the issuance of a building permit.

Lot, Corner — A lot which has an interior angle of less than 135 degrees at the intersection of two street lines. A lot abutting a curved street shall be considered a corner lot if the tangents to the curve at the points of the intersection of the side lot lines intersect at an interior angle of less than 135 degrees.

Lot, Depth of — The mean distance from the street line of the lot to its opposite rear line measured in the general direction of the side lines of the lot.

Lot, Frontage — That portion of a lot fronting upon a street or public way, to be measured continuously along one street line between its side lot lines and their intersection with the street line.

Lot Lines — The lines bounding a lot as defined herein.

Lot, Width of — The mean width at the building line measured at right angles of its depth.

Mobile Structure — A movable structure designed for year-round occupancy used for office or other non-residential activity.

Motel — Premises used as individual sleeping or dwelling units without kitchens, with primary access from each unit directly outdoors. The building or group of buildings may be either detached or in connected units. The term "motel" includes buildings designated as tourist courts, motor lodges, cabins, and by similar appellations.

Motor Vehicle, Boat, and Farm Implement Sales or Rental — Premises with first and/or second class license for new and/or used auto sales, or for auto rentals or similar establishments for boat or farm implement sales. Includes incidental service facilities.

Motor Vehicle, Boat, and Farm Implement Light Service — Premises for the supplying of fuel, oil, lubrication, washing, and minor repair services, not to include body work, painting, or major repairs.

Motor Vehicle, Boat, and Farm Implement General Repairs — Premises for the general repair of vehicles, including light service and minor body repairs and painting, but not to include premises primarily engaged in body repairs and/or painting.

Motor Vehicle, Boat, and Farm Implement Body Repairs — Premises principally used for body repairs and/or painting.

Motor Vehicle, Boat, and Farm Implement Used Parts and Dismantling — Premises used for the storage, dismantling, collection, and/or sale of parts from inoperative vehicles.

Municipal Use — Premises used for any operation by the town government, except as elsewhere more specifically defined.

Non-Conforming Use of Land or Building — A building or land lawfully occupied at the time of adoption of this By-Law by a use that does not conform to the adopted regulations of the district in which it is situated.

Nursery or Greenhouse — Premises used for the propagation of trees, shrubs, vines, flowers, or other plants for transplanting, stock for grafting, or for cut flowers.

Nursery or Greenhouse, Private — An accessory use whose products are not for sale at either retail or wholesale.

Nursing, Convalescent, or Rest Home — Premises for the care of three or more persons, as licensed by the Massachusetts Department of Public Health.

Occupancy Permit — A permit issued by the Building Inspector authorizing the occupancy and the use of land and/or structures and buildings.

Parking, Accessory — Parking on the same lot as the principal use, to service that use only.

Parking, Business — Parking for the use of employees, customers or visitors of any non-residential activity, when not located on the same lot as the activity it serves, including the parking of up to three commercial vehicles.

Parking, Private — Accessory Parking, not including parking for more than one commercial vehicles, for vehicles of over two-ton load capacity, or of more than one vehicle for fee.

Parking, Public — Parking of non-commercial vehicles for fee, whether enclosed or not.

Philanthropic Institution — An endowed or charitably-supported non-profit religious or non-sectarian activity maintained for public or semi-public use.

Porch, Covered — Part of a structure having a roof and floor either with or without enclosing walls or windows.

Printing Shop — Premises used for reproduction services, including commercial printers, periodical printing, blueprinting, composition, and binding.

Public Utility — Utility licensed by the Department of Public Works.

Public Utility Service Area — An area used for bulk storage, exposed equipment, or truck parking.

Radio Transmission — Premises used for the commercial transmission of radio or television, not including studios.

Recreation, Indoor Commercial — Theater, bowling alley, or other commercial recreation or entertainment carried on wholly in an enclosed building.

Recreation, Outdoor Commercial — Drive-in theater, golf driving range, bathing beach, or other commercial recreation carried on in whole or in part outdoors, except those activities more specifically designated elsewhere in this By-Law.

Recreation, Private — Recreation facilities accessory to and on the same lot as a principal building.

Religious Use — Premises used primarily for worship.

Restaurant, Indoor — Establishment for the sale of prepared food for consumption on the premises, either indoors or outdoors out of sight of any public way, or for consumption in the home.

Restaurant with Outdoor Service — Establishment serving food to persons outside on any building and within sight of a public way.

Retail Business — Premises used for the retail sale of goods for personal or household use, with storage or processing occupying not more than 50% of the gross floor area, and also premises used for personal business or household services. Does not include retail businesses elsewhere defined.

Roadside Stand — A structure of a semi-permanent or temporary type located in a district in which agricultural uses are allowed, from which raw produce, the major portion of which is grown on the premises is offered for sale to the public.

School, Nursery — A facility designed to provide daytime care or instruction for two or more children from two to five years of age inclusive and operated on a regular basis.

School, Other — An educational institution which is religious, sectarian, denominational or public.

School, Private — An educational facility other than a nursery school or those covered by Section 2 of Chapter 40A of the General Laws.

Sign — Any structure or part thereof attached thereto or painted or represented thereon, which shall display or include any letter, word, model, banner, flag, pennant, insignia, device or representation used as, or which is in the nature of an announcement, direction or advertisement. The word sign includes the word "billboard" but does not include the flag, pennant or insignia of any nation, state, or other political unit or of any political, educational, charitable, philanthropic, civic, professional, religious, or like campaign, drive, movement or event.

Sign, Area of — The area of a free-standing sign shall be considered to include all lettering, wording, and accompanying designs and symbols, together with the background, whether open or enclosed, on which they are displayed. The supporting framework, open or enclosed, may be part of the design, but for the purpose of this By-Law shall not be considered part of the sign area unless used for lettering, working or symbols. When the sign consists of individual letters or symbols attached to or painted on a surface, building wall or window, the area shall be considered to be that of the smallest rectangular or other regular shape which encompasses all of the letters and symbols.

Sportmen's Club — A club whose primary purposes are conservation, hunting or fishing.

Stable, Private — An accessory building in which horses are kept for private use and not for hire, remuneration or sale.

Stable, Public — A building in which horses are kept for remuneration, hire or sale.

Street — A way other than a private way, which affords the principal means of access to abutting properties.

Street Line — The line between the lot and the street layout.

Structure — Anything constructed or erected, the use of which requires location on the ground, or attachment to something located on the ground except a boundary wall or fence.

Temporary Structure — An accessory tent or construction shanty to be used for less than one year.

Trailer — A mobile dwelling or other mobile structure.

Trailer Park or Mobile Home Park — Premises with prepared sites used for the placement of mobile dwellings for non-transient use.

Transportation Terminal — Premises for parking and/or servicing of more than three commercial vehicles, or any number of over two-ton load capacity.

Uses — The specific purpose for which land or a building is designed, arranged, intended, or for which it is or may be occupied or maintained. The term "Permitted Use" or its equivalent shall not be deemed to include any non-conforming use.

ARTICLE 14: To see if the Town will vote to accept the provisions of Chapter 138, Section 12B of the General Laws which will prohibit nude entertainment in any establishment possessing an alcoholic beverage license.

ARTICLE 15: To see whether the Town, under and pursuant to authority granted in General Laws, Chapter 40D, Section 21(g), as amended, will authorize the Board of Selectmen to enter into a contract with the owner or operator of solid waste disposal facilities to be established in the Town of Plainville for the disposal of refuse, garbage and waste and for the use of recovered energy and materials resulting from the operation of such facilities, which contract will:

(1) be for a term of twenty years or less;

- (2) include provisions for the delivery of minimum amounts of refuse, garbage and waste and payments for the use of the facilities to be based thereon;
 - (3) provide for unit prices that will be graduated and for adjustments thereof and for the use of steam, electricity and recovered materials resulting from the use of the facilities and for credits or payments to the Town resulting therefrom;
 - (4) allow the use by the Town or other municipalities or private parties of the uncommitted capacity of such facilities;
 - (5) contain other provisions incidental and related to the foregoing general matters; and
 - (6) be generally in the form of proposed contract negotiated by representatives of the member communities of the 128 West Resource Recovery Council with such changes therein as may be negotiated by said council and approved by said Board of Selectmen,
- or do or act in any manner relative thereto.

ARTICLE 16: To see if the Town will vote to rescind Article 30 of the 1982 Annual Town Meeting, and return the \$25,000.00 appropriated for the control of Gypsy Moths to the Revenue Sharing Fund to be distributed following the Office of Revenue Sharing guidelines and procedures and the vote of the people. (As petitioned article).

ARTICLE 17: To see if the Town will vote to raise and appropriate, or transfer, the sum of \$2,250. to fund Vocational Education Costs, such sum to be expended under the direction of the Local School Committee, or do or act in any manner relative thereto.

ARTICLE 18: To see if the Town will vote to raise and appropriate or transfer the sum of \$1,294.11 or any other sum for the control of Insects and Dutch Elm Disease (\$594.11 for Insect Pest Control and \$700.00 for Dutch Elm Disease) as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 19: To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of \$500.00 for the normal repairs and maintenance of the Town-owned building known as the Scout House on Spring Street, or do or act in any manner relative thereto.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$10,000. for Town Funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town roads, or do or act in any manner relative thereto.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of \$1,000. for the purpose of reprinting Town By-Laws, or do or act in any manner relative thereto.

ARTICLE 22: To see if the Town will vote to raise and appropriate or transfer the sum of \$10,000 for the Reserve Fund to provide for the extraordinary unforeseen expenses as authorized by Section 6, Chapter 40 of the Massachusetts General Laws, or do or act in any manner relative thereto.

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of \$41,615.84 for the purpose of funding the variance existing on the Town financial records as determined by the latest Town Audit, or do or act in any manner relative thereto.

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of \$20,000, for the Stabilization Fund, as authorized by Mass. General Laws, Chapter 40, or do or act in any manner relative thereto.

ARTICLE 25: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$4,000. for the Conservation Commission for conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of \$1,650. for Plainville's share of support for South Norfolk County Association for Retarded Citizens, Inc. (SNCARC) for Fiscal Year 1984 or do or act in any manner relative thereto.

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of \$10,000. for the purpose of funding anticipated unemployment costs of the Town of Plainville, or do or act in any manner relative thereto.

ARTICLE 28: To see if the Town will vote to raise and appropriate the sum of \$3,500. to fund tax title costs of the Treasurer, or do or act in any manner relative thereto.

ARTICLE 29: To see if the Town will vote to raise and appropriate the sum of \$11,000. for the purpose of conducting an audit of the books of the Town for the period from July 1, 1981 to June 30, 1983, or do or act in any manner relative thereto.

ARTICLE 30: To see if the Town will vote to raise and appropriate the sum of \$500. for the purchase of assembly chairs for the Town offices, or do or act in any manner relative thereto.

ARTICLE 31: To see if the Town will vote to raise and appropriate the sum of \$1,000. to construct a storage closet in the assembly room at the Town offices, or do or act in any manner relative thereto.

ARTICLE 32: To see if the Town will vote to raise and appropriate the sum of \$25,000. for the purpose of providing gypsy moth spraying for town residents during Fiscal Year 1984, such sum to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 33: To see if the Town will vote to accept Section 26G of Chapter 148 of the Massachusetts General Laws, as amended by Chapter 545 of the Acts of 1982, which requires automatic sprinkler systems in buildings, or additions of more than 7500 gross square feet in floor area, constructed after July 1, 1983, or do or act in any manner relative thereto.

ARTICLE 34: To see if the Town will vote to establish a Fire Alarm Fund, for the purpose of funding the Communications Division of the Fire Department. Funding will be provided by all owners of Master Fire Alarm Boxes being assessed an annual service fee to be credited to this account, or do or act in any manner relative thereto.

ARTICLE 35: To see if the Town will vote to purchase a new Tanker/Pumper equipped for the Fire Department, and raise a sum not to exceed \$120,000.00, and to determine the manner of raising and appropriating the said sum. Said sum to be expended by and under the direction of the Chief of the Fire Department, or do or act in any manner relative thereto.

ARTICLE 36: To see if the Town will vote to appropriate the sum of \$18,000.00 to replace the doors and renovate the Fire Station, said sum to be raised in a manner to be determined by vote of Town Meeting. Sum to be expended by and under the direction of the Chief of the Fire Department, or do or act in any manner relative thereto. (If by bonding, ²/₃ vote required).

ARTICLE 37: To see if the Town will vote to establish a fund for the purpose of Fire Prevention. Funding will be provided by crediting to this account all money collected by the Fire Department for permits issued, or do or act in any manner relative thereto.

ARTICLE 38: To see if the Town will vote to authorize the Chief of Police to require the placement of "Off Duty" police personnel at any establishment or upon any way that will provide for the preservation of order or the free flow of traffic.

ARTICLE 39: To see if the Town will vote to establish a "Revolving Account" for the Police Department to support the purchase of supplies, replacement, and repair of the Department's photocopying machine, or do or act in any manner relative thereto.

ARTICLE 40: To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of sixty five thousand dollars (\$65,000.00) for the purchase of equipment and renovations for the Mutual Dispatching Center for the Police and Fire Department, or do or act in any manner thereto.

ARTICLE 41: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of five thousand dollars (\$5,000.00) for the replacement, correction or additions to the present ventilation system in the Police Department, or do or act in any manner thereto.

ARTICLE 42: To see if the Town will vote to raise and appropriate the sum of \$7,500. for the purpose of improving drainage, such sum to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto.

ARTICLE 43: To see if the Town will vote to raise and appropriate the sum of \$45,000. to improve and upgrade Town roads, such sum to be expended under the direction of the Highway Superintendent, or do or act in any manner relative thereto.

ARTICLE 44: To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to replace the two garage doors on the metal section of the Highway garage, or do or act in any manner relative thereto. (If by bonding, $\frac{2}{3}$ vote required).

ARTICLE 45: To see if the Town will vote to raise and appropriate the sum of \$45,000. for the purchase of a street sweeper to be used by the Highway Department, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 46: To see if the Town will vote to raise and appropriate the sum of \$16,500. for the purchase of a one-ton, all wheel drive dump truck to be used by the Highway Department, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 47: To see if the Town will vote to raise and appropriate the sum of \$10,000. for the purchase of a pick-up truck to be used by the Water/Sewer Department, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 48: To see if the Town will vote to raise and appropriate a sum of money to purchase land for a future water well, said site to be determined by, and sum to be expended under, the direction of the Water Commissioners, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 49: To see if the Town will vote to raise and appropriate the sum of \$60,000. for the purpose of funding a Water Quality Study for the Town of Plainville, said sum to be expended under the direction of the Water Commissioners, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 50: To see if the Town will vote to raise and appropriate the sum of \$5,000. to repair the hatch covers at wells number one (1) and two (2) off George Street, said sum to be expended under the direction of the Water Commissioners, or do or act in any amnner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 51: To see if the Town will vote to raise and appropriate the sum of \$15,000. for the purchase of a sewer and drain cleaning machine, such sum to be expended under the direction of the Water Commissioners, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

ARTICLE 52: To see if the Town will vote to authorize the Board of Selectmen to enter into a contractual agreement with the Southeastern Regional Planning and Economic Development District for participation in a shared planner program to assist the Planning Board, Board of Selectmen, Board of

Health, Conservation Commission and other committees and officials, to raise and appropriate a sum of money not to exceed \$8,500. as the Town's share of said program to be expended under the supervision of the Planning Board, and to authorize the Board of Selectmen to apply for and accept on behalf of the Town any federal or state funds which may become available to pay in part for said shared planner's services, or act in any other manner in relation thereto.

ARTICLE 53: To see if the Town will vote to raise and appropriate or transfer the sum of \$14,000. to be used for FY85 maintenance and recertification of assessed values for Real and Personal Property as mandated by the Commonwealth of Massachusetts and to be expended under the direction of the Board of Assessors, or do or act in any manner relative thereto.

ARTICLE 54: To see if the Town will vote to accept the provisions of Clause 17C in Chapter 59, Section 5, of the General Laws or do or act in any manner relative thereto.

(Note — This clause gives a community the option to replace the real estate tax exemption currently provided by Clause 17 of Chapter 59, Section 5, with new, less restrictive, non-reimbursable exemption provided by Clause 17C.)

ARTICLE 55: To see if the Town will vote to accept the provisions of General Laws, Chapter 59, Section 5, Clause 37A as enacted by Chapter 258 of the Acts of 1982 or do or act in any manner relative thereto.

(Note — This clause changes the amount of the exemption from \$5,000.00 of the taxable valuation of real property or the sum of \$437.50, whichever would result in an abatement of the greater amount of actual taxes due, to the sum of \$500.00 of the taxable valuation of real property due.)

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, Fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 22nd day of February in the year of our Lord one thousand nine hundred and eighty-three.

A true copy, Attest:

No	990
Blanks	115

Respectfully submitted

KATHLEEN M. SANDLAND
Town Clerk

MINUTES OF THE ANNUAL TOWN MEETING

MONDAY, APRIL 11, 1983

The Annual Town Meeting of the Town of Plainville was held in the auditorium of the Wood School on South Street in Plainville on Monday, April 11, 1983.

At 7:30 P.M. the Moderator was advised that a quorum was present but as a large number of voters were still checking into the hall, he delayed the opening of the meeting for five minutes.

Meeting was called to order at 7:35 P.M. Bounds of the hall were set at the seats on the auditorium floor, no votes would be counted from any other section, nor would any discussion be heard unless people speaking were seated in these chairs. All non-registered voters were seated in bleachers.

Counters appointed to the Moderator's right were Patricia Walls & Clarence Gauthier; to the Moderator's left, Edith Parastatides and Kenneth Cox. The Ballot Box Officer in case of a ballot vote to be Town Clerk Kathleen Sandland, assisted by Joan Clarke. Moderator stated that all amendments must be in writing and all discussion directed through the Chair.

Invocation was given by the Reverend David A. Hoyt of the Plainville United Methodist Church.

Following the invocation the Moderator read the Warrant and list of corrections to be made on same.

ARTICLE 2: Motion by Robert Hartnett, seconded by Arthur Roy, that Edgar Peavey, Edward Orlando and George Brown be appointed Fence Viewers and Field Drivers, and that Ronald Fredrickson, Robert Proal and Everett Skinner be appointed Measurers of Wood, Bark and Lumber for the ensuing year.

SO VOTED

Motion by Ray Felix, seconded by Arthur Roy, that Attorney John Lee, Robert Brothers, Francis Cinelli, William Costa, and James Marshall be allowed to speak before this meeting.

SO VOTED

ARTICLE 3: Motion by Robert Hartnett, seconded by Arthur Roy that the reports of the Selectmen, Treasurer, and other Town Officers be accepted as printed, with the exception of any errors and omissions.

SO VOTED

ARTICLE 4: Motion by Ray Felix, seconded by Arthur Roy, that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, Assessors' Clerks, Clerks of the Selectmen, Constables, and Police Department Licensing Authority be placed with a Fidelity or Guarantee Company.

SO VOTED

ARTICLE 5: Motion by Arthur Roy, seconded by Robert Hartnett, that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1983, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes, therefore, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

SO VOTED

ARTICLE 6: Motion by Arthur Roy, seconded by Ray Felix, that the Town vote to authorize the Board of Selectmen to accept and enter into contracts for the expenditures of any funds allotted

or to be allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of Town Roads.

SO VOTED

ARTICLE 7: Motion by Arthur Roy, seconded by Robert Hartnett, that the Town vote to install street lights at the following locations:

- 6 Street lights on Horseshoe Drive
- 1 Street light on George Street
- 2 Street lights on Legion Drive

Motion by John O'Neil, seconded by Marshall Morrell, to amend Article 7 as follows: to see if the Town will vote to install street lights at the following locations and raise and appropriate a sum of money to pay for same:

- 8 Street lights on Horseshoe Drive
- 1 Street light on George Street
- 2 Street lights on Legion Drive

Result of standing vote on amendment: Yes 67 No 96

AMENDMENT LOST

Original motion on Article passed, but it was not a unanimous vote.

ARTICLE 8: Motion by Debra Tucker, seconded by Joyce Warburton — the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$19,000.00 for the purchase of two police cruisers and related equipment, such monies to come from taxation.

Motion by Chief Sandland, seconded by David Swanson, to amend Article 8 to read as follows: To see if the Town will vote to raise and appropriate the sum of \$19,000.00 for the purchase of two police cruisers and related equipment; and that the existing two cruiser units be traded to the vendor, or publicly auctioned and that said monies received for such trade or auction, whichever is greater, be expended under the direction of the Chief of Police for the purchase of the cruisers or related equipment.

After some discussion and advice from Town Counsel, the motion and second were withdrawn.

Original motion carried though not by unanimous vote.

ARTICLE 9: Motion by Chief Sandland, seconded by Robert Hartnett that Article 9 be tabled at this time for research.

SO VOTED

ARTICLE 10: Motion by David Swanson, seconded by Richard Silveira — the Finance Committee recommends this article as printed with the following exceptions:

Town Clerk Salary for FY 84	\$12,434.00
Town Treasurer Salary for FY 84	5,565.00
Tax Collector Salary for FY 84	9,169.00

In reply to a question as to why the changes, the Finance Committee explained that it had recommended a 6% increase for all elected officials.

SO VOTED

ARTICLE 11: Due to length of Article, Moderator dispensed with reading of article as there were no objections to this procedure and each section will be considered separately.

Motion by Donald Oppenheim, seconded by Robert Hartnett — the Personnel Board recommends and I so move that Article 11 be accepted as written.

Motion by Virginia Silveira, seconded by Arthur Roy — the Personnel Board recommends and I so move that Section 15.4 be deleted.

Mrs. Parker questioned reason for deletion. Mrs. Silveira replied that Town Counsel had advised the Board that there is no authority for such by-law. (2/3 vote required)

Result of standing vote on Section 15.4 — Yes 160 No 3 SECTION 15.4 DELETED

SECTION 21.1: Motion by Virginia Silveira, seconded by Arthur Roy, to amend Section 21.1 to read as follows: A full-time employee who attends, during his off-duty hours, a course specifically related to the employee's duties, recommended and approved by his Department Head, and having notified the Personnel Board in writing prior to instruction at an accredited college, shall be reimbursed by the Town for the cost of his tuition and books, upon successful completion of the course with at least a "C" grade provided, however, that the said course is not paid for under a Federal or State program. The employee may keep the books for which he is reimbursed under the provisions hereof.

AMENDMENT CARRIED UNANIMOUSLY

SECTION 21.2: Motion by Virginia Silveira, seconded by Robert Hartnett, to amend Section 21.2 to read as follows: Each full time employee shall, subject to the limitations and provisions hereinafter set forth, be paid in addition to his regular compensation, five (\$5.00) dollars for each semester hour credit he has earned by attending at an accredited college, during his off-duty hours, a course or courses specifically related to the employee's duties, recommended and approved by his Department Head. He will notify the Personnel Board in writing at the completion of his course. The total compensation to be paid an employee for such earned credits shall not exceed the sum of three hundred and ten dollars (\$310.00) except as otherwise provided in Section 21.3 next below. (Mrs. Pollock had questioned why course or courses had been changed originally to "course" and Mrs. Silveira stated that the Board had not intended the change so it was corrected in the amendment). Vote on amendment to this section Yes 131 No 3

SECTION 21.2 AMENDED

SECTION 21.3: Motion by Virginia Silveira, seconded by Donald Oppenheim, to amend Section 21.3 to read as follows: Each full time employee who has acquired an Associate Degree in a job related program from an accredited college shall be paid the sum of five hundred (\$500.00) dollars in addition to his regular compensation. The compensation paid an employee for semester hours credit in accordance with the provisions of Section 21.2 above shall not continue to be paid once an employee obtains an Associate Degree. A full time employee who has acquired such an Associate Degree shall also be paid the sum of five (\$5.00) dollars in addition to his regular compensation for each semester hour he earns after acquiring such degree, upon completion of a specifically job related course recommended by the Department Head and with prior written notice to the Personnel Board. The total compensation to be paid an employee for such earned credits shall not exceed the sum of eight hundred ten dollars (\$810.00). Some discussion followed with Armand Dusseault, Peter Galligan, Barbara Fluck, Edith Parastatides, Chief Sandland, Robert Hartnett, and Catherine Green. Result of standing vote: Yes 119 No 25

SECTION 21.3 PASSED AS AMENDED

SECTION 21.4: Motion by Donald Oppenheim, seconded by Arthur Roy, to amend in line five Sections 2 and 3 and 4 should be 21.1 and 21.2 and 21.3 and change the word hours to hour to read as follows: Each full-time employee who has acquired a Bachelors Degree in a job-related program of study from an accredited college shall be paid the sum of one thousand (\$1,000.00) dollars in addition to his regular compensation. The compensation paid for a Bachelors Degree shall be the total compensation paid to an employee for educational credits completed under the provisions of this Article. The compensation paid an employee for semester hour credits in accordance with Sections 21.1 and 21.2

and 21.3 above shall not continue to be paid once an employee receives a Bachelor Degree. Result of standing vote: Opposed 6 In Favor 111

SECTION 21.4 PASSED AS AMENDED

SECTION 21.5: Motion by Donald Oppenheim, seconded by Arthur Roy, to amend Section 21.5 by changing Sections 2 and 3 and 4 in line one to read Sections 21.2 and 21.3 and 21.4, and in line 4 change the word hours to hour, and delete the last sentence; now to read as follows: The additional compensation provided for under Sections 21.2 and 21.3 and 21.4 above shall be annually paid in a lump sum payment in the first pay period after December 1, provided the employee involved has submitted written evidence to the Wage and Personnel Board by September 1 of his obtainment of semester hour credits, an Associate Degree, or Bachelors Degree, as the case may be.

SECTION 22.1: Motion by Virginia Silveira, seconded by Donald Oppenheim, to accept Section 22.1 as printed.

SO VOTED

At this point the Chair declared a ten minute recess at 9:25 P.M. and the meeting reconvened at 9:40 P.M.

CLASSIFICATION PLAN — Public Works Group

Motion by Virginia Silveira, seconded by Arthur Roy, to amend Section B of the Classification Plan to read as follows:

(1) Foreman	PW-1	40	14,689	15,391	16,089	16,790	17,485
(2) Equipment Operator	PW-2	40	13,465	14,164	14,865	15,564	16,260
(3) Driver/Mechanic	PW-3	40	13,465	14,164	14,865	15,564	16,260
(4) Driver	PW-4	40	12,766	13,465	14,164	14,865	15,564
(5) Laborer, Skilled	PW-5	40	12,157	12,859	13,636	14,256	14,957
(6) Laborer	PW-6	40	10,668	11,366	12,065	12,766	13,465

Section D — Motion by Chief Sandland, seconded by Robert Hartnett, to amend Item 2 — Miscellaneous Group, Dispatchers — so last step is \$13,820. Passed. Section D as amended, now reads:

D. Miscellaneous Group

(1) Bus Driver	CA-1	35	9,482	10,136	10,788	11,441	12,093
(2) Dispatcher	D-1	40	10,608	11,348	12,089	12,829	13,820

Section E — Department Heads

Motion by Chief Sandland, seconded by David Hoyt, to amend Section E of the Classification Plan to read as follows:

(1) Police Chief	Base	\$27,017
(2) Fire Chief	Base	27,017
(3) Highway Superintendent	Base	21,300
(4) Administrative Assistant	Base	22,631
(5) Executive Director, COA	Base	14,543
(6) Water Superintendent	Base	21,571

That the sum of monies amounting to \$2,461. be transferred from the "Ambulance Reserve" Account to fund the increase in the Fire Chief's salary, and that a Committee of five members be appointed by the Board of Selectmen to examine and formulate a compensation plan for all department heads, with a scheduled implementation for Fiscal Period 1985.

After discussion Chief Sandland withdrew his motion and David Hoyt withdrew his second.

Motion by Thomas Watkins, seconded by Michael Friedman, to amend Article 11, Section E, Part 4 to \$15,163. Mr. Clarke questioned reason for his amendment and Mr. Friedman said that due to the separate Board of Health it was felt that clerical help would be needed. Mrs. Miller requested a secret ballot for the request for salary change for the Administrative Assistant. Result of standing vote for secret ballot — Yes 51 No 106. Motion for secret ballot defeated. Question called by Mr. Alsworth and seconded.

MOTION DEFEATED

Motion by Chief Sandland seconded by David Hoyt to amend Section E of the Classification Plan to read as follows:

E. Department Heads

(1) Police Chief	Base	\$27,017
(2) Fire Chief	Base	27,017
(3) Highway Superintendent	Base	21,300
(4) Administrative Assistant	Base	22,631
(5) Executive Director, COA	Base	14,543
(6) Water Superintendent	Base	21,300

Chief Sandland explained his position in requesting increase in salary for Fire Chief. Mr. Roy rebutted by stating that this increase would be 17½%. Several individuals spoke on Chief Devine's behalf, citing the good morale of the Department, as well as performance.

AMENDMENT CARRIED

Result of standing vote on Article 11 complete, as amended: Yes 145 No 3

ARTICLE 11 PASSED AS AMENDED

Motion made by Arthur Roy to adjourn meeting to Tuesday, April 12th at 7:30 P.M. at the Wood School. Motion was seconded by Robert Hartnett and meeting was adjourned at 10:46 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

KMS/jc

Note: Total of 218 voters checked in for this evening

MINUTES OF ADJOURNED SESSION OF THE ANNUAL TOWN MEETING

TUESDAY, APRIL 12, 1983

The second session of the Annual Town Meeting (adjourned from April 11th) was held in the auditorium of the Wood School on Tuesday, April 12, 1983. Meeting was called to order at 7:35 P.M. Bounds of the hall remained the same as for the first session, as did the Ballot Box Officer, in case of a ballot vote, and other general rules. A total of 162 voters were checked into the hall for the evening by means of the registrars voting lists.

Counters appointed to the Moderator's right were Mary Ann Gallimore and William Fennessy; to the Moderator's left, Lynda Paul and Michael Friedman.

ARTICLE 12: Motion by Joyce Warburton, seconded by David Swanson, to accept Article 12 as printed with changes resulting from Article 11.

1. Public Library		\$ 14,803.00
Salaries	\$ 8,352.00	
Expenses	6,451.00	
(of which \$2,961.00 is State Aid to Libraries		
and \$504.00 is Dog Tax)		
2. Selectmen Administration		78,668.00
Salaries	45,233.00	
Expenses	33,435.00	

Motion by Michael Friedman, seconded by Edward Bristol, to amend the section to read -- to transfer the funds of \$6,030.00 for part time clerical help from the Selectmen's Administration Salaries to the Board of Health, Administration Salaries.

Mr. Felix stated that they could not cut the Administrative Assistant's Budget, since the Selectmen are all part-time the Administrative Assistant must be on the job all the time. Request made to hear from the Board of Health on this matter, and Mrs. Benes did speak, but she was not speaking for the Board, only as one member.

Motion made by Michael Friedman, seconded by Robert Spitler, to table this amendment to Section 2 until the end of Town Meeting.

MOTION DEFEATED

Question raised as to why amendment had been presented by a group of residents rather than by the Board of Health as a body.

SECTION 2 PASSED AS PRINTED

Moderator called a ten minute recess at 9:10 P.M.

Meeting reconvened at 9:30 P.M.

Motion by Joyce Warburton, seconded by Richard Silveira, to pass Article 12 as discussed for a total appropriation of \$3,909,384.00, of which:

\$ 2,961.00 is from State Aid to Libraries
 504.00 is from Dog Tax Receipts
 75,000.00 is from Revenue Sharing
 2,407.00 is from Ambulance Reserve Account
 153,269.00 is from Water Department Revenue
 32,250.00 is from Sewer Department Revenue
 *107,447.00 is to be transferred from account balances on hand as follows:

*Wilkins Field	\$ 100.00	Gain on R/E	367.29
Vapor Recovery	750.00	Storm Dis. Expense	501.53
T/O Energy	1,871.59	School DMH	6,185.40
Landfill Dump	2,500.00	Private Ways	483.34
Ambulance Equipment	223.45	Data Process	123.00
K.P. Roof	40,597.00	T/O Remod	433.15
K.P. Refund	52,796.69	Sewer Plan	514.86

* (Please note again that the above breakdown totals \$107,447.30 but only \$107,447.00 was voted at Town Meeting)

leaving a balance of \$3,535,546.00 to be raised by taxation.

SO VOTED

ARTICLE 13: Motion by Bruce Hastings, seconded by Arthur Roy, to pass Article 13 as printed. Mr. Lomasney asked for a report by the Planning Board which consisted of a motion by Peter Gallimore, seconded by Arthur Roy, to amend motion relative to Section 2.2 – Zoning Map as follows: “said districts are located and bounded as shown on a map entitled “Zoning Map” dated March 1964 and last revised in April 1978, on file in the Office of the Town Clerk. The Zoning Map, with all explanatory matter thereon, is hereby made a part of this By-Law.

AMENDMENT CARRIED

Motion by Kathleen Sandland, seconded by Peter Gallimore, to amend motion so that the By-Law Review Committee could change indexing so format conforms with rest of By-Law, not changing any verbage. Following discussion by Attorney Lee, and acting upon his advice, Mrs. Sandland withdrew her motion and Mr. Gallimore withdrew his second. Result of standing vote on By-Law as amended showed no-one opposed.

MODERATOR DECLARED VOTE UNANIMOUS

ARTICLE 14: Motion by Chief Sandland, seconded by Joyce Warburton, to see if the Town will vote to accept the provisions of the Mass. General Laws, Chapter 138, Section 12B, which prohibits the exhibition of nude dancing in an establishment that possesses an alcoholic beverage license, such chapter and section reading as follows: 12B. NUDITY OR PARTIAL NUDITY IN LICENSED

PREMISES; OPTIONAL PROHIBITION AVAILABLE TO CITIES & TOWNS. In any city or town which accepts the provisions of this section, no licensee licensed under the provisions of section twelve, shall suffer or permit any person to appear on said licensed premises in any manner or attire as to expose to public view any portion of the pubic area, anus, vulva or genitals, or any simulation thereof, or shall suffer or permit any female to appear on licensed premises in such manner or attire as to expose to view any portion of the breast below the top of the areola, or any simulation thereof. Any violation of the provisions of this section shall be enforced by the alcoholic beverage control commission and the local authorities. Following a brief summarization by Chief Sandland,

ARTICLE 14 PASSED UNANIMOUSLY

ARTICLE 15: Motion by Robert Hartnett, seconded by Arthur Roy, to accept Article 15 as printed, reading as follows: To see whether the Town, under and pursuant to authority granted in General Laws, Chapter 40D, Section 21 (g), as amended, will authorize the Board of Selectmen to enter into a contract with the owner or operator of solid waste disposal facilities to be established in the Town of Plainville for the disposal of refuse, garbage and waste for the use of recovered energy and materials resulting from the operation of such facilities, which contract will:

- (1) be for a term of twenty years or less;
- (2) include provisions for the delivery of minimum amounts of refuse, garbage and waste and payments for the use of the facilities to be based thereon;
- (3) provide for unit prices that will be graduated and for adjustments thereof and for the use of steam, electricity and recovered materials resulting from the use of the facilities and for credits or payments to the Town resulting therefrom;
- (4) allow the use by Town or other municipalities or private parties of the uncommitted capacity of such facilities;
- (5) contain other provisions incidental and related to the foregoing general matters; and
- (6) be generally in the form of proposed contract negotiated by representatives of the member communities of the 128 West Resource Recovery Council with such changes therein as may be negotiated by said council and approved by said Board of Selectmen.

Motion by Sharon Friedman, seconded by Arthur Roy, to table this article until the next Town Meeting.

SO VOTED

ARTICLE 16: Motion by David Swanson, seconded by Joyce Warburton, to see if the Town will vote to rescind Article 30 of the 1982 Annual Town Meeting and return the \$25,000.00 appropriated for the control of gypsy moths to the Revenue Sharing Fund to be distributed following the Office of Revenue Sharing guidelines and procedures and the vote of the people. The Selectmen are in favor of this article, following advice of Moth Superintendent. In response to question raised, it was stated that a letter had been received stating that it was not anticipated that there would be a problem with gypsy moths this year, or for the next few years.

MOTION CARRIED

ARTICLE 17: Motion by Joyce Warburton, seconded by David Swanson, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$2,250.00 to fund Vocational Education costs, of which \$1,395.00 is to be transferred from FY 83 Vocational Education Account and \$855.00 by taxation.

SO VOTED

ARTICLE 18: The Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$1,294.11 for the control of Insects and Dutch Elm Disease, of which

\$594.11 is for Insect Pest Control and \$700.00 is for Dutch Elm Disease, as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent; such monies to come from taxation.

SO VOTED

ARTICLE 19: Motion by Ugo Bona, seconded by Joyce Warburton, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$500.00 for the normal repairs and maintenance of the town-owned building known as the Scout House on Spring Street; such monies to come from taxation.

UNANIMOUS VOTE

ARTICLE 20: Motion by David Swanson, seconded by Arthur Roy, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$10,000.00 for town funds to be used in conjunction with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction and improvement of town roads; of which \$7,000.00 be transferred from overlay surplus and \$3,000.00 by taxation.

ARTICLE 21: Motion by Wallace Matthews, seconded by Robert Hartnett, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$1,000.00 for the purpose of reprinting the Town By-Laws; such monies to come from taxation.

UNANIMOUS VOTE

ARTICLE 22: Motion by Ugo Bona, seconded by Arthur Roy, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$10,000.00 for the Reserve Fund to provide for the unforeseen expenses as authorized by Section 6, Chapter 40 of the Massachusetts General Laws; such monies to come from taxation.

UNANIMOUS VOTE

ARTICLE 23: Motion by David Swanson, seconded by Richard Silveira, the Finance Committee recommends and I so move that this article be tabled until more information is available.

SO VOTED

ARTICLE 24: Lost for want of a motion.

Motion by Arthur Roy, seconded by David Swanson, to reconsider Article 23. Result of standing vote for reconsideration: Yes 19 No 43

MOTION LOST

Motion made by Arthur Roy, seconded by Robert Hartnett, to adjourn meeting until Monday, April 25, 1983, at 7:30 P.M. in the Wood School Auditorium.

SO VOTED

Meeting was adjourned at 10:48 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

KMS/jc

* Correction made at 4/25/83 session that Article 25 was also lost at 4/12 meeting for want of a motion. See notes for 4/25 meeting

MINUTES OF ADJOURNED SESSION OF ANNUAL TOWN MEETING

MONDAY, APRIL 25, 1983

The third session of the adjourned April 11th to April 12th Annual Town Meeting was held in the auditorium of the Wood School on Monday, April 25, 1983. Having determined that a quorum was present, the Moderator called the meeting to order at 7:30 P.M.

Bounds of the hall were set as being the chairs set up on the floor of the auditorium, with all non-registered voters to be seated in the bleachers. All motions and amendments must be in writing, and all discussion directed through the Chair. Ballot Box Officer in case of a ballot vote will be Mrs. Sandland, assisted by Mrs. Clarke.

Counters appointed to the Moderator's left were Kenneth Cox and William Clarke; to the Moderator's right, Janis Bona and Helen Theriault.

Motion by Robert Spitler, seconded by Donald Colley, to reconsider Article 12. Moderator explained that Mr. Spitler wished to withdraw his motion but had been asked not to; there had been an administrative error of 30 cents in the finalization of Article 12 that must be corrected.

Result of standing vote for reconsideration: Yes 68 No 1
MOTION TO RECONSIDER CARRIED

Motion by Joyce Warburton, seconded by David Swanson, to amend Article 12 by changing the amount to be transferred from account balances on hand to \$107,447.30, thereby changing the amount to be raised by taxation to \$3,535,545.70.

SO VOTED

Motion by Arthur Roy, seconded by David Swanson, that Mr. Dan Maciborski and Mr. Robert Wymer, representing the Engineering Firm of Camp, Dresser and McKee, be allowed to speak at this Town Meeting.

SO VOTED

The Moderator called for the first order of business, thought to be Article 25. It was determined that there was an error in the minutes of the previous session and Article 25 had been brought up at that time and lost for lack of a motion. (Minutes of previous session have been corrected)

ARTICLE 26: Motion by Joyce Warburton, seconded by Arthur Roy, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$1,650.00 for Plainville's share of the South Norfolk County Association for Retarded Citizens, Inc. (SNCARC) for Fiscal Year 1984, such monies to come from taxation.

SO VOTED

ARTICLE 27: Motion by David Swanson, seconded by Richard Silveira, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$10,000.00 for the purpose of funding anticipated unemployment costs of the Town of Plainville; such monies to come from taxation.

SO VOTED

ARTICLE 28: Motion by Debra Tucker, seconded by Joyce Warburton, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$3,500.00 to fund tax title costs of the Treasurer; such monies to come from taxation.

SO VOTED

ARTICLE 29: Motion by Wallace Matthews, seconded by Joyce Warburton, the Finance Committee recommends and I so move that the Town vote to raise and appropriate the sum of \$11,000.00

for the purpose of conducting an audit of the books of the Town for the period from July 1, 1981 to June 30, 1983; such monies to come from taxation.

Question raised by Robert Spitler as to the reason for another audit so quickly and it was explained that longer time periods gives more opportunity for discrepancies. Mrs. Parker spoke in favor of the motion.

SO VOTED

ARTICLE 30: Lost for lack of a motion.

ARTICLE 31: Lost for lack of a motion.

ARTICLE 32: Motion by Donald Colley, seconded by Robert Spitler, to accept Article 32 as printed: To see if the Town will vote to raise and appropriate the sum of \$25,000.00 for the purpose of providing gypsy moth spraying for town residents during Fiscal Year 1984, such sum to be expended under the direction of the Moth Superintendent.

MOTION DEFEATED

ARTICLE 33: Motion by Edward Devine, seconded by Arthur Roy, to accept Article 33 as printed: To see if the Town will vote to accept Section 26G of Chapter 148 of the Mass. General Laws, as amended by Chapter 545 of the Acts of 1982, which requires automatic sprinkler systems in buildings, or additions of more than 7500 gross square feet in floor area, constructed after July 1, 1983.

SO VOTED

ARTICLE 34: Motion by Edward Devine, seconded by Arthur Roy, to table this article at this time.

SO VOTED

ARTICLE 35: Motion by Edward Devine, seconded by Robert Spitler, to see if the Town will vote to raise the sum of \$95,000.00 for the purchase of a tanker/pumper for the Fire Department, such sum to be raised by borrowing.

Mr. Matthews explained that this article had been discussed by the Finance Committee when former Chief Skinner was on the Committee and asked that Mr. Skinner speak on this article. Mr. Lomasney corrected Mr. Matthews and stated that only the Moderator gave individuals permission to speak, and Mr. Skinner was asked to speak on the article. He expressed his opinion that the expenditure was unnecessary at this time and requested that the voters turn the article over to the CEPC for study. Mrs. Friedman spoke in favor of this article and Chief Devine stated that the vehicle to be replaced is twenty-seven years old and Mr. Skinner had stated that the life expectancy is twenty years. Question raised by Mr. Swanson as to cost of bonding vs. borrowing and the Town Treasurer explained the methods available and cost of same.

Motion by Richard Silveira, seconded by Robert Hartnett to table this article until next town meeting.

SO VOTED

Vote was doubted. Result of standing vote: Yes 68 No 54

ARTICLE 35 TABLED

ARTICLE 36: Motion by Ugo Bona, seconded by Joyce Warburton, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$14,200.00 to replace the doors (overhead) of the Fire Station and Highway Department, such sum to be expended by and under the direction of the Fire Chief and Highway Superintendent; such monies to come from taxation.

The Moderator questioned Attorney Lee as to legality of wording of the article in combining expenditures of two different departments. Attorney Lee agreed with Mr. Lomasney that this presented a problem.

Motion by Everett Skinner, seconded by Ronald Fredrickson, to amend the article to read: To raise and appropriate the sum of \$10,700.00 to replace the doors (overhead) of the Fire Station, such sum to be expended under the direction of the Fire Chief, such monies to come from taxation.

Mr. Fredrickson stated that the reason his figures did not agree with those of the Finance Committee was that the quote he had received in January from D-C Doors was in the amount of \$3,249.72 for Highway Department doors. Finance Committee explained that prices had increased by the time they called this company for figures.

Motion by Robert Hartnett, seconded by Ugo Bona, to amend the amendment with figures of \$9,400.00 for Fire Department and \$4,800.00 for Highway. It was requested that the amendment to the amendment be put in writing.

At this time a motion was made by Chief Sandland to adjourn for a five minute recess. Moderator agreed and recess was declared at 8:41 P.M.

Meeting reconvened at 8:52 P.M.

Motion made by Robert Hartnett, seconded by Virginia Silveira, to amend Article 36 to see if the Town will vote to appropriate \$9,400.00 for the purpose of repairing the Fire Department garage doors, to be expended under the direction of the Fire Chief; and \$4,800.00 for the purpose of repairing the Highway garage doors, to be expended under the direction of the Highway Superintendent; such monies to be raised by taxation, for a total of \$14,200.00.

SO VOTED

ARTICLE 37: Motion by Sharon Friedman, seconded by Rita Watson, to accept Article 37 as printed: To see if the Town will vote to establish a fund for the purpose of Fire Prevention. Funding will be provided by crediting to this account all money collected by the Fire Department for permits issued.

Moderator questioned Town Counsel as to legality of motion and ruled the motion out of order on advice of Attorney Lee.

ARTICLE 38: Motion by Chief Sandland, seconded by Arthur Roy, to see if the Town will make an addition to the Police Regulations By-Law: that the Chief of Police be able, when conditions warrant, to place an off duty police officer at any establishment or upon any way that will provide for the preservation of order and the free flow of traffic, said placement shall be reviewable by the Board of Selectmen.

Mr. Colley voiced concern for citizens being forced to hire special duty officers for private gatherings, and Mr. Fredrickson questioned whether the Highway Department would have to hire officers for road duty. Chief Sandland explained to Mr. Colley that this was not the intent of the Article and told Mr. Fredrickson that he could use his own men for traffic as usual. Mr. Gallimore questioned how this would affect public meetings. Mr. Hartnett stated that he supported the article but wanted to be sure that the cost of the details were not assumed by the Town. Question called by Mr. Sorrento, and seconded.

Result of standing vote: Yes 82 No 7

ARTICLE 38 PASSED

ARTICLE 39: Motion by Chief Sandland, seconded by Andrea Soucy, that Article 39 be tabled until the next town meeting.

SO VOTED

ARTICLE 40: Motion by Chief Sandland, seconded by Arthur Roy, to accept Article 40 as printed: to see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of sixty-five thousand dollars (\$65,000.00) for the purchase of equipment and renovations for the Mutual Dispatching Center for the Police and Fire Department.

Mr. Spadoni questioned what information was available at this time and what savings would be effected by the mutual dispatching system. Chief Sandland gave a brief explanation of progress to date.

Motion by Clarence Skinner, seconded by Mr. Plante, that this article be tabled until the next town meeting with at least one public hearing being held previous to same, giving the public all information on the pros and cons of this project.

SO VOTED

ARTICLE 41: Motion be Debra Tucker, seconded by Richard Silveira, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$2,800.00 for the replacement, correction or addition to the present ventilation system in the Police Department, such monies to come from taxation.

Mrs. Soucy questioned if the amount was sufficient to do the job and Chief Sandland stated that a good part could be done for this money.

SO VOTED

ARTICLE 42: Motion by Joyce Warburton, seconded by David Swanson, to accept Article as printed; the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$7,500.00 for the purpose of improving drainage, such sum to be expended under the direction of the Highway Superintendent; such monies to come from taxation.

SO VOTED

ARTICLE 43: Motion by David Swanson, seconded by Joyce Warburton, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$40,000.00 to improve and upgrade town roads, such sum to be expended under the direction of the Highway Superintendent; such monies to come from taxation.

SO VOTED

ARTICLE 44: Motion by Clarence Skinner, seconded by Fred Paul, to take no action on this article.

SO VOTED

ARTICLE 45: Motion by Joyce Warburton, seconded by David Swanson, the Finance Committee recommends that the Town vote to raise and appropriate the sum of up to \$45,000.00 for the purchase of a street sweeper to be used by the Highway Department; such monies to come from taxation.

In reply to question by Mr. Spadoni, Mr. Fredrickson stated that the old sweeper would either be traded or used for parts. In response to a question of the current sweeper, he stated that there is as much time spent repairing it as in running the machine. Everett Skinner supported this article. Question called by Mrs. Soucy.

ARTICLE 45 PASSED

ARTICLE 46: David Swanson stated that the Finance Committee was not recommending this article and Article 46 was lost for want of a motion.

ARTICLE 47: Motion by Wallace Matthews, seconded by Richard Silveira, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$9,610.00 for the pur-

chase of a pick-up truck to be used by the Water/Sewer Department; such monies to be transferred from the Wood School sewer account.

SO VOTED

ARTICLE 48: Motion by Ugo Bona, seconded by Richard Silveira, to table this article.

SO VOTED

ARTICLE 49: I move that the Town vote to borrow for not more than three years the sum of \$60,000.00 for the purpose of funding a Water Quality Study for the Town of Plainville, said sum to be expended under the direction of the Water Commissioners.

Mr. Marshall, Water/Sewer Superintendent, asked that Mr. Dan Maciborski of Camp Dresser & McKee be allowed to explain this article. Permission was given and Mr. Maciborski outlined briefly the proposed four-phase program.

Motion made by Richard Silveira and seconded to add to the motion “and that such funds necessary to cover both interest & Principal be raised through Water Department Revenue.

Mr. Hartnett stated that Mr. Roy had made this motion on his own, not as a Selectman, and that the article had not come before the Board.

Motion by Virginia and seconded to table this article until the next town meeting.

SO VOTED

ARTICLE 50: Motion by David Swanson, seconded by Joyce Warburton, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$5,000.00 to repair the hatch covers at wells number one (1) and two (2) off George Street, said sum to be expended under the direction of the Water Commissioners; such monies to come from taxation.

Motion made by Arthur Roy, seconded by Peter Gallimore, to amend article to read “such monies to come from Water Department Revenue” instead of “from taxation.”

AMENDED ARTICLE PASSED

ARTICLE 51: Motion by Ugo Bona, seconded by Richard Silveira, the Finance Committee recommends that the Town vote to raise and appropriate the sum of \$3,500.00 for the purchase of a sewer and drain cleaning machine, such sum to be expended under the direction of the Water Commissioners; such monies to come from taxation. Question called.

ARTICLE 51 PASSED

ARTICLE 52: Motion by Wallace Matthews, seconded by David Swanson, the Finance Committee recommends that the Town vote to authorize the Board of Selectmen to enter into a contractual agreement with the Southeastern Regional Planning and Economic Development District for participation in a shared planner program to assist the Planning Board, Board of Selectmen, Board of Health, Conservation Commission and other committees and officials, to raise and appropriate a sum of money not to exceed \$8,500.00 as the Town’s share of said program, to be expended under the supervision of the Planning Board, and to authorize the Board of Selectmen to apply for and accept on behalf of the Town any federal or state funds which may become available to pay in part for said shared planner’s services; such monies to come from taxation. Question called after brief discussion & voted.

ARTICLE 52 PASSED

ARTICLE 53: Lost for want of a motion.

ARTICLE 54: Lost for want of a motion.

ARTICLE 55: Lost for want of a motion.

Warrant having been completed, the Moderator asked if there was any other business to come before this town meeting.

Motion by Chief Sandland, seconded by Wallace Matthews, that a Committee of five persons, selected by the Board of Selectmen, be commissioned to establish a wage compensation plan for all Department Heads for implementation during Fiscal Year 1985.

Mr. Hartnett stated that he did not see the need for the proposed committee and Mrs. Silveira agreed, stating that this was covered by the Personnel By-Law.

Question called by Mrs. Friedman and voted. The Moderator's statement that the "No" vote carried on this motion was doubted. Result of standing vote: Yes 30 No 30
MOTION DEFEATED

Motion made by Arthur Roy, seconded by Robert Hartnett to adjourn the meeting.
SO VOTED

Moderator adjourned the Annual Town Meeting at 10:19 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

KMS/jc

Note: A total of one hundred twenty persons were checked into the hall by means of the Registrars' Voting List for this session.

* A tape recording of this meeting is on file in the office of the Town Clerk.

Town of Plainville

WARRANT FOR A SPECIAL TOWN MEETING
MONDAY, JUNE 20, 1983

The Commonwealth of Massachusetts

Norfolk, ss.

To either of the Constables of the Town of Plainville,

GREETINGS

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and town affairs, to meet at the Beatrice H. Wood Elementary School Auditorium, South Street, in said Town of Plainville, at 8:00 P.M. on

MONDAY, JUNE 20, 1983

then and there to act on the following articles, viz:

ARTICLE 1: To see if the Town will vote to discontinue as a public way that part of Belcher Street, bounded and described as follows:

Beginning at a point marked by a County bound on the northerly sideline of Belcher Street intersecting the Plainville-Foxborough Town Line; thence running

S.01°-02'-47"E On the Town line by Daniels Street (Foxborough, Mass.) thirty one and 09/100 (31.09) feet; thence

S.73°-44'-00"W By Parcel "B", as shown on Plan of Land, entitled "Plan of Land in Wrentham, Plainville and Foxborough, Mass., Scale 1"=200', June 25, 1979, Norwood Engineering Co., Inc., Norwood, Mass.," one thousand four hundred forty-four and 46/100 (1,444.46) feet; thence

N.26°-23'-13"W By Belcher Street, thirty and 48/100 (30.48) feet; thence

N.73°-44'-00"E By Parcels "F" and "A" on said Plan of Land, one thousand four hundred fifty-seven and 98/100 (1,457.98) feet to the point of beginning.

Containing 43,537 square feet of land, more or less, according to said Plan of Land;

and vote to authorize the Board of Selectmen to convey all of the Town's right, title and interest in such land to Joseph J. Lorusso on such terms and conditions as the Board of Selectmen shall determine to be in the best interest of the Town, provided, however, that this Article shall not be operative if the Board of Health shall not assign for use as a sanitary landfill a portion of said Belcher Street to be abandoned and if the Town acting through its Board of Selectmen shall not enter into a written agreement with Laidlaw Waste Systems (Plainville) Inc., providing for the payment to the Town of a fee of at least fifty cents (\$.50) for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill operated in the Town by Laidlaw Waste Systems (Plainville), Inc., or do or act in any manner relative thereto.

ARTICLE 2: To see if the Town will vote to set aside in a special account, for further appropriation in such amounts and for such purposes as the Town may determine and vote, any and all fees received by the Town, in accordance with the provisions of Chapter III, Section 150A of the Massachusetts General Laws, for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill in the Town operated by Laidlaw Waste Systems (Plainville), Inc., or do or act in any manner relative thereto.

ARTICLE 3: To see if the Town will vote that: "the sum of 3.0 million dollars be and hereby is appropriated for the purpose of obtaining engineering services and related surveys for the extension of the Town sewerage system, constructing a system or systems of sewerage and sewage treatment and disposal in Plainville and/or in North Attleboro in accordance with the agreement dated April 27, 1967, as ratified and/or amended, between the Town of North Attleboro and the Town of Plainville, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of 3.0 million dollars under the provisions of General Laws, Chapter 44, Section 8, and to issue bonds or notes of the Town, therefore, payable in accordance with said Chapter 44, so that the whole loan shall be paid in not more than thirty (30) years from the date of issue of the first bond or note; provided that all funds received from the State and Federal governments for this purpose shall be applied to the cost of the project, and the amount to be borrowed on serial bonds or notes by the Town shall be reduced correspondingly; and be it further ordered that the Board of Sewer Commissioners, acting for and on behalf of the Town shall have full power and authority to hire engineers and surveyors, and to lay out and construct said system or systems of sewerage and sewage treatment and disposal, and to obtain the necessary easements and Rights of Way therefore and to do anything pertaining thereto, and to make applications in the name of and on behalf of the Town for any Federal and State aid in connection with this sewer project; such sums to be borrowed when deemed necessary by a majority vote of a Committee consisting of the three (3) Sewer Commissioners, three (3) members of the Finance Committee, to be appointed by the Finance Committee, and three (3) members of the Board of Health," or do or act in any manner relative thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate or transfer the sum of \$5,000.00 from previous years (1981-1982) sewer O & M charges to Water Department FY 83 budget to meet with expenses incurred during FY 83, or do or act in any manner relative thereto.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$400.00 for the purpose of funding additional expenses of the Zoning Board of Appeals for FY 83, or do or act in any manner relative thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for the purpose of funding additional expenses of the following budgets for FY 83:

Town Office Maintenance	\$2,000.00
Selectmen's Expenses	1,500.00
Street Lights	2,000.00

or do or act in any manner relative thereto.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the purpose of funding additional expenses of the Fire Department for FY 83, or do or act in any manner relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for the purpose of funding additional expenses of the Park Department for FY 83, or do or act in any manner relative thereto.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purpose of painting the pool at the Town Park, such sum to be expended under the direction of the Park Commissioners, or do or act in any manner relative thereto.

ARTICLE 10: To see if the Town will vote to appropriate or transfer from available funds the sum of \$3,900.00 to fund the salaries associated with the re-establishment of a "walking patrol" for the Police Department, or do or act in any manner relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate or transfer from available funds the sum of one thousand and five hundred dollars (\$1,500.00) for the purchase of cruiser equipment for the Police Department or do or act in any manner relative thereto.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.00) for the purpose of providing a part-time clerical position for the Police Department, or do or act in any manner relative thereto.

ARTICLE 13: To see if the Town will vote to allow the Town Accountant to transfer the sum of one hundred and fifty dollars (\$150.00) from the Police Department Out Of State Travel Account to the Police Department Expense Account or do or act in any manner relative thereto.

ARTICLE 14: To see if the Town will vote to accept the provisions of Massachusetts General Law, Chapter 44, Section 53E.

ARTICLE 15: To see if the Town will vote to allow the Police Department to retain all fees received for the photocopying of police reports, pursuant to the provisions of M.G.L.A. 44, Section 53E; said fees shall be expended for the purchase of supplies and for the replacement and/or repair of the department's photocopying equipment.

ARTICLE 16: To see if the Town will vote to raise and appropriate or to transfer from available funds in the Treasury the sum of five hundred dollars (\$500.00) to remove the existing windows and install two Anderson casement windows in the Tax Collector's and Town Treasurer's office, or do or act in any manner relative thereto.

ARTICLE 17: To see if the Town will vote to accept the provisions of Clause 41B in Chapter 59, Section 5, or do or act in any manner relative thereto.

(Note: This clause increases the eligibility of elderly persons for real property exemptions).

ARTICLE 18: To see if the Town will vote to purchase a new Tanker/Pumper equipped for the Fire Department, and raise a sum not to exceed \$120,000.00, and to determine the manner of raising and appropriating the said sum. Said sum to be expended by and under the direction of the Chief of the Fire Department, or do or act in any manner relative thereto.

ARTICLE 19: To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of sixty five thousand dollars (\$65,000.00) for the purchase of equipment and renovations for the Mutual Dispatching Center for the Police and Fire Department, or do or act in any manner thereto.

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the purpose of funding a Water Quality Study for the Town of Plainville, said sum to be expended under the direction of the Water Commissioners, or do or act in any manner relative thereto. (If by borrowing, a $\frac{2}{3}$ vote is required).

And you are directed to serve this Warrant by posting copies thereof in six (6) public places, in said Town, fourteen (14) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hand this 23rd Day of May in the year of our Lord one thousand nine hundred and eighty-three.

A true copy, Attest:

1983

..... Constable

Ray P. Felix
Robert E. Hartnett
Arthur W. Roy, Jr.

Selectmen of Plainville

MINUTES OF THE SPECIAL TOWN MEETING

MONDAY, JUNE 20, 1983

The Special Town Meeting was called to order at 8:00 P.M. in the auditorium of the Wood School on South Street in Plainville on Monday, June 20, 1983, by Moderator David Lomasney, with a total number of 103 voters checked into the hall for the evening by means of the Registrars' Voting Lists.

Bounds of the hall were set as being the seats set up on the floor of the auditorium for registered voters only. All non-registered people to be seated in bleachers and no votes will be counted from voters not seated in the chairs.

Ballot Box Officer in case of a ballot vote to be Mrs. Sandland, assisted by Mrs. Clarke.

Moderator stated that all motions and amendments must be in writing and all questions and discussion directed to the Chair.

Counters appointed to the Moderator's right, Lena Choma and Patricia Walls; to the Moderator's left, Paul Sandberg and Kenneth Cox.

The meeting opened with the invocation given by the Reverend David Hoyt of the United Methodist Church.

Following the reading of the warrant, motion was made by Robert Hartnett, seconded by Arthur Roy, that Attorney John Lee, Robert Brothers, James Marshall, Dan Maciborski and Norman Daniels be allowed to speak before this meeting.

Motion by Richard Silveira, seconded by Robert Hartnett, to consider Article 2 ahead of Article 1 because of its bearing on Article 1.

SO VOTED

ARTICLE 2: To see if the Town will vote to set aside in a special account for further appropriation in such amounts and for such purposes as the Town may determine and vote, any and all fees received by the Town, in accordance with the provisions of Chapter III, Section 150A of the Massachusetts General Laws, for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill in the Town operated by Laidlaw Waste Systems (Plainville), Inc., or do or act in any manner relative thereto.

Motion by Richard Silveira, seconded by Robert Hartnett to amend Motion to read as follows: I move that the Town vote to set aside in a special account, for further appropriation in such amounts as the Town may determine and vote, any and all fees received by the Town, in accordance with the provisions of Chapter III, Section 150A of the Massachusetts General Laws, for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill in the Town now operated by Laidlaw Waste Management Systems (Plainville), Inc., such amounts to be appropriated for the following purposes:

- A. Obtaining and retaining the legal, engineering and technical expertise to accomplish the following:
 - (1) assure the safe and proper daily operation of the landfill;
 - (2) perform and validate groundwater and other environmental test and inspection requirements established by EPA, DEPE, and the Plainville Board of Health;
 - (3) review and make recommendations concerning plans submitted by the landfill operator to DEQE and the Board of Health;

Such funds shall be expended under the direction of the Board of Health.

- B. Providing other Boards and Committees of the Town with technical and engineering assistance and expertise in the following areas, but not limited thereto:
- (1) conservation;
 - (2) planning;
 - (3) water quality;
 - (4) zoning;
 - (5) other matters relating to or pertaining to environmental quality.

Such funds shall be expended under the direction of an Executive Committee consisting of the Chairpersons of the Board of Selectmen, Board of Health, and the Finance Committee.

- C. Establishing a special fund to be used to assure the proper maintenance of the landfill after its closure.

The Executive Committee shall place articles on the Town Meeting Warrants recommending the amounts to be appropriated each fiscal year to accomplish the above purposes. Any funds in said special account which have not been appropriated for any of the above purposes by the close of each fiscal year shall revert to the general treasury.

Following considerable discussion,

ARTICLE 2 PASSED AS AMENDED

ARTICLE 1: To see if the Town will vote to discontinue as a public way that part of Belcher Street, bounded and described as follows:

Beginning at a point marked by a County bound on the northerly sideline of Belcher Street intersecting the Plainville–Foxborough Town Line; thence running

S.01° –02' –47"E On the Town line by Daniels Street (Foxborough, Mass.) thirty-one and 09/100 (31.09) feet; thence

S.73° –44' –00"W By Parcel "B" as shown on Plan of Land, entitled "Plan of Land in Wrentham, Plainville and Foxborough, Mass., Scale 1" = 200', June 25, 1979, Norwood Engineering Co., Inc., Norwood, Mass., " one thousand four hundred forty-four and 46/100 (1,444.46) feet; thence

N.26° –23' –13"W By Belcher Street, thirty and 48/100 (30.48) feet; thence

N.73° –44' –00"E By Parcels "F" and "A" on said Plan of Land, one thousand four hundred fifty-seven and 98/100 (1,457.98) feet to the point of beginning.

Containing 43,537 square feet of land, more or less, according to said Plan of Land;

and vote to authorize the Board of Selectmen to convey all of the Town's right, title and interest in such land to Joseph J. Lorusso on such terms and conditions as the Board of Selectmen shall determine to be in the best interest of the Town, provided, however, that this Article shall not be operative if the Board of Health shall not assign for use as a sanitary landfill a portion of said Belcher Street to be abandoned and if the Town, acting through its Board of Selectmen, shall not enter into a written agreement with Laidlaw Waste Systems (Plainville) Inc., providing for the payment to the Town of a fee of at least fifty cents (\$.50) for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill operated in the Town by Laidlaw Waste Systems (Plainville), Inc., or do or act in any manner relative thereto.

Motion by Richard Silveira, seconded by Robert Hartnett, to amend Article 1 to read as follows:

I move that the Town vote to discontinue as a public way that part of Belcher Street which is bounded and described as follows, or any part of Belcher Street which lies within the portion herein described:

Beginning at a point marked by a County bound on the northerly sideline of Belcher Street intersecting the Plainville–Foxborough Town Line; thence running

S.01° –02' –47''E On the Town line by Daniels Street (Foxborough, Mass.) thirty-one and 09/100 (31.09) feet; thence

S.73° –44' –00''W By Parcel "B", as shown on Plan of Land entitled "Plan of Land in Wrentham, Plainville and Foxborough, Mass., Scale 1" = 200', June 25, 1979, Norwood Engineering Co., Inc., Norwood, Mass." one thousand four hundred forty-four and 46/100 (1,444.46) feet; thence

N.26° –23' –13''W By Belcher Street, thirty and 48/100 (30.48) feet; thence

N.73° –44' –00''E By Parcels "F" and "A" on said Plan of Land, one thousand four hundred fifty-seven and 98/100 (1,457.98) feet to the point of beginning.

Containing 43,537 square feet of land, more or less, according to said Plan of Land;

and further, vote to authorize the Board of Selectmen to convey all of the Town's right, title, and interest in and to the land so discontinued as a public way to such persons for an amount not less than \$1,000.00, and on such other terms and conditions as the Board of Selectmen shall determine to be proper and in the best interest of the Town; and further, vote that such discontinuance of a part of Belcher Street as a public way and the conveyance of such land by the Board of Selectmen shall not take effect unless and until the Board of Health shall have assigned a portion of said Belcher Street, which is being discontinued as a public way, as a sanitary landfill, and the Town, acting through its Board of Selectmen, shall have entered into a written agreement with Laidlaw Waste Systems (Plainville) Inc., providing for the payment to the Town of a fee of at least fifty cents (\$.50) for each ton of solid waste from outside the Town which is disposed of in the sanitary landfill now operated in the Town by said Laidlaw Waste Systems (Plainville), Inc., and providing for such other terms and conditions as may be agreed upon, the terms of such agreement to be negotiated on behalf of the Town by a Committee comprised of a member and alternate member from the Board of Selectmen, from the Board of Health and from the Landfill Study Committee, each of such members to be appointed by his respective Board or Committee.

Motion made by Miguel Benes that the Negotiating Committee provided for by this article be composed of a member and alternate member from the Finance Committee and Board of Health only. He explained his motion, saying that he felt it would be an error to include the Selectmen as they, or at least one of the present Board, had been in office when the landfill came into being, which he felt was a mistake.

Attorney Lee ruled that this motion was not legal as the Board of Selectmen must be a part of any negotiations or contracts entered into on behalf of the Town.

Mr. Felix was given permission by the Moderator to respond to Mr. Benes' motion, which he stated was directed at him alone, being the only member now on the Board that was on the Board at the time the landfill came into existence.

Result of standing vote on Article 1 as amended: Yes 80 No 10, Needed to carry: 53.
ARTICLE 1 PASSED AS AMENDED

Chair declared a ten minute recess at 9:22 P.M. and the meeting reconvened at 9:32 P.M.

ARTICLE 3: To see if the Town will vote that: "the sum of 3.0 million dollars be and hereby is appropriated for the purpose of obtaining engineering services and related surveys for the extension of the Town sewerage system, constructing a system or systems of sewerage and sewage treatment and disposal in Plainville and/or in North Attleboro in accordance with the agreement dated April 27, 1967, as ratified and/or amended, between the Town of North Attleboro and the Town of Plainville, and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the

sum of 3.0 million dollars under the provisions of General Laws, Chapter 44, Section 8, and to issue bonds or notes of the Town, therefore, payable in accordance with said Chapter 44, so that the whole loan shall be paid in not more than thirty (30) years from the date of issue of the first bond or note; provided that all funds received from the State and Federal governments for this purpose shall be applied to the cost of the project, and the amount to be borrowed on serial bonds or notes by the Town shall be reduced correspondingly; and be it further ordered that the Board of Sewer Commissioners, acting for and on behalf of the Town shall have full power and authority to hire engineers and surveyors, and to lay out and construct said system or systems of sewerage and sewage treatment and disposal, and to obtain the necessary easements and Rights of Way therefore and to do anything pertaining thereto, and to make applications in the name of and on behalf of the Town for any Federal and State aid in connection with this sewer project; such sums to be borrowed when deemed necessary by a majority vote of a Committee consisting of the three (3) Sewer Commissioners, three (3) members of the Finance Committee, to be appointed by the Finance Committee, and three (3) members of the Board of Health," or do or act in any manner relative thereto.

Motion made by Walter Burlingame, seconded by Everett Skinner, to accept Article 3 as printed.

Mr. Holbrook asked if a member of the Sewer Commissioners could explain this article. Mr. Coleman requested that Mr. Marshall make the explanation, which he did; explaining where the next phase would be running and that the time frame is the reason for request for funding at this time. Mr. Maciborski of Camp Dresser & McKee participated in the explanation of the Sewer Study.

Question called. Mr. Spadoni called for point of order, stating that Mrs. Friedman had been talking and yielded the floor for explanation with the understanding that she could have the floor again to make a motion. The Moderator allowed Mrs. Friedman to speak, even though the question had been answered.

Mrs. Friedman made a motion to table this article until the next Annual Town Meeting, but the Moderator stated that while he had allowed her to speak after the question was called, he would not allow the motion.

Result of standing vote on Article 3: Yes 60 No 11, Needed to pass: 50.

ARTICLE 3 PASSED

ARTICLE 4: Motion by Ugo Bona, seconded by Walter Coleman, the Finance Committee recommends and I so move that the Town vote to transfer from previous years (1981–1982) Sewer Operation and Maintenance Charges Account the sum of \$3,500.00 to fund additional expenses of the Water Department Account for FY 1983.

Question asked about change in amount and Mr. Bona stated that the Water Department had agreed to this sum of money.

SO VOTED

ARTICLE 5: Lost for lack of a motion.

ARTICLE 6: Motion by David Swanson, seconded by Ugo Bona, the Finance Committee recommends and I so move that the Town vote to transfer from the Town Insurance Account the sum of \$5,000.00 and from the Town Office Painting Account the sum of \$500.00, for a total of \$5,500.00, to fund the following FY 83 accounts:

Town Office Maintenance	\$2,000.
Board of Selectmen's Expenses	1,500.
Street Lights	2,000.

SO VOTED

ARTICLE 7: Motion by Ugo Bona, seconded by Richard Silveira, the Finance Committee recommends and I so move that the Town vote to transfer from the Fire Department Salary Account the sum of \$2,500.00 to fund additional expenses of the Fire Department FY 83.

UNANIMOUS VOTE

ARTICLE 8: Motion by John Hartshorn, seconded by David Swanson, the Finance Committee recommends and I so move that the Town vote to transfer from the Town Office Painting Account the sum of \$1,500.00 to fund additional expenses of the Park Department for FY 83.

UNANIMOUS VOTE

ARTICLE 9: Motion by Richard Silveira, seconded by Arthur Roy, the Finance Committee recommends and I so move that the Town vote to transfer from the Interest on Loans & Maturing Debt Account the sum of \$4,500.00 to fund the painting of the pool under the direction of the Park Commissioners.

Mr. Skinner explained that as he was handling the pool project he did not feel this amount was needed to get the pool in running condition. Motion made by Everett Skinner, seconded by Paul Spadoni, to amend the amount in this motion to read \$2,500.00.

PASSED AS AMENDED

ARTICLE 10: Motion by Terrance Holbrook, seconded by Richard Silveira, the Finance Committee recommends and I so move that the Town vote to raise and appropriate from taxation the sum of \$3,900.00 to fund salaries associated with a walking patrol for the Police Department from July 1, 1983 to September 3, 1983.

SO VOTED

ARTICLE 11: Motion by David Swanson, seconded by Ugo Bona, the Finance Committee recommends and I so move that the Town vote to transfer from the Police Portable Radio Account the sum of \$1,500.00 to fund the purchase of cruiser equipment for FY 83.

SO VOTED

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.00) for the purpose of providing a part-time clerical position for the Police Department, or do or act in any manner relative thereto.

Motion by Richard Silveira, seconded by Ugo Bona, the Finance Committee recommends and I so move that the Town vote to raise and appropriate by taxation the sum of \$2,000.00 to fund experimental computer programming assistance for FY 84, such funds to be expended under the direction of the Police Department and Town Administrative Assistant.

Motion by Arthur Roy and seconded by John O'Neil to amend the amendment to read "to be expended under the direction of the Police Department."

AMENDED AMENDMENT CARRIED

ARTICLE 13: Motion by John Hartshorn, seconded by Ugo Bona, the Finance Committee recommends and I so move that the Town vote to transfer from the Police Department Out-of-State Travel Account the sum of \$150.00 to fund additional expenses of the Police Department FY 83.

UNANIMOUS VOTE

ARTICLE 14: To see if the Town will vote to accept the provisions of Massachusetts General Law, Chapter 44, Section 53E.

Motion by Chief Sandland, seconded by Arthur Roy, to accept this article as printed. Chapter 44, Section 53E reads as follows:

53E. Appropriations Offset by Estimated Receipts From Fees:

Notwithstanding the provisions of section fifty-three, a city or town which accepts the provisions of this section may specify when making an appropriation for the annual ordinary operating costs of any agency, board, department or office of said city or town that such costs may be offset, in part or in the aggregate, by the estimated receipts from the fees charged to users of the services provided by such agency, board, department or office.

The use of such fees shall be limited to an amount not to exceed the actual amounts received during the previous fiscal year or such other estimated amount as may be approved, in advance of appropriation, by the commissioner of revenue or his designee, and which is based upon adequate documented material supporting such estimated amounts.

Receipts so allocated shall be deposited in a special account by the city or town treasurer or otherwise specifically identified and may be expended for the purpose allocated without further appropriation. Any balance in such accounts at the end of the fiscal year shall be deposited into the general treasury of the city or town.

Any deficit resulting from any city or town acting under the provisions of this section shall be reported by the auditor, accountant or other officer having similar duties, or by the treasurer if there be no such officer, to the assessors, who shall include the amount so reported in the aggregate appropriations to be assessed in the next subsequent annual tax levy, unless the city or town has provided funds to eliminate such deficit. Any deficit so incurred must be raised by taxation and shall be subject to all applicable provisions of chapter fifty-nine.

Each agency, board, department, or office shall prepare an annual report of the change in cash balances in such entity which shall detail the cash receipts and disbursement for the year and shall be submitted to the mayor, city council, city manager, board of selectmen or town manager for their review, and a copy of said report shall be submitted to the director of the bureau of accounts. Such report shall be prepared and submitted within forty-five days after the close of the fiscal year.

All such sums, so allocated, shall be treated as amounts voted from available funds for the purpose of deduction in accordance with the provisions of section twenty-three of chapter fifty-nine. All amounts voted from available funds shall be itemized in a schedule, on a form approved by the commissioner of revenue, prepared by the city or town clerk and included with the submission for approval of the tax rate by the commissioner of revenue as provided in section twenty-three of chapter fifty-nine. The assessors shall further attest, on said schedule, that the receipts itemized therein have not been included in any other deduction from the gross amounts to be raised. (Added by 1981, 339 Section 1, approved, with emergency preamble, July 14, 1981.)

SO VOTED

ARTICLE 15: To see if the Town will vote to allow the Police Department to retain all fees received for the photocopying of police reports, pursuant to the provisions of M.G.L.A. 44, Section 53E: said fees shall be expended for the purchase of supplies and for the replacement and/or repair of the department's photocopying equipment.

Motion by Walter Sandland, seconded by Robert Hartnett, to accept Article 15 as printed.

SO VOTED

ARTICLE 16: Motion by Ugo Bona, seconded by David Swanson, the Finance Committee recommends and I so move that the Town vote to transfer from the Interest on Loans & Maturing Debt Account the sum of up to \$500.00 to remove a window and install an Anderson casement window, and insulate heating lines in the Tax Collector's & Treasurer's office.

Mr. Hartnet spoke in opposition to this motion and Mrs. Parker spoke in favor.

Mr. Reid called the question and it was voted. Mr. Spadoni called a point of order, stating that the call for the question was not seconded. Mr. Hoyt seconded the call for question.

ARTICLE 16 PASSED

ARTICLE 17: To see if the Town will vote to accept the provisions of Clause 41B in Chapter 59, Section 5, or do or act in any manner relative thereto. (Note: This clause increases the eligibility of elderly persons for real property exemptions).

Motion by Robert McAlice, seconded by William Clarke to accept Article 17 as printed.

Mr. Spadoni asked for an explanation of the article and Mr. McAlice gave a brief summarization. Mr. Hoyt spoke in favor of this article as a way of relieving the burden on elderly people.

PASSED UNANIMOUSLY

ARTICLE 18: To see if the Town will vote to purchase a new Tanker/Pumper equipped for the Fire Department and raise a sum not to exceed \$120,000.00 and to determine the manner of raising and appropriating the said sum. Said sum to be expended by and under the direction of the Chief of the Fire Department, or do or act in any manner relative thereto.

Motion by Joseph Gormely, seconded by Robert Hartnett, to table this article until next Town Meeting.

UNANIMOUS VOTE

ARTICLE 19: To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of sixty-five thousand dollars (\$65,000.00) for the purchase of equipment and renovations for the Mutual Dispatching Center for the Police & Fire Departments, or do or act in any manner relative thereto.

Motion by Joseph Gormley, seconded by Robert Hartnett to table this article until next Town Meeting.

UNANIMOUS VOTE

ARTICLE 20: To see if the Town will vote to raise and appropriate the sum of \$60,000.00 for the purpose of funding a Water Quality Study for the Town of Plainville, said sum to be expended under the direction of the Water Commissioners, or do or act in any manner relative thereto. (If by borrowing, a 2/3 vote is required).

Motion by Walter Coleman, seconded by Robert Hartnett to table this article until the next Annual Town Meeting.

SO VOTED

Mr. Felix thanked the people for coming out in the heat to attend the meeting and particularly thanked the members of the Landfill Study Committee for the time and work put in to gather the information for its report in preparation for the first two articles of this Town Meeting.

On motion by Arthur Roy, seconded by Robert Hartnett, the meeting was adjourned at 10:47 P.M.

Respectfully submitted,

KATHLEEN M. SANDLAND
Town Clerk

KMS/jc

Note: A tape recording of these minutes is on file in the office of the Town Clerk.

Annual Report

of the
SCHOOL COMMITTEE

OF

PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30, 1983

REPORT OF THE SCHOOL COMMITTEE

The Plainville School Committee had a year of gratification and unparalleled unity of purpose after a period of controversy and frustration.

Following the recommendations of its new Superintendent, Francis J. Cinelli, the committee adopted policies which have strengthened the school system tremendously. Some of the changes include:

- 1) A new budgetary system presented by the superintendent which is zero-based and stresses accountability.
- 2) Monthly school committee meetings which enable the superintendent to concentrate on his supervising principal's duties, thus reducing the pressure of preparing for bi-weekly meetings.
- 3) A revolving account for monies derived from facility user fees to fund field trips and other student activities.
- 4) The unanimous acceptance of a traditional school calendar for the 1983-84 year by the Tri-Town Committee. This will avoid the extended school year experienced this June.
- 5) A policy requiring all students to be five years of age by September 1st of the year they enter kindergarten. This policy becomes effective in September, 1984. It is hoped that this policy will reduce the special education population which suffers from maturation problems.
- 6) The use of end of the year surplus funds to hire an additional second grade teacher for the 1983-84 school year and to alleviate large class size problems. The committee also voted to spend surplus funds for computer equipment to begin a computer literacy program. The committee did not want Plainville students to be at a disadvantage at the regional level since Norfolk and Wrentham have already established computer literacy programs.
- 7) Adoption of the superintendent's plan for curriculum revision to upgrade one subject area per year. This year the reading program will be examined thoroughly and appropriate changes will be made. Money for this was budgeted and received town meeting approval. Next year the math curriculum will receive the same treatment.

It became apparent during the Tri-Town meetings that there was little interest in total regionalization K-12. This proposal originated with Mr. Costa and the regional school committee.

Two new members were elected to the School Committee in the March elections. Mrs. Patrice Giovanoni of Colonial Way and Mr. John O'Neil of Horseshoe Drive replaced Mr. Paul Camber and Mr. Raymond Clontz, neither of whom sought re-election.

At the reorganization meeting Mrs. McGrath was re-elected committee chairperson, Mr. Galligan vice-chairman, and Mr. Grant representative to the regional school committee.

The committee and community were deeply saddened by the passing of three students during the past year and would like to extend their sympathy to the families and friends of Jared Fisher, Michael Wiklund and Gina Smith.

On a happier note, the committee would like to acknowledge the 25th anniversary of Dorothea Donnelly as a teacher in the Plainville Public School system. Her service and dedication to the children of Plainville cannot be adequately described in words. Thank you Mrs. Donnelly. I think the committee speaks for the community.

Last Fall the Plainville Education Association voted to modify their contract at the request of the new superintendent. This modification reduced student lunch time from 45 minutes to 30 minutes. Mr. Cinelli claims that this agreement by the teachers improved the management of the school system 100% from the first day of school. The committee would like to extend its appreciation to the Plainville Education Association and commend each and every member for taking action which has vastly improved the school system.

In closing, the Committee would like to thank the residents of Plainville for their moral and financial support of their public schools, and the staff of the Plainville schools for their support and understanding during a year of transition with a new superintendent. The Committee feels it has turned the corner and is progressing forward under new guidance and leadership.

Respectfully submitted,

MARGARET M. McGRATH
Chairperson

REPORT OF THE SUPERINTENDENT OF SCHOOLS

It is with pleasure that I submit this second annual report to you as Superintendent of Schools.

Completing my first year as Superintendent has been a rewarding experience. The school committee, faculty, students, parents and community have been extremely cooperative and supportive of my new methods and policies. The school system, because of this positive unity, is advancing forward on a course designed to improve curriculum and instruction for all students.

A new reading program will be implemented during the 1983–84 school year. Our goal is to provide as much individual instruction as possible while trying to meet the needs of low, average, and above average students. A new spelling program began in September. It complements and enhances our language arts program. In addition, the Rinehart Handwriting Program was restored after some absence due to financial limitations. In the next two years I hope to re-examine and update the math and social studies curriculum in a systematic manner with the intention that the entire curriculum will be reviewed on a subject by subject basis at least once every five or six years.

Our 1983–84 Block Grant funding will continue to implement the S.C.I.I.S. science program. Also, we will be applying for two more Commonwealth Inservice Institute Grants in the areas of computer literacy and the Early Prevention of School Failure (E.P.S.F.) program. Both would benefit the system immensely. Last year Plainville was the recipient of two Commonwealth Inservice Grants in reading and early childhood education. They were well subscribed by faculty members and a definite asset to the system. Chapter I was funded in excess of \$15,000. These funds allow for remediation in math and reading for our first and second graders.

In order to save money the school department again joined the Project SPOKE Purchasing Collaborative. This bidding collaborative provided the lowest prices possible for general, art, and custodial supplies, fuel oil and gasoline, and both computer hardware and software. The municipal side of government has also become a part of this collaborative at no additional cost but with considerable savings to the town.

In September the kindergarten staff produced a new informational handbook designed by Mrs. Nancy Cronin and Mrs. Donna Dion. This booklet complements the new systemwide handbook for parents and students designed by Miss Jo-Ann Bourgeois, Mr. William Fasulo, Mrs. Dorothea Donnelly, Mrs. Barbara Fluck, Mrs. Patricia Walls, Mrs. Priscilla Armour, and myself. This handbook received considerable input from the newly established Parent Advisory Council.

The Parent Advisory Council met bi-monthly and discussed the parental concerns of the system. Each meeting opened with a report by the Superintendent and lasted approximately 90 minutes. P.T.O. meetings followed the P.A.C. meetings. The P.A.C. was directly responsible for the following changes in the system.

- An Orientation Night in September, replacing the annual Open House
- A monthly calendar of events and school lunch menu sent home on the last day of the month
- A Time for Sharing - food collection program to assist the families of needy students at Thanksgiving and Christmas times

The Plainville Parent Teacher Organization continues to support the public schools through its fund-raising activities. The P.T.O. sponsored the Gerwick Puppets, Snakes Alive, the Foxboro Jazz Ensemble, two book fairs, transportation to the Youth Symphony Concerts and for numerous field trips. The P.T.O. does its share and more. The organization and I hope that every Plainville school family will join in 1983-84. Dues are \$2. per family.

A new contract for student pictures was awarded to T. D. Brown for the King Philip district. This was accomplished by a district-wide bidding process which resulted in considerable savings to parents and students.

The Plainville School System introduced new report cards in 1982-83 which were well received by parents and students. A new progress report was also instituted. Students received these midway between marking periods. These reports are designed for both positive and negative comments and are given to all students. The results of the Iowa Tests of Basic Skills were sent home to parents for the first time, along with results of the state mandated basic skills testing program. The results were excellent, with only 2 students failing any portion of the reading, language arts, math, and listening skills tests.

The following heralded programs continued in the Plainville schools through the generous donations of individuals and religious, social and fraternal organizations and self-supporting contributions.

- Web of Life Outdoor Education Program at Sandwich, Mass. — a one week boarding in program for sixth graders held in the Spring.
- Whale Watch — a one day ocean trip out of Plymouth, Mass., for sixth graders held in the late Spring.
- Field Days for all students in both schools.

For the first time in several years the Plainville School System purchased some badly needed reference materials for the Wood School Library and audio-visual equipment for both schools. Two sets of encyclopedias were purchased and a third new set was donated by a generous individual.

In September the Computer Literacy Committee, co-chaired by Mr. Fasulo and Mrs. Saucier, continues the work begun last Spring to develop a computer literacy curriculum for the system and to recommend the best way to implement such a program.

Miss Kathleen Moran was granted a one year alternative career leave of absence. She will be replaced by Miss Cheryl Mazzeo.

I would like to thank the committee for its cooperation and support during the year. Their professional and decision making behavior have established policies which have moved and will continue to move the Plainville School System forward. Their actions will have a positive effect on all students, thus enhancing the educational establishment.

Respectfully submitted,

FRANCIS J. CINELLI
Superintendent of Schools

SCHOOL CALENDAR - 1983-84

WOOD ELEMENTARY SCHOOL

First term opens September 7, 1983
 First term closes November 12, 1983
 Second term opens November 14, 1983
 Second term closes January 27, 1984
 Third term opens January 30, 1984
 Third term closes April 6, 1984
 Fourth term opens April 9, 1984
 Fourth term closes June 15, 1984

JACKSON ELEMENTARY SCHOOL

First term opens September 7, 1983
 First term closes December 9, 1983
 Second term opens December 12, 1983
 Second term closes March 16, 1984
 Third term opens March 19, 1984
 Third term closes June 15, 1984

HOLIDAYS

NCTA Convention – September 30, 1983
 Columbus Day – October 10, 1983
 Veterans' Day – November 11, 1983
 Thanksgiving – November 23–25, 1983
 M. L. King Day – January 16, 1984
 Memorial Day – May 28, 1984

SCHOOL SESSIONS

Kindergarten (Morning Session)	9:00 a.m. to 11:30 a.m.
Kindergarten (Afternoon Session)	12:30 p.m. to 3:00 p.m.
Grades 1–6	9:00 a.m. to 3:00 p.m.

NO SCHOOL news will be given over Radio Station WARA – 1320, WBZ – 1030, and WEAN – 79

Normally, if King Philip Regional High School has no school because of weather, the Plainville Elementary Schools will not be in session.

Regular meetings of the School District Committee are held every first and third Monday of the month at the King Philip Regional High School at 7 p.m.

King Philip Regional School District Wrentham, Massachusetts

REPORT OF THE CHAIRMAN

The committee continues to strive for excellence in education while working within the stringent financial demands of Proposition 2½. Proposition 2½ was designed to function at the city-town level. It does not have provisions meeting the needs of regional schools that by statute must operate more as towns than as town departments, yet draw financial support from member communities which are in difficult fiscal circumstances.

It is very complex and leads to many misunderstandings. Recent meetings with the finance—advisory committees and boards of selectmen will hopefully lead to greater openness, understanding and co-operation in dealing with problems of mutual concern.

This year we lost three experienced and valued administrators who retired from King Philip. Dr. Joseph S. Nicastro, Director, King Philip Regional Vocational High School; Anthony DiRe, Principal, King Philip Regional School—North; and Frank Hart, Assistant Principal, King Philip Regional School. They were skilled, dedicated and loyal to King Philip. The committee and I wish them good health, happiness and success in all of their future endeavors.

The health of students and staff is always of concern to the committee. We were pleased when the asbestos testing revealed that no hazard existed in the schools. The independent testing company analyzed core samples of insulation as prescribed by the Environmental Protection Agency and found asbestos only in a few pipes in the boiler rooms, and that asbestos was encapsulated, posing no risk. There was a previous test three years ago in which air samples were filtered to detect particles. The schools very successfully passed that test also.

Within the area of health and safety the students have formalized their group ‘SADD,’ Students Against Drunk Driving, to combat teenage drinking and the related motor vehicle fatalities. Another activity supported by the committee is the King Philip Counseling Clinic that has broadened mental health services for students and parents in the District. Since motor vehicle accidents and suicide are the leading causes of death among teenagers, it is appropriate that we try to keep them mentally and physically healthy to assist them in realizing their potential as happy, successful, productive citizens.

Two important areas of development currently being implemented are the challenging advanced placement and computer based courses. There have been rapid and significant changes made in these areas.

The committee has to a large extent depleted its Excess and Deficiency Account in fulfilling the demands of the high school accreditation report, updating and replacing equipment and textbooks that have not been purchased in sufficient quantities in the last four years, maintaining and repairing facilities, and entering the “computer age” in both the vocational and academic high schools.

Each was an important step, subject to some criticism, but motivated by the absolute necessity of enhancing the quality of the curriculum to meet student academic/vocational requirements and maintaining the physical plant. As the Superintendent’s report will indicate, our future finances appear at this time to be rather tenuous.

Everything considered, it has been a very good year, and although Proposition 2½ continues to cloud our financial future, we shall meet it with optimism and energy. In the long run the public will have the kind of schools it wants and is willing to support. We feel the public demands educationally effective and cost efficient schools. We shall continue to work toward these goals even more strenuously in the future than we have in the past. The combined efforts of the School Committee, communities served, students, parents, faculty and administration can realize the unique potential of the Regional District and attain the goal of an even greater quality of education for each student.

Respectfully submitted,

MARCELLA WYLIE, *Chairman*
King Philip Regional School District Committee

REPORT OF THE SUPERINTENDENT

I herewith submit my eleventh annual report as Superintendent of the King Philip Regional School District.

Currently there is considerable concern throughout the nation regarding the quality of public education. The recommendations published by several study committees reflect the educational philosophy pursued at King Philip and the direction of change over the last decade.

At King Philip we have always taken an approach unique from other Massachusetts' schools. The secondary schools' physical plant was designed to house curriculum programs based upon meeting the needs of all students. The second phase has been the constant improvement of individual courses and course sequences to provide quality programs to challenge students at every achievement level, whether their interests are college entrance or entry level in a trade or business area.

The District has been and remains committed to quality education and dedicated to innovation in strengthening courses, sequences, methods and materials.

It is obvious to us that school achievement can be enhanced by the procedures we are implementing:

1. Strong leadership at the school level
2. High expectations by all staff in all schools for their personal professional performance and the performance of their students
3. An orderly productive climate
4. Strong continuing emphasis on teaching basic skills
5. Frequent monitoring and evaluation of teaching, staff, and students' progress
6. Proper allocation of available resources by establishing priorities

I am highly optimistic about these programs, but only cautiously optimistic about our future finances.

Educationally we know where we are and what is needed to develop excellence in our courses of study. Financially we have endured two 4% spending caps and are entering the third year of Proposition 2½. Four factors have helped to offset the marginal increases in local support:

1. Stable energy costs
2. Recent increases in some areas of state aid
3. The staff's prioritizing of needs and exercising restraint in requests
4. The school committee's determination, despite considerable criticism, to meet student needs by deficit financing and the use of its Excess and Deficiency Account

Stable fuel prices are far from a certainty and state aid is a political variable. The Excess and Deficiency Account is becoming depleted and some budget areas have been reduced to dangerously low levels to save staff.

With cooperation, tenacity, and a sense of purpose we can make Prop. 2½ a survivable impediment, not a fatal disease. Obviously, for the welfare of the students whom we serve, that must be done.

SENIOR HIGH SCHOOL – ACADEMIC DIVISION

King Philip Regional High School received accreditation from the New England Association of Schools and Colleges because of excellence in program offerings.

Many of the recommendations made by the Association were instituted during the school year. A Parents Advisory Council was formed and met several times to discuss educational issues and to increase awareness of the high school curriculum.

Curriculum development included the continuation of advanced placement courses in English and Biology, with several students continuing the MIT High School Studies Program, as well as the development of a complete computer program starting with Computer Literacy thru Computer Programming to Advanced Topics in Computer Programming.

To meet student needs and interest, other courses were added to the Program of Studies such as Chorus, Graphic Design, Ceramics, High School/College Reading and Study Skills, American Political Studies, and Conversational Spanish. Low enrollment courses were eliminated.

Beyond the addition of new courses, there was a renewed student interest and spirit in the extra-curricular activities offered at the high school. There was an increase in the number of participants in the athletic program, band, color guard, drama, and activities coordinated by the different school clubs and organizations.

SENIOR HIGH SCHOOL – VOCATIONAL DIVISION

The vocational division of the senior high school continued its past practice of servicing the needs of the students, the school building facilities, the regional school district, and the three member communities.

During the 82–83 school year extensive renovations were made in the Automotive Department; i.e., tire racks were fabricated, all the lifts were serviced and repairs were made to the automotive machinery. The carpentry class completed its twenty-third home. A ranch style home was built on Grove Street, Norfolk. The home incorporated a substantial number of innovations designed by the owners, the carpentry instructor, and the Architectural Drafting Department. The Electrical Department wired the residence. In addition to the house project, the Carpentry Department built a shed to house the graduation platforms. Repairs were also made to the bleachers. The carpentry laboratory for occupational classes was completely renovated, moving the Project Share Lab and housing it in the Plant Maintenance area of the Plumbing Department. This move was successfully made after extensive coordination between the electrical, carpentry, plumbing and sheet metal disciplines.

The services of the Electrical Department were used throughout the Junior and Senior High School. Three math classrooms were wired for IBM computers and counter tops and cabinets were constructed by the Carpentry Department to house the equipment.

The Culinary Arts Department continued the practice of preparing food and pastry for extra-curricular functions sponsored by service agencies. A 120 gallon water heater was installed in the Foods Area and it solved the problem of short supply of hot water.

During the summer of 1983 a Graphic Arts Department was established at King Philip Regional High School. The equipment covers the full graphic arts industry, including typesetting by computer, photography, plate making, presses, and a complete bindery operation.

King Philip students can now be offered a complete graphic arts curriculum in both vocational and the occupational areas.

This new shop area required the extensive services of the Electrical and Plumbing Departments to place it in operation. We are proud to say that this department is exceptionally well equipped and expands our educational offerings to the students of the King Philip Regional School District.

The Vocational Division is engaged in the on-going process of self-evaluation prior to a Chapter 74 evaluation and accreditation by the Southeastern Regional Office of the Division of Occupational Education.

JUNIOR HIGH SCHOOL

A very well attended Open House was used as a “kick-off” for the development of a District Parent Advisory Group. Both the senior and junior high school principals met as an administrative team with parents to discuss common educational concerns.

The Principal’s Advisory Committee, along with parental representatives, met regularly to revise the Parent/Student Handbook.

Staff participated on the Regional Computer Study Committee which led to the system-wide development of a computer education program. The 1982–1983 school year will see the inception of computer instruction for our Eighth Grade students.

The Awards Ceremony in June continues to be a high point in the academic year providing considerable motivation to improve individual achievement.

The junior high school students conducted a very successful candle sale to help in supporting the Student Activities Fund. We are pleased that in these difficult financial times they are striving to finance their activities.

DISTRICT – SPECIAL SERVICES

Overall, the special needs program has remained stable. After approximately eight years of growth, starting with the advent of Chapter 766 in 1974, the student population has begun to level off. We did have an unusually large group (exceeding 100 students) at the junior high school last year and this is being reflected in the high school population this year. However, that is viewed as the exception rather than the rule, and will occur periodically.

The 1982–1983 school year saw the combining of special needs and guidance programs District-wide for the first time since 1974. This is an important positive step in unifying and coordinating all student services. One program cannot work totally independently of the other. Long term goals are to establish both groups in a joint program of providing consistent services in both areas for our students.

With the coming of the computer age we are finding it important to involve all students to some extent in the use of computers. To this end we will be introducing some special needs math students to the computer before the end of the year. In some ways, as a learning tool rather than a future employment skill, the computer has more to offer special needs students than many other specialized groups or individuals.

Furthermore, we must look to the computerization of much of the information requested by the state. Tentative long term plans are to put programs and statistical data onto discs for quick recall and reduction of lengthy routine tasks now performed by teachers and secretaries. It is also hoped that by purchasing compatible software both guidance and special needs will benefit at all levels.

Programmatically we have also set up a new curriculum at the high school for some students who have the need of constant student–teacher interaction. This is in its first year (1983–1984) and will be evaluated carefully throughout to determine its effectiveness and how it will impact on future staffing patterns.

Presently all staff are being utilized maximally and yet we have maintained a certain flexibility to the program which affords us some ability to adjust for student program changes, new student transfers and individual differences. Overall, we are providing for the needs of our students with a very caring and cooperative staff.

Conclusion —

The School Committee has actively participated and supported us in our many endeavors. Its leadership and cooperation remain active and vital. I also sincerely appreciate the efforts of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers and administrators in all of our schools. The success of the schools is dependent upon the interaction of all who teach, learn, serve, and support the schools of the regional district.

Respectfully submitted,

WILLIAM J. COSTA

REPORT OF THE BOARD OF ASSESSORS

The revaluation process by Appraisal Consultants of New England Corp. has been successfully completed to the satisfaction of the Board. While there were some expected problems in general they have performed a very satisfactory service and we look forward to using them again for our updating of values as required by law.

The Board of Assessors met every Monday evening from 7:00 p.m. — 9:00 p.m. and is always available for consultation by simply making an appointment with one of our clerks.

Higher taxes are everyone's concern, and the Board is making every effort to have a stable tax rate for the next few years. Hopefully new construction will be strong, municipal expenditures prudent, and the combination of the two will assure a level rate.

We wish to thank the taxpayers for the patience and understanding during revaluation — our clerks, the Board of Selectmen, Town Accountant, Tax Collector, Town Clerk and Treasurer for their help during this period.

Respectfully submitted,

DAVID LOMASNEY

REPORT OF THE FINANCE COMMITTEE

To the Honorable Board of Selectmen

Finance Committee Budget — FY 1983

7/1/82 —	Beginning Balance	\$ 300.00
2/22/83 —	Association of Finance Committees — Dues	\$ 65.00
5/9/83 —	Sun Chronicle — Ads for Revenue Sharing Hearing	30.56
8/3/83 —	Presidential Printing — Special Town Meeting, June 20, 1983	7.00
	<u>Total</u>	<u>102.56</u>
	Balance	\$ 197.44

Transfers from Reserve Account FY 1983

7/1/82 —	Balance	\$10,000.00
1/24/83 —	Civil Defense — Telephone of Generator Cable T.V.	175.00
1/24/83 —	Board of Selectmen — Employee Education Expense	1,015.00
1/31/83 —	Town Treasurer — Check Writing Machine	1,900.00
4/25/83 —	Town Office Maintenance — Utilities & Maintenance	4,000.00
5/17/83 —	Dog Officer — Call Expenses	720.00
5/31/83 —	Zoning Board of Appeals — Ads, Postage Expenses	400.00
7/19/83 —	Park Department — Pool Opening & Repairs	600.00
7/19/83 —	Tax Collector — Tax Bill Expenses	950.00
	<u>Total</u>	<u>\$9,760.00</u>
	Balance	\$ 240.00

We invite Plainville citizens to attend our weekly meeting to express their views on any financial matters of the Town. Our meeting night for FY 1984 is every Tuesday at 7:30 P.M.

REPORT OF THE CAPITAL EXPENDITURES PLANNING COMMITTEE

To the Board of Selectmen:

During the 1982–1983 Fiscal Year there were a number of changes within the CEPC.

Chairman Michael Robbins found it necessary to resign from the CEPC due to increasing business demands on his time. The CEPC thanks Mr. Robbins for his years of service to the community in his capacity on the CEPC.

In April 1983 Mr. Joseph Gormley, member-at-large of the CEPC, met with the Board of Selectmen to request that the CEPC be reactivated and brought up to its full complement of four at-large members.

In May 1983 the Board of Selectmen appointed Mr. Steven Cobb and Mr. Philip Sias to the CEPC. Following the appointments, a meeting of the CEPC took place for the purpose of electing officers and establishing an agenda for the fiscal year 83–84. The results of the election was as follows:

Chairman – J. Gormley
Vice Chairman – S. Cobb
Secretary – P. Sias

As a result of the May 1983 meeting, a letter was sent to all Boards and Commissions reminding them of the existence of the CEPC and the importance of returning a completed and up-dated six year capital program. A copy of each department's summary sheet is attached to this report.

The CEPC did not act on any requests for capital items during the Fiscal Year 82–83.

Requests for Capital Items for Fiscal Year 83–84 have been returned to the CEPC and it promises to be an active year.

Respectfully submitted,

J. GORMLEY, Chairman
S. COBB, Vice Chairman
P. SIAS, Secretary
C. LOVELY, Member-at-large
A. ROY, Selectman
R. SILVEIRA, Finance Committee
A. SOUCY, Planning Board

REPORT OF THE TOWN COUNSEL

The following is a listing of the pending litigation involving the Town of Plainville, with a brief description of the nature of the action and of its present status:

1. *James H. Congdon v. Town of Plainville.*

This is an action brought by the plaintiff in the Superior Court for Norfolk County in which he seeks damages of \$50,000. for injuries sustained while he was operating his motorcycle on November 23, 1979, on the former railroad right-of-way near Carlton Road. The Town has denied liability for such damages. The case undoubtedly will go to trial.

2. *David Lumnah v. Town of Plainville.*

This is a complaint brought by the plaintiff in the Wrentham District Court in which he seeks in the amount of \$575.00 for damage to his motor vehicle which he says occurred on or about February 17, 1979, because of an alleged defect in Pleasant Street, a public way in Plainville. The Town has denied liability and the case will possibly go to trial.

3. *R. Zoppo Co., Inc. v. Town of North Attleborough v. Whitman & Howard, Inc., and Town of Plainville.*

This is an action brought in the Norfolk County Superior Court in which the plaintiff seeks to recover from the Town of North Attleborough approximately \$265,000. for additional labor, materials and equipment it claims were required to construct an interceptor sewer from the Plainville – North Attleborough line to the North Attleboro Sewage Treatment Facilities. The Town of North Attleborough has joined the Town of Plainville as a third-party defendant in such action on the basis of a written contract entered into by the two said towns on March 14, 1972. It is my understanding that a settlement of this case is being worked out by the Town of North Attleborough with the R. Zoppo Co., Inc.

Very truly yours,

JOHN P. LEE
Town Counsel

REPORT OF THE INDUSTRIAL DEVELOPMENT FINANCING AUTHORITY

Gentlemen:

There were no applications for Industrial Revenue Bond financing received during the Fiscal Year July 1, 1982 to June 30, 1983.

Respectfully submitted,

WARREN ALLEN, Chairman
GRACE SIMMONS
JANICE ROUNDS
KARL GRUBE
RAYMOND MILLER
Industrial Development Financing Authority

REPORT OF THE ZONING BOARD OF APPEALS

To the Honorable Board of Selectmen:

We are pleased to submit the following report of activities of the Zoning Board of Appeals for the period July 1, 1982 through June 30, 1983.

There were twenty-two (22) hearings, consisting of nine (9) for variances, six (6) requests for special permits, six (6) requests for earth removal permits, and one (1) request to appeal the decision of the Building Inspector. There were three applications withdrawn without prejudice.

The Board received and paid to the Town Treasurer \$990.00 for application filing fees. The Board was appropriated a budget of \$1,050.00 and was approved an additional \$400.00 to accommodate expenses. The Board expended \$1,320.40, leaving a balance of \$129.60 which was returned to the Town.

Total Expenses — July 1, 1982 to June 30, 1983:

Purchased Labor	\$ 720.00
Office Supplies	74.25
Postage	52.54
Publication of Hearings	433.61
Subscriptions	40.00
Total Expended	\$1,320.40

Respectfully submitted,

GERALDINE PERRY, Chairwoman
Zoning Board of Appeals

REPORT OF THE LANDFILL STUDY COMMITTEE

MAY 2, 1983

INTRODUCTION

In April 1982 the Town of Plainville defeated an article at Town Meeting which would allow the transfer and use of Belcher Street as part of the landfill operation. The feeling was that most people did not have sufficient information on which to base a decision. A motion to create a committee to obtain that information was narrowly defeated. Although the article was defeated, the debate and concern over the landfill continued and many questions were raised concerning the landfill and the protection of the citizens and resources of Plainville.

In October 1982, at the request of the Town Moderator, the Board of Selectmen appointed the Landfill Study Committee. The objectives of the Committee are to evaluate the environmental and financial impact of assigning Belcher Street to the current landfill operator, to provide the public with as much information as possible on which to base a decision, and to make a recommendation on whether or not the assignment would be in the best interest of Plainville. To meet these objectives,

the Committee reviewed Town files on the landfill, applicable laws and regulations, and other documents relating to the landfill operation. Officials of the Department of Environmental Quality Engineering (DEQE), the Bureau of Solid Wastes, the Plainville Board of Health, Laidlaw Waste Systems of Plainville, and Camp, Dresser & McKee were interviewed at several public information meetings.

At these meetings the public was afforded the opportunity to hear the comments of these officials and to have their questions answered. Several of the meetings were video-taped and replayed on cable television. In addition, various Committee members interviewed state and local officials and reported back to the full Committee.

This report is divided into four sections. Section one reports on the background of the landfill, including its design and construction. Section two presents the environmental aspects, and section three the financial aspects of the landfill. The Committee's conclusions and recommendations are presented in section four.

BACKGROUND

The Plainville Sanitary Landfill is located at the intersections of Routes 1 and 495 on land owned by Joseph Lorusso. Four parcels of land were assigned for a landfill operation by the Board of Selectmen/Board of Health as follows:

PARCEL	NUMBER OF ACRES	DATE ASSIGNED	DESCRIPTION
1 & 2	106.6	1974	The property consists of one 76.1 acre site and one 30.5 acre site separated by Belcher Street. It is bordered by Rte. 495 on the south, Foxboro on the east and Wrentham on the north.
3	31.6	1977	This is the current location of the rock crushing plant and other equipment used by the sand and gravel operation. It is bordered by Wrentham on the north and Rabbit Hill Pond on the northeast.
4	16.1	1977	This piece of land is owned by the Commonwealth of Massachusetts and is the site of the proposed Resource Recovery Center.

At the present only parcels 1 and 2 are approved and operated as a landfill.

This 106.6 acres is also operated as a rock quarry. The landfill operation began in 1975 under the direction of Clean Communities, Inc., a subsidiary of Southern Development Corporation of Peabody, Massachusetts. Since January 1981 the operations have been under the direction of Laidlaw Waste Systems of Plainville, a wholly owned subsidiary of Laidlaw Industries of Canada.

The 106.6 acre site is developed in a series of phases. For each phase the operator must prepare plans and receive approval from the Department of Quality Engineering (DEQE) before the phase can be used as a disposal site. Camp, Dresser & McKee, Inc., of Boston has been involved with the design, construction and expansion of the landfill since its beginning. CDM is paid by the operator to develop plans for DEQE approval, as well as conducting bimonthly (6 times a year) inspection and certification tests required by DEQE. These tests are required to assure the safe operation of the landfill and to assure that DEQE groundwater protection requirements are being monitored and met.

The landfill is approved by DEQE for up to 750 tons of "household" refuse per day. This refuse is placed on a working area which is compacted and covered with 6 inches of dirt daily. All of this

sits on 18 inches of clay and another 18 inches of gravel. During the sand and gravel operation the land is excavated to within one foot of the ground water table. Clay is then added and compacted to raise the height from the water table to 2½ feet. A collection system of perforated pipes is placed atop the clay “liner” as it is commonly called. The system catches liquid seepage, called leachate, resulting from the breakdown of the trash. On top of the liner an additional 18 inches of permeable material is added, raising the height of the actual “working face” to at least four (4) feet above the ground water table. As trash deteriorates the leachate is filtered through the first eighteen inches of permeable material and then is trapped by the clay liner. The pipe then catches the leachate and transports it by gravity to the holding tanks. These holding tanks are then pumped out and the leachate taken to a sewer plant for treatment and disposal.

In addition to the leachate collection system, there is a system to collect storm water run-off. Through a system of pipes, water run-off is collected from the landfill’s side slopes and drains into a settling basin and then gradually is released into the ground. The landfill also has test wells in and around the area. The wells are used by CDM to test for groundwater contamination in accordance with DEQE regulations. All test results are sent to the DEQE, the landfill operator, and the Plainville Board of Health.

Life Expectancy of the Landfill

The life expectancy of the landfill depends on a number of variables such as the number of tons of rubbish approved and received per day, the construction of the Resource Recovery Center, and the future approval of the assigned area. For the purpose of this report, the landfill’s life expectancy was derived by using the current 106.6 acres (parcels 1 & 2) at 750 tons per day at approved levels with and without Belcher Street, and with and without the Resource Recovery Center:

	WITHOUT BELCHER ST.	WITH BELCHER ST.
Current operation	14 – 15 years	17 – 18 years
Resource Recovery	20 – 25 years	20 – 15 years

The addition of Belcher Street adds about three years to the life of the landfill, or about 234,000 tons of rubbish per year. Belcher Street, however, has little or no effect on the landfill life when discussing the Resource Recovery Center. This is because the Commonwealth has an option to purchase 20 years capacity for the Recovery Center residue regardless of whether Belcher Street is assigned as a landfill site. The 20 to 25 year time frame is dependent upon when the Resource Recovery Center goes into operation.

ENVIRONMENTAL ASPECTS, SAFEGUARDS and ENFORCEMENT

The Department of Environmental Quality Engineering (DEQE) is the state agency charged with the responsibility to assure the safe and environmentally sound operation of the landfill. It has issued guidelines and regulations governing site selection, approval, and operation of all landfills. All plans for expansion of existing sites must be reviewed and approved by DEQE. In addition, these regulations provide for on-site inspections and testing by DEQE to control and regulate the operation and to protect the environment. The regulations allow the operator to select and pay an engineering firm to conduct the tests and inspections required by DEQE. Camp, Dresser & McKee (CDM) does this for the Plainville Landfill and reports its findings to DEQE, the operator, and the Plainville Board of Health. DEQE has the authority to impose penalties if the operator violates DEQE requirements.

In discussions with DEQE officials, the Committee learned that DEQE representatives visited the Plainville Sanitary Landfill only once in the year 1982. The inspection and testing requirements and the monitoring by DEQE are met through “desk audits” of reports received by CDM. DEQE officials further stated that because of drastic understaffing there is only one staff person to inspect, test, and monitor over 100 landfills, of which Plainville is one. Officials stated that the local Board of Health should be sure that DEQE regulations are met and enforced. In addition, these officials believed that the Plainville Board of Health had the authority to impose penalties for violations of the regulations.

The local Board of Health, however, was under the impression that Plainville's best interests were being protected by DEQE. As a result, few, if any, inspections were made by the Board of Health, or its agents. Until recently visual inspections were not routinely made and the Board of Health continues to rely solely on tests and inspection reports made by the operator's engineering firm. A review of inspection reports indicates that a number of violations continue to re-occur. These include:

- wind-blown litter;
- inadequate daily cover applied at day's end; and
- inadequate supply of cover material on hand.

Although these are considered minor violations and have occurred with less and less frequency since Laidlaw took over the landfill, the re-occurrence suggests that there is a need to inspect the daily operation of the landfill more closely.

DEQE believes that test results show the landfill is being operated in an environmentally sound manner and that groundwater supplies are being protected from contamination. This claim is substantially upheld by the results of recent detailed tests conducted at the request of the Plainville Conservation Committee. Most officials -- DEQE, Board of Health -- agree that Plainville should have some means to independently verify and monitor the testing. In addition, some suggest that the Town should be in a position to take its own tests and compare the results with those reported to DEQE.

FINANCIAL ASPECTS OF THE LANDFILL

The assignment of Belcher Street to the landfill would result in about 700,000 tons of additional rubbish being added to the current approved capacity of the landfill. Obviously the operator would realize a profit on this additional tonnage.

Currently the only financial benefits Plainville realizes from the landfill are about \$70,000 -- \$75,000 in taxes and about \$15,000 a year in "in-kind" services. These "in-kind" services represent the cost of pick-up of Plainville trash, a rubbish truck, and free disposal of rubbish at the landfill.

At the April 1982 Town Meeting it was suggested that Belcher Street be assigned to the landfill operator in return for a \$.50 per ton payment to the Town. This \$.50 fee would apply to all rubbish entering the landfill. At the current approved operating level of 750 tons per day, a \$.50 fee would realize the Town about \$117,000 in additional revenue annually.

CONCLUSIONS AND RECOMMENDATIONS

As the Committee continued its research into the environmental safeguards and enforcement activities, it became painfully evident that Plainville's best interests could only be protected by Plainville itself. DEQE, for whatever reasons, was unable to provide the necessary assurances that Plainville residents and resources were adequately protected. Both DEQE and the Plainville Board of Health have relied primarily on the results of inspections and tests by a consulting engineering firm hired and paid for by the landfill operator.

It also became evident that the landfill as we know it today will be with us for many years, even if the Resource Recovery Plant is built. There are already tons of rubbish buried at the site which needs constant monitoring to assure our environment is protected, not only today but in the future. Violations such as inadequate cover material being placed over the rubbish at the end of the day and wind-blown litter point to the need for close inspection of the day to day operation of the landfill.

Also, the tests now being performed meet only the minimum requirements set forth by DEQE. To satisfy the concerns of the Plainville taxpayers, additional tests and test monitoring activities must be put into place. The results of these and other tests need to be analyzed and compared by experts

paid for and working for the residents of Plainville to assure an independent evaluation of test results. The specifics — that is, the type and the timing of tests and the inspection procedures — should be developed and implemented by the Plainville Board of Health.

It is the Committee's opinion that the Town of Plainville cannot provide the necessary level of environmental safeguards and enforcement activities without placing an additional financial burden on its citizens.

The Landfill Study Committee, therefore, unanimously recommends:

- the transfer of Belcher Street for the use of a landfill **PROVIDING THAT** it can be transferred on the condition of receiving a per ton fee for all rubbish entering the entire landfill **AND THAT** as large a portion of the fees as necessary be utilized to provide constant maximum enforcement of all laws, rules and test requirements to insure the protection of Plainville's citizens and resources.
- that an article be written by legal counsel for inclusion on the warrant for a special Town Meeting to be held prior to June 30, 1983.
- that such an article contain language that effects and creates the following:
 - A. That a sum of money, but not less than fifty (50%) percent of the fees received shall be used to obtain and retain the engineering expertise to accomplish the following:
(in order of priority set forth below):
 - 1. Under the direction of the Board of Health:
 - assure the safe and proper daily operation of the landfill;
 - perform and validate groundwater and other environmental test requirements established by EPA, DEQE, and the Plainville Board of Health;
 - review and make recommendations concerning plans submitted by the landfill operator to DEQE and the Board of Health; and
 - to do or act in any matter relative thereto.
 - 2. That the remaining balance of such sum of money in 'A' above shall be used to provide other Boards and Committees with technical expertise and assistance in such areas as, but not limited to:
 - conservation;
 - planning;
 - water quality;
 - zoning;
 - other matters relating to or pertaining to environmental quality; and
 - to do or act in any matter relative thereto.

The funds under A. 2 shall be used under the direction of an Executive Committee consisting of the Chairpersons of the Board of Selectmen, Board of Health, and the Finance Committee. All requests for the use of the funds under A. 2 shall be submitted in writing and approved by the Executive Committee. It shall also be the responsibility of the Executive Committee to place articles on the Town Meeting warrant to set the percentages and/or dollars amounts under A. 1 and A. 2.

- B. Any amount of total fees received remaining after the accomplishment of A. 1 and A. 2 shall be used in the following manner:
 - 1. One half of the remaining amount shall be placed in a trust fund to be used for monitoring the landfill after its closure; and
 - 2. the balance shall be considered 'local receipts' and be used to reduce the property tax and/or to defray the normal operating costs and capital expenditures of the Town of Plainville in general.

As part of the agreement to transfer and assign Belcher Street, the landfill operator and/or landowner be required to post a bond or other such surety to cover any damage or corrective action as a result of improper operation of the landfill. Such bond shall cover the life of the assignment and be in addition to any bond for the closure of the landfill.

That the actual per ton fee, as well as the considerations to the Town for transferring ownership of Belcher Street, be subject to negotiation. The Committee is transmitting an addendum to this report to the Board of Selectmen recommending certain items to be considered during negotiations. The release of such information could bias and compromise the Town's negotiating position.

Respectfully submitted by,

RICHARD E. SILVEIRA, Chairman
ROBERT DEAN, Secretary
ARMAND DUSSAULT
JOSEPH GORMLEY
ANDREA SOUCY
Sanitary Landfill Study Committee

REPORT OF THE CONSERVATION COMMISSION

Board of Selectmen
Plainville, Mass.

Gentlemen:

The past year has been a busy one for the commission. Several hearings were held on the Wetland Protection By-Law, Section 23, Chapter 131, Section 40. Two criminal complaints were filed in Wrentham District Court on wetland violations in April, and the Magistrate found cause for issuance of the complaints in both cases. One case has been successfully resolved and the other is still pending.

Several members have attended courses on map reading and on the new state regulations which went into effect on April first. These will be enacted with our own Plainville Wetland By-Law, Section 23.

In June three new members were appointed to the commission. On approval of all members, Marcia Benes was appointed an honorary member and consultant to the Board.

The past year has found more cooperation between the town boards, and we hope that this continues this year.

We wish to thank all the people who have supported us over the past and hope with the help of these people and others we will continue our work.

Respectfully submitted,

RITA C. WATSON
Chairperson

REPORT OF THE TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen:

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year July 1, 1982 to June 30, 1983.

There were no expenditures from the appropriation for FY 83.

Respectfully submitted,

EVERETT W. SKINNER
ROBERT J. PROAL
DAVID PAUL
Town Forest Committee

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

Gentlemen:

This past fiscal year has been both active and productive for the Plainville Personnel Board. As a member of the Wage Negotiating Team, we contributed to the negotiated contracts of the Fire Department and Highway Department.

The Personnel Board revised and updated some of the Personnel By-Laws and we were instrumental in setting guidelines and recommendations for salary increases of all town employees. These changes, wage guidelines, and recommendations were accepted by the town at the Annual Town Meeting of April 1983.

All grievances brought before us were settled to the satisfaction of the parties involved.

In the coming year the Board plans to complete a number of projects related to compensation and personnel records.

We would like to take this opportunity to thank the Board of Selectmen, Mr. R. Brothers, and all Department Heads, for their cooperation and active support.

Respectfully submitted,

VIRGINIA H. SILVEIRA, Chairman
WINIFRED MASINO, Secretary
DONALD A. OPPENHEIM
Personnel Board

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for fiscal year 1982–1983;

TOTAL APPROPRIATION \$222,312.00

SALARIES

Appropriation	\$194,812.00	
Expended	192,130.15	
Transferred	2,500.00	to expense account
Balance		\$181.85

EXPENSES

Appropriation	\$ 26,650.00	
Transferred	2,500.00	from salary account
Expended	29,141.52	
Balance		\$ 8.48

CAPITAL EQUIPMENT

Appropriation	\$ 500.00	
Expended	490.00	
Balance		\$ 10.00

OUT OF STATE TRAVEL

Appropriation	\$ 350.00	
Expended	350.00	
Balance		\$ 0.00

TOTALS: EXPENDED – \$222,111.67 BALANCE – \$200.33 = \$222,312.00

SPECIAL EXPENSES

Appropriated	\$ 20,000.00	for car & truck
Expended	19,945.85	
Balance		\$ 54.15

Appropriated	\$ 26,000.00	for Radio Equipment
Expended	25,964.32	
Balance		\$ 35.68

I wish to take this opportunity to express my thanks to the members of this department and members of Town government, as well as the people of Plainville, for their support during the past year. With your continued support we will be able to provide you with the best possible Fire and Rescue Service. During 1982 we responded to 815 emergencies. To date in 1983 we have responded to 800 alarms which is an indication that we will experience a 40% increase over last year.

Respectfully submitted,

EDWARD D. DEVINE
Chief of Fire Department

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit my report of the activities of the Highway Department for the year commencing July 1, 1982 and ending June 30, 1983.

HIGHWAY MAINTENANCE:

Streets and sidewalks have been swept and patched with cold mix throughout the town. Brush has been cut along the roadways. Gravel roads have been graded. The South Burial Ground has been mowed and trimmed. Street signs have been repaired or replaced. We have a problem with vandals and sign collectors and would urge anyone that finds any street signs to return them. Safety lines and crosswalks have been painted.

RESURFACING OF THE TOWN ROADS:

The following roads were overlayed with bituminous concrete, Type I-1:

Hancock Street from High Street to Bow Street
Sections of Walnut Street
Mathurin Road
Wetherell Place

DRAINAGE:

Catch basins have been brought to grade and repaired with many basins having been completely replaced. On South Street a new 12" drain pipe connects two new basins. On Warren Street a 10" drain pipe was installed with one catch basin to alleviate a flooding problem. Laurel Avenue and June Street have new basins connected with 10" drain pipe.

STORM DRAINS ARE NOT A SUITABLE PLACE TO DISPOSE OF USED MOTOR OIL

CROSS STREET:

Lorusso Corporation, with cooperation from the Massachusetts D.P.W., saw the removal of the railroad bridge and the rebuilding of 500 feet of Cross Street. Four inches of bituminous concrete was laid in place for the road surface. Chapter 90 funding was used.

SNOW REMOVAL:

Sanding and plowing, when necessary, was done. Any equipment break-downs were repaired. Storm drains were cleaned in the Spring. Our snow removal budget was adequate. We have asked for a new sander and two new trucks. We need new equipment to assure us of making it through a snow storm without major break-downs.

GARAGE REPAIRS AND MAINTENANCE:

Insulation has been completed. Woodwork has been painted. New garage doors have been approved.

SIDEWALK ON ROUTE 106:

Recycled curbing was put in place and a sidewalk built. This project will be completed in 1983.

TRASH PICK-UP:

When a holiday, snow storm, or emergency situation falls on a collection day, all subsequent collections will be one day later. While goods collection for such items that cannot be placed in a rubbish compactor, and therefore cannot be picked up with regular trash (such as refrigerators, stoves, tree limbs, or other large items), will be picked up twice each year during May and October. We should all take the time to thank the men who work on the back of the collection truck in all kinds of weather.

In closing, I wish to thank the highway department employees and members of other departments for their help and cooperation.

Sincerely,

RONALD FREDRICKSON
Highway Superintendent

BREAKDOWN OF EXPENDITURES

	Expended	<u>32,225.67</u>	
	Balance		2,774.33

REPORT OF THE WATER COMMISSIONERS

To the Honorable Board of Selectmen:

Gentlemen:

The following is a report of the Water Department for the year ending June 30, 1983.

PUMPING FIGURES ARE AS FOLLOWS:

Total Gallons Pumped		214,364,600
Highest Month	June 1983	21,262,460
Lowest Month	February 1983	13,975,490
Highest Day	June 23, 1983	988,180
Lowest Day	February 13, 1983	366,480
Average Day		587,000

There were twenty-four (24) new connections made to the system, bringing the total number of services to 1305, not including individual connections at trailer parks. There were two new fire hydrants added to the system and two short sections of new main were added.

During the year the Department continued to replace defective water meters and install new meters when necessary. New meters with remote reading devices are being installed whenever possible in an effort to speed the meter reading period and allow more time for other types of maintenance of the system.

Two service leaks were detected and repaired in the street. Fortunately there were no frozen water lines reported during the winter months.

The water storage tank has been inspected and needs cleaning and painting. We will be seeking funds for this project at the next town meeting.

All three wells were cleaned and reconditioned during 1983. Although the work proceeded smoothly, it appears that due to iron and manganese in the water shed areas, and an increase in overall demand on the system, the process does not bring the wells back to their original capacity. This cleaning procedure must be performed yearly at an annual cost of \$15,000 to \$18,000. Methods of dealing with this problem are being investigated, along with a flushing program for the water mains and the possible addition of another source of water for the system. A land taking project will be forthcoming in the near future. The department is also looking into the possibility of contacting the Conservation Commission with regard to a possible well site on Conservation Commission property. Efforts will be made to try and reach an agreement if at all possible.

New rules and regulations pertaining to the Water Department have been formulated and adopted by the Water Commissioners which updated the existing rules and regulations. The water sampling program, mandated by D.E.Q.E. has been expanded to assure adequate protection of the consumer. The water rates of the town are being studied and a new rate structure is being considered which should provide a more equitable system for all.

The Water Department continues to try to provide the best possible service to customers and endeavors to find a solution to the on-going problem of sporadic dirty water complaints. Higher than normal amounts of iron and manganese in the ground water are the crux of the problem and means of dealing with this fact are being looked into.

The Board of Water Commissioners would once again like to thank the people of the community for their cooperation during our water crisis last November. Even though this was not a negligent problem by the department but an act of nature, we are looking into ways of protecting our well sites so that such a problem may never occur again. Filtering systems, as well as other systems, are being investigated. Our thanks go to all those departments who were so helpful when needed.

We wish to thank all those who have helped and worked with us during the year and wish to continue servicing the community to the best of our ability in the future.

Appropriation July 1, 1982 to June 30, 1983	\$76,680.00
Transfer from Town Meeting June 20, 1983	3,500.00

Respectfully submitted,

WALTER COLEMAN, Chairman
WALTER BURLINGAME
PATRICIA M. BARNEY, Clerk
Board of Water Commissioners

REPORT OF THE SEWER COMMISSIONERS

To the Honorable Board of Selectmen:

The sewer system was inspected by the Corps of Engineers and has officially been accepted.

The flows to the North Attleboro treatment plant are metered and we are billed based on the ratio of flow from Plainville to the total flow at the plant. The average monthly flow is 7.5 million gallons per month, the average monthly charge is \$2,261.11 for our share of the O & M costs of the plant.

No problems have thus far been encountered with the sewers, and a routine maintenance schedule will be adopted to attempt blockages from occurring. During the past year many new sewer services were tied into the system. Approximately 65% of the available sewered properties are now tied in, although some do not as yet utilize the sewer as they await final plumbing changes within the buildings themselves.

At this time the force sewer main servicing Englehard Industries, the R.I.G.H.A. Medical building, ManMar complex and Hilltop Terrace is operating at capacity.

The Sewer Commissioners began work with C.D. & M. on the Phase II Sewer Facilities Planning Up-date. This project is 90% reimbursible through the Federal Government and will be completed during FY 84.

The Sewer Commissioners would like to take this opportunity to remind all those presently within the sewer area of town that the final date for tying into the system is September 30, 1985. At this time, as the Sewer By-Law stipulates, anyone not having connected to the system will be subject to a penalty. This matter will not be taken lightly and will be carried through as is in the best interest of the town.

We wish to thank all those who have helped us and worked with us during the year, and we will continue serving the community in the future.

Unexpended Balance	\$189.00

Note: Due to extensive personal travel this year I was unable to attend the meetings and seminars during the year when scheduled.

Respectfully,

REGINALD B. KEYES
Sealer of Weights and Measures

REPORT OF THE PLAINVILLE HOUSING AUTHORITY

To the Honorable Board of Selectmen:

Gentlemen:

We hereby submit our report for the period from July 1, 1982 through June 30, 1983. During this period there were ten vacancies. These vacancies were filled from our Waiting List.

In July we were saddened by the passing of Mr. Francis Simmons. Mr. Simmons had been Chairman of the Housing Authority since 1969. He had been an invaluable member and will be sorely missed. In August Mrs. Marie Soper was appointed to fill the vacancy until town election in April.

In November Mr. Leroy Wilson resigned his position as State Appointee. The members wish to thank him for his twelve years of dedication and service to the residents of Hilltop Terrace.

Mr. Brian McAlice was appointed to the Board to fill the position by State Appointee.

At the April election Mrs. Lynda Paul was elected to serve as a member of the Housing Authority.

In June Mr. Walter Fink resigned as a member of the Housing Authority.

The sewerage project, which was begun in 1981, was put into operation in October, 1982. We wish to thank Mr. Everett Skinner and Mr. James Marshall for their assistance with this project.

The Rollins Cablevision Company, as a community service, installed (free of charge) an outlet in the Community Building hall.

We wish to thank Mr. Howard Reid for his generous gift of a colored television for use in the Community Building. The residents will have many hours of enjoyment using it.

We wish to extend our thanks to the Plainville Lions Club for their gift of a spruce tree for the circle, and the poinsettias for the residents at Christmas. The continued interest in the Housing Authority and its residents is greatly appreciated.

We wish to thank the Fire, Police and Highway Departments for their continued assistance and cooperation during the year.

Respectfully submitted,

CLINTON BARTON, Chairman
RUBENA COLE, Vice Chairman
WALTER FINK, Treasurer (resigned)
BRIAN McALICE, Assistant Treasurer
LYNDA PAUL

Plainville Housing Authority

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Plumbing Inspector for the year ending June 30, 1983.

Permit money collected	\$1,877.00
Money expended	1,877.00
Balance	-0-

Respectfully submitted,

EDWARD F. ROSE
Plumbing Inspector

REPORT OF THE ELECTRICAL INSPECTOR

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Electrical Inspector from the period of July 1, 1982 to June 30, 1983.

There was a total of one hundred and thirty-seven (137) permits taken out during that period.

Respectfully submitted,

PAUL SPADONI
Electrical Inspector

REPORT OF THE VETERANS' AGENT

To the Honorable Board of Selectmen:

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the Town of Plainville for the period July 1, 1982 to June 30, 1983. All applications for Veterans' Services during the period were approved by the State Commissioner of Veterans' Services.

Fifty percent of all monies paid by the Town will be reimbursed by the Commonwealth of Massachusetts. Approximately 284 requests for Veterans' information were received during this period.

Respectfully submitted,

DONALD C. SOULE
Veterans' Agent

REPORT OF THE DOG OFFICER

To the Honorable Board of Selectmen:

Sirs:

I herewith submit my report as Dog Officer, Town of Plainville, for the calendar year 1982.

Complaints and calls answered	235
Dogs impounded	76
Dogs returned to owners	49
Dogs euthanized	27
Dogs quarantined for biting persons	7
Livestock killed by dogs	
Rabbits	1
Sheep	4
Chickens	1

REPORT OF SELF HELP INCORPORATED

Self-Help, Inc., is Greater Brockton's anti-poverty agency dedicated to improving the quality of life of limited-income individuals and families, and making all segments of the community responsive to the needs of limited-income, disadvantaged and minority needs.

During the program year ending September 30, 1982, Self-Help, Inc., received a total funding of \$10,294,302. and provided 351,835 direct services to the area's limited-income individuals and families.

Plainville residents received 937 direct services totaling \$68,759. during our program year.

The total funding of \$10 million does not tell the real value of human services delivered to the area as a whole: Self-Help's funding enabled us to mobilize an additional \$787,298. of other community resources such as CETA, Commonwealth Service Corps, and local City and Town contributions as well as volunteers. The gross volume of Self-Help, Inc., during the past program year was \$11.1 million.

Self-Help currently employs 203 individuals, many of whom are limited-income and minorities.

We feel that the program year 10/1/81 to 9/30/82 was a successful one for Self-Help, Inc., and very helpful to our limited-income population. We thank the area's Board of Selectmen, town volunteers and the Selectmen's representative, Harriet Koshgarian, to our Board of Directors for helping to make our program a success.

Respectfully submitted,

ULYSSES G. SHELTON, JR.
Executive Director
Self Help Incorporated

REPORT OF THE LIBRARY TRUSTEES

To the Honorable Board of Selectmen:

Plainville's need for a larger Library is apparent to anyone who has visited our quaint and crowded facility. With this in mind the Trustees have continued to pursue many avenues trying to get a new building. We have toured libraries in four other towns, talked with Library Building consultants, an architect and our Congressman, Barney Frank, trying to come up with funding. This is an ongoing project.

A Friends of the Library group was formed during this year. They held two book sales and sponsored Puppet Shows in the Park with funds they obtained from the Art Council. They are a great addition and are adding new life to our library.

The Library houses 11,023 pieces of material and circulated 8,827 pieces during the year.

Mrs. Cobb ran a summer reading program again this year during August. Thirty-three children in the second through the sixth grade began the program and twelve finished and received certificates and note books.

Also in August a Story Hour for three to six-year-olds was held every week. Patrice Giovanoni, Leah Sharkey, Grace Simmons and Nancy Bussaglia were our storytellers.

We would like to thank Bob Adams for a job well done as our volunteer custodian.

Respectfully submitted,

CLAIRE M. RORK, Chairman
MARGARET B. NEALY
GRACE E. SIMMONS
Library Trustees

REPORT OF THE HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

Gentlemen:

Our year has been both productive and exciting as old projects draw near to conclusion and new ones begin to take shape. The Angle Tree Preservation Project, being carried out jointly with the North Attleboro Historical Commission, made a giant step toward completion with the Legislature's decision to supply the funding.

The continuing project of documenting ownership of all our lands (by decades from 1660 to the present) is making steady progress. In January the Wrentham Board of Selectmen (in response to your request) officially opened the ancient town records to our researchers. At least one of our members has been working with these records one day a week since that time. Some interesting information, relative to the first laying out of town roads, promises to shape itself into a booklet which will be of use to the Town Clerk and other town officials.

Another project has taken us to the local burying grounds for the purpose of making a pictorial record of each of the 18th and 19th century gravestones. With natural erosion and vandalism taking steady toll, the commission members felt that we should preserve in pictures not only the information but also the artwork before it is gone completely. Funds promised by the Arts Council has encouraged this work and also made it possible to begin work on an exhibition. The "Gallery of Gravestone Art" is scheduled for late September.

In April members of our Commission were present at a meeting of the Commissions in eight neighboring towns. Ideas exchanged at that gathering will be used for the benefit of Plainville as time goes on.

Respectfully submitted,

Historical Commission

REPORT OF THE PLAINVILLE CELEBRATION COMMITTEE

To the Honorable Board of Selectmen:

Once again a special day for the people of Plainville was put aside for a late July 4th celebration, which was held on September 11, 1982.

Seventeen citizens went before the Board of Selectmen and were appointed to the Celebration Committee. A name for the celebration was put to a vote and it was unanimous that the celebration be called "The Second Annual Saturday Spectacular."

Officers elected were as follows:

Chairman – Robert J. Bedard
Vice Chairman – Rosie Sorrento
Secretary – Carol Graham
Treasurer – July Gale

Representing the following were:

Methodist Church – Judy Gale
Friends of the Celebration Committee – Virginia Silverra
Girl Scouts – Rosie Sorrento
Jaycee's – Terry Epstein and Peter Marchese
Boy Scouts – Ron Frederickson
Children and Youth – Karen Ganimian
American Legion Post No. 217 – Don Hassell and Bob Bedard
American Legion Unit No. 217 – Celine Hassell and Connie Schnack
4-H Club – Thomas Parmenter
Jaycee's Wives – Darlene Young and Marge Edwards
Kappa Sigma Sorority – Natalie Rammell and Beverly Bedard
Lions Club – Richard Compton
St. Martha's Church – Arnold Casamenti
Rep. Plainville's Townspeople – Edna Rinaldi

Sub Committees formed were as follows:

Entertainment – Richard Compton
Food & Drink – Rosie Sorrento
Jail House – Virginia Silverra
Ticket Sales – Natalie Rammell
Clown Faces – Karen Ganimian
Field Events – Terry Epstein
Radar Speed Pitch – Don & Celine Hassell
Public Relations – Marge Edwards & Darlene Young
Photography – Darlene Young and Marge Edwards
Canoe Races – Terry Epstein
T-Shirts – Celine Hassell
Trophies and Ribbons – Peter Marchese
New Booths – Bob Bedard
Salad Bar – Arnold Casamenti
Special Games – Edna Rinaldi
Parade Judges – Marjorie Waite, Myrtle Smith, Esther Myers, Miriam Kellogg, Charlotte Ellis
Paper Goods – Marge Edwards
Special Assistance to Sub-Committees – Frank Sorrento and Beverly Bedard
Clean-Up – To Ron Frederickson, A Special Thanks!

The Day started off with a Children's Horribles Parade. Traveling from Whiting and Davis parking lot to the town park, there were boys and girls dressed in a variety of costumes, decorated bicycles and doll carriages, and everybody had a smile as the parade went by.

There was continuous entertainment throughout the day from 10 a.m. until midnight. Some of the entertainment consisted of music by the US Rock Band, Dancers by the Junior Dimensions, a magician show by Joe Clarota, also two forty minute skits by the King Phillip Cheerleaders, a dance act by the McKeon dancers, a karate show by Tom Flynn & Association, and, of course, no one could let the day go by without taking the "Pepsi Challenge." To complete the day the famous "Block Dance" with music by Dennis Hanoise's Pure Water Band was a huge success. The Parking Lot was full of dancers as everyone celebrated the evening away, a good time was had by all.

We must not forget the great Shriners Palestine Calliope, the big, red truck that lead the parade and then stayed in the park all day, sounding off it's music between our entertainment acts. That truck cost approximately \$250,000.00 dollars, with all it's real gold leafed speakers in the shape of wild lions; they came to us for just a little more than a 'thank you.' Their loud speaker system came in very handy for us, they were a great help.

The twelve booths that were set up for the day now belong to the Town for they were put up for bid by the Mansfield Fire Department and we, being low bidder, now have the booths. Special thanks go to Mr. John Stevens of the American Legion Post No. 217 for the 38 hours he put in overhauling the booths.

We the Committee would like to thank the Plainville Police and Fire Departments, the children who were in the parade, all those who participated in the field events, and all the townspeople for supporting us for without your support we would not have been able to succeed as we did.

I would like to thank each and every one of my Committee members for the countless hours of work that was put into this celebration; each and every phase was complete and professional. Thank you.

Respectfully submitted,

ROBERT J. BEDARD
Chairman, Plainville Celebration Committee

Annual Report
of the
BOARD OF HEALTH

of the
TOWN OF PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30, 1983

REPORT OF THE BOARD OF HEALTH

To: The Honorable Board of Selectmen

Plainville's first separate elected Board of Health took office on April 4, 1983. The first three months were largely devoted to organization and review of existing policies and regulations. The Board adopted new septic regulations including 5' minimum depth to water table, percolation tests restricted to the months of March, April and May, and minimum distance of 100' from septic system to any water source.

The Board wishes to thank all town officials, especially the Town Office clerical staff, for their assistance during our term.

Respectfully submitted,

Everett W. Skinner, Chairman
Marcia Benes
Richard Guillette

REPORT OF THE NORFOLK MENTAL HEALTH ASSOCIATION, INC.

Through its partnership with the Norfolk Mental Health Association, the Town of Plainville is able to guarantee its residents — children, youth and adults — access to an integrated network of quality outpatient mental health services. Town contribution enables Cutler Counseling Center, a comprehensive clinic sponsored by the Association with limited support from the State Department of Mental Health, to provide a wide range of outpatient counseling services to citizens who need them at fees based on their ability to pay.

The Norfolk Mental Health Association is a private non-profit corporation, governed by a citizen Board of Directors who represent each of the twelve towns in its service area, Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of NMHA available to Plainville residents are: CUTLER COUNSELING CENTER, which has a large multi-disciplinary staff serving individuals, couples and families. Services include evaluation, referral, treatment, educational and support groups (e.g. Widowed Lifeline, Recreational Gym, Social Rehabilitation, Single Life Group, Divorce-Separation Workshops, Stress Management Workshops, Cancer Support Groups, Bereavement Groups, Music Therapy, Weight Management), children's groups, parent-toddler groups, as well as consultation and training services to community agencies, schools, and local industries. NORFOLK CLINICAL CHILDREN'S CENTER, a therapeutic day program for emotionally, behaviorally or developmentally distressed children ages 3-8. SUPERVISED APARTMENT PROGRAM, a residential program providing supervised living for deinstitutionalized mentally ill/mentally retarded adults. PROJECT HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include comprehensive diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered long-term employment, and transitional employment and job placement. CASE AIDE AND PARENT AIDE PROGRAMS, offering trained and supervised volunteer aides who provide one-to-one help to clients both in and out of Medfield State Hospital, families and individuals in crisis, victims of domestic violence, parents at risk of abusing or neglecting their children, isolated elderly. COMMUNITY EDUCATION AND INFORMATION, offering publication of an informative newsletter, The Reporter, to every home in the service area, speakers for community meetings, workshops, consultation and educational materials.

During fiscal year 1982, Cutler Counseling Center provided direct services to approximately 96 people from Plainville. The total value of these services was \$23,730 of which the Town of Plainville allocated \$3,050. The balance was paid for by collections of fees from health insurance, Medicaid, self-pay fees and other private donations and grants, \$8,000 in State-donated positions, and \$5,180 donated by the Norfolk Mental Health Association.

In the past year, people from Plainville who came to us for assistance were often referred by friends, neighbors or family, may have read our newspaper, or were referred by clergy, school, physicians or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relationships, school or behavior-related problems, alcohol or drug abuse, and work-related problems.

The Norfolk Mental Health Association Board of Directors includes Rubena Cole and Jeannette Pray from Plainville.

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective and economically feasible.

All mosquito eggs need water to hatch and to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the draining of shallow, standing, stagnant water and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage ditches cleaned	4,953 feet
Brush obstructing drainage cut	640 feet
Culverts cleaned and opened	5 count

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Aerial applied larvicide	390 acres
Larvicide by backpack and mistblowers	45 acres

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying or threatening to residents.

Adulticide mistblowing from trucks	30 acres
Adulticide U.L.V. from trucks	3,840 acres
Catch basin application. Adulticide and larvicide	384 count

Surveys, inspections and monitoring in support of our programs include locating and mapping breeding areas, larval and adult collections and fieldwork evaluations leading to better drainage.

The Project received 16 calls from residents for information and assistance.

Respectfully submitted,

Albert W. Meuser, Superintendent
